Pakhan's Bluff May 09 2020 In the Scottish Highlands an enigmatic billionaire and private investor masterminds a perfect crime - the theft of The Royal Orb. Two hundred years ago a Duke and his friend hid this precious object from a King. Recently discovered, its public display in a museum gives the man known as Pakhan a chance to take it for himself. In Edinburgh, Ken Lacey is a fine art expert and former military intelligence officer who works with the police to prevent illegal trade in rare and expensive artefacts, and their counterfeits. When Pakhan's thieves steal the Royal Orb, Ken's nephew Rob and best friend Alex stumble across its temporary hiding place and are kidnapped. The only person who can help them stay alive is a double agent working under deep cover for the Italian Guardia di Finanza. In Venice, six months later, a cache of Jacobite Gold appears on the open market and Ken is back on Pakhan's trail. Pakhan plans to buy the treasure legitimately and Ken's brief is to attend the auction then follow the money to lure Pakhan into the open. The Autobiography Sep 24 2021 A no-holds-barred story of what it takes to reach the top, and stay there, in the world's most dangerous sport - three day eventing. At the age of forty-seven Mary King won a Team Bronze at the Beijing Olympics. In the two 'Cavaliers' - 'Call Again Cavalier' and 'Imperial Cavalier' - she has two of the very best event horses in the world. Mary King's success in the world of eventing (now officially classed as the most dangerous sport in the world) has been hard won. She does not come from a privileged background - her father a verger and a long-term invalid so money was very tight. Her first pony was the ancient 'cast off' from the local vicar's children - and success with this pony gave her an iron will to succeed. And succeeded she has. To support herself in the early days she had a variety of unglamorous jobs (this included butcher delivery rounds and cleaning out toilets in the local campsite). Her talent was apparent from very early on and she first competed at Badminton in 1985, had her first win there on King William in 1992 and her second on Star Appeal in 2000. Just when everything seemed to be going well she suffered a terrible fall in 2001 and broke her neck but she was back competing at the very top level the following year. Fully updated for the paperback with the 2010 season, including Team GB's gold medal-winning performance at the World Equestrian Games, this is a fascinating account from inside the world's most dangerous sport.

Lemon-Aid Used Cars and Trucks 2012–2013 Feb 04 2020 Lemon-Aid guides steer the confused and anxious buyer through the economic meltdown unlike any other car-and-truck books on the market. U.S. automakers are suddenly awash in profits, and South Koreans and Europeans have gained market shares, while Honda, Nissan, and Toyota have curtailed production following the 2011 tsunami in Japan. Shortages of Japanese new cars and supplier disruptions will likely push used car prices through the roof well into 2012, so what should a savvy buyer do? The all-new Lemon-Aid Used Cars and Trucks 2012-2013 has the answers, including: More vehicles rated, with some redesigned models that don't perform as well as previous iterations downrated. More roof crash-worthiness ratings along with an expanded cross-border shopping guide. A revised summary of safety- and performance-related defects that are likely to affect rated models. More helpful websites listed in the appendix as well as an updated list of the best and worst "beaters" on the market. More "secret" warranties taken from automaker internal service bulletins and memos than ever.

Purgatory Chasm Apr 07 2020 "Tander Phigg was an asshole, but he was also a Barnburner. Barnburners saved my life. I help them when I can. No exceptions." The job seems simple. Conway Sax, a no-nonsense auto mechanic with a knack for solving difficult problems, has never liked obnoxious blowhard Tander Phigg. But a promise is a promise. Tander's a Barnburner, a member of the unique Alcoholics Anonymous group that rescued Conway, and when a Barnburner has a problem, Conway takes care of it. Besides, all Tander wants is to get back his baby, a vintage Mercedes that's been in a shady auto shop far too long. But Conway soon discovers there's much more to the problem than Tander first let on – especially when Tander turns up dead. Conway was the last person seen with the victim, and on top of that, he has a record, making him the cops' top suspect. He must catch the killer to clear himself, but beyond that, he's a man who honors his promises, even when the guy he made them to is dead. In the tradition of Robert B. Parker and Dennis Lehane, Steve Ulfelder's crackling debut mystery features a gritty, razor-sharp new voice in crime fiction. Conway Sax isn't a hired gun or a wise-cracking urbanite. He's just a mechanic trying to make his way, a blue-collar guy whose ideas about family and loyalty are as deeply held as they are strong. He'll break your heart if you're not careful. Advance Praise for *Purgatory Chasm*: "Genuine characters and intense action--a serious crime novel with serious edge." – Patrick Lee, New York Times bestselling author of *The Breach* "*Purgatory Chasm* grabs you at the gate and doesn't let go, careening through a top-notch whodunit to an ending you don't see coming. A debut this good makes you wonder what Ulfelder's holding back for the next race." –Sophie Littlefield, Edgar Award-nominated author of *A Bad Day for Sorry* "Holds a hot, ominous idle just until Ulfelder engages gears and hits the gas, pinning you back against the seat, hopeless to leave before the end of the ride. One of those rare debuts that leaves you immediately eager to see what is next." --Michael Koryta, award-winning author of *The Silent Hour* and *The Cypress House* "Ulfelder's voice makes the tale as powerful and true as rocketing down the back straight at Martinsville Speedway. He's given us living proof that scars are sometimes the only legacy we can pass down from one generation to the next." -- Louise Ure, Shamus Award winning author of *Liar's Anonymous*

Wandering Workers Mar 19 2021 This timely book offers a fresh perspective on the issue of contemporary migratory labor, otkhodnichestvo, in Russia -- the temporary departure of inhabitants from small towns and villages for short-term jobs in the major cities of Russia. Although otkhodnichestvo is a mass phenomenon, it is not reflected in official economic statistics. Based on numerous interviews with otkhodniks and local experts, this stunningly original work focuses on the central and northern regions of European Russia. The authors draw a social portrait of the contemporary otkhodnik and offer a sociological assessment of the economic and political status these 'wandering workers' live with.
