2022 a note for pmdg users
please be mindful that the 737
is still in development and that
the pmdg sdk has not been
released yet there will be
things not working as expected
and if there is another update
to the 737 things may break
pmdg said that they want to get
the sdk ready by mid 2022
after it has been release things
should become more stable
