Chrysler PT Cruiser Oct 11 2020 I was born and raised in Rockland County, which until the mid-fifties, was a region of New York State characterized by small villages and farms just 18 miles or so from New York City. After high school and college and having seen enough of "progress" destroying this wonderful way of life, my wife and I moved to a small community a few miles from Cooperstown, New York, home of the Baseball Hall of Fame. After raising three daughters and a career in education I decided to change the tempo of life and began a new occupation as a full-time writer of automotive history. This was simply an extension of what I had been doing since my preadolescent years when my brother and I would collect sales brochures from any auto dealer who wouldn't show us the exit/door, since we obviously had no cash, no credit and no intention of buying a new car. Ever since I was in elementary school I was fascinated by the hopped-up Fords and Chevys (and even an occasional Plymouth) of the late '30's and '40's that the older "cool" boys drove to school. Recollections of those cars from long ago instantly came to mind when I first saw the PT Cruiser in 2000. Having previously written numerous articles and several books on Chrysler vehicles, my interest in the PT as the subject of a forthcoming volume was instantaneous.

Satin Pumps Mar 28 2022 The true crime memoir about a 1950s doctor, his girlfriend, the murder of his wife, and the 3 trials that followed, written by one of his former patients. After a high-speed chase with police, Finch was arrested the next morning in Las Vegas and charged with Barbara's murder. Then, during his court hearing in West Covina, Carole was arrested on the witness stand and charged as his accomplice. Soon others were named as part of a larger conspiracy. But who were they and what parts did they play in these deadly events?
