Tangled Vines Oct 26 2021 From the New York Times–bestselling author, this vintage romantic thriller set on a Napa Valley winery “all but begs to be made into a TV miniseries” (Publishers Weekly). A tough-as-nails reporter at NBC, Kelly Douglas is on her way to the top. Her latest story—a profile of the famed Rutledge Estate winery in Napa Valley—could make her career, but the dream assignment turns into a nightmare when it puts her face-to-face with the one man she hoped to never see again: her abusive father, Len Dougherty. Len won a portion of the winery in a settlement with the family years ago. And he’s been a thorn in their side ever since. Kelly can only hope he doesn’t foul up her story—or her budding romance with the charming winery manager, Sam Rutledge. But when Kelly’s reporting uncovers a murder at the vineyard, Len threatens to ruin her life once and for all. With over 300 million copies of her novels in print, New York Times–bestselling author Janet Dailey is a legend of romantic suspense. In this page–turning tale, she brings her “mastery of sweeping romance, divided loyalties, and searing passion” to Northern California wine country (Lanier County News).

Perfumed Sleeves and Tangled Hair Mar 31 2022 Perfumed Sleeves and Tangled Hair explores the possibilities and limits of terms such as "body," "woman," "gender," and "agency"—categories that emerged within the context of western philosophical, religious, and feminist debates—to analyze texts that come out of altogether different temporal and cultural contexts. Through close textual readings of a wide range of classical and medieval narratives, from well-known works such as the Tale of Genji to popular Buddhist tales, Rajyashree Pandey offers new ways of understanding such terms within the context of medieval Buddhist knowledge. Pandey suggests that "woman" in medieval Japanese narratives does not constitute a self-evident and distinct category, and that there is little in these works to indicate that the sexed body was the single most important and overarching site of difference between men and women. She argues that the body in classical and medieval texts is not understood as something constituted through flesh, blood, and bones, or as divorced from the mind, and that in the Tale of Genji it becomes intelligible not as an anatomical entity but rather as something apprehended through robes and hair. Pandey provocatively claims that "woman" is a fluid and malleable category, one that often functions as a topos or figurative site for staging debates not about real life women, but rather about delusion, attachment, and enlightenment, issues of the utmost importance to the Buddhist medieval world. Pandey's book challenges many of the assumptions that have become commonplace in academic writings on women and Buddhism in medieval Japan. She questions the validity of speaking of Buddhism's misogyny, women's oppression, passivity, or proto-feminism, and points to the anachronistic readings that result when fundamentally modern questions and concerns are transposed unreflexively onto medieval Japanese texts. Taking a broad, interdisciplinary approach, and engaging widely with literature, religious studies, and feminism, while paying close attention to medieval texts and genres, Pandey boldly throws down the gauntlet, challenging some of the sacred cows of contemporary scholarship on medieval Japanese women and Buddhism.

The Tangled Fire of William Faulkner May 21 2021 The Tangled Fire of William Faulkner was first published in 1953. Minnesota Archive Editions uses digital technology to make long-unavailable books once again accessible, and are published unaltered from the original University of Minnesota Press editions. Out of the tangled fire that is the genius of William Faulkner's fiction, this critical study draws as coherent and highly original view of the writer's achievement. By placing Faulkner in his Mississippi background and analyzing his novels and short stories in chronological sequence, O'Conner demonstrates a major thesis that sets this apart from other studies. It is his interpretation that Faulkner's fiction is not all of a piece, does not merely develop the conviction of the legend of the Old South, but is, rather, marked by diversity of theme.

The Tangled Web May 01 2022 An anthology of fantasy, science fiction, and horror stories themed around spiders.

Tangled Jun 09 2020 In New York Times bestselling author Emma Chase's sizzling and hilarious debut novel, Drew Evans—gorgeous, arrogant, irreverent, and irresistibly charming—meets his match in new colleague Kate Brooks. When rich, handsome, and arrogant meets beautiful, brilliant, and ambitious, things are bound to get tangled... Drew Evans makes multimillion-dollar business deals and seduces New York's most beautiful women with just a smile. So why has he been shuttered in his apartment for seven days, miserable and depressed? He'll tell you he has the flu, but we all know that's not really true. When Katherine Brooks is hired as the new associate at Drew's father's investment banking firm, every aspect of the dashing playboy's life is thrown into a tailspin. The professional competition she brings is unnerving, his attraction to her is distracting, his failure to entice her into his bed is exasperating. How can one woman turn a smooth-talking player into a broken, desperate man? By making the one thing he never wanted in life the only thing he can't live without.

Tangled Destiny Sep 05 2022 It is 1778, and the contractual marriage between Christian St. Clair and Catherine Trevane will unite two of the most powerful families in South Carolina. But when Catherine disappears just weeks before the wedding, both families are at their wits end and will do anything to find her. In desperation, Christian approaches Linnet, a local healer and wise woman, who is reputed to have 'unusual' gifts. Linnet, an immortal and time travel guide, knows that Catherine has travelled across time and is now living in the 20th century but reluctantly agrees to bring her back to fulfil the marriage contract. Linnet tracks Catherine down, but discovers that she is now in her 70s and a grandmother. Undaunted, Linnet realizes that Catherine's career-oriented granddaughter, Sarah, is the spitting image of Catherine when young, and uses her powers—plus a tad of magic—to arrange a series of events to bring Sarah back through time to 18th century Charles Town and pass her off as the missing bride. A tangled mess of deception, lies, murder and mayhem plays out before the truth is revealed and destiny is fulfilled. It is also a story of love and sacrifice by two women born centuries apart, but joined in destiny.

Tangles of Truth Jul 03 2022 Hauptmann Rolf Leutnant is a German staff officer with the famed Afrika Korps and is General Erwin Rommel's favorite interpreter, fluent in Italian, French, and English. Leutnant is assigned as the primary translator for both Italian and German senior officers. While in Tunisia, Rolf meets and falls in love with Lorena Sebesta, an Italian Red Cross nurse. For her, however, the attraction is difficult, since she despises uniforms and especially Germans. However, the relationship grows and soon develops into a torrid love affair. Later, Rolf is approached by several shadowy figures, who hint at things more sinister and possibly supernatural in Rolf's background. He is tied to a birthmark in the shape of a wolf's head, a secret society known only as the Red Pyramid, and an ancient curse from Egypt that has awaited his arrival for 5,000 years. Here is a tale of love across time, challenged by the past, present and future. These characters interact amidst World War II, fighting for the Axis, the eventual losers of this terrible war. Yet they are human, caught up in the questions of right and wrong, evil faced off against good. The choices they make have personal and global impact.

Tangled Web of Friends: Book I - Summer Camp Feb 04 2020 "A shadowed figure stood in the doorway directly opposite from where Josie lay. She told herself that it must be Adam, but reason argued that the figure before her was too tall and too wide, almost filling the entire doorway. Thunder shook the house while lightning flashed and for a split-second she could see him clearly. He wore a dark tailored suit with a high-collared shirt pinched at the throat with a tie, and a tall, wide-brimmed hat that cast a shadow over his face so again she couldn't see his eyes. But she knew he was watching her. Terror froze her. She couldn't move. She couldn't speak." While on a summer adventure camp in the Northern Maine woods, Josie - a theater geek who prefers ballet shoes to hiking boots - and her fellow campers find themselves forced to take shelter in an abandoned house in the middle of the forest. Each will have their own brush with the supernatural as they confront the long-dead residents of the home, but after a bump on the head, Josie will be taken above and beyond any comfortable reality she has known so far. She will be thrust into finding an inner strength she hadn't known she possessed and into facing a love deeper than she knew possible.

And as Josie and her new friends step into a world of paranormal possibilities never before known to them, how will their experiences forever change her life and the lives of those she is now closest with?

Tangled Webs Dec 16 2020 Bringing up a child is a time-consuming but rewarding task for any parent. But what is it like for the parent of a child with disabilities? What then? Anxious and concerned parents, conscientious or dismissive caregivers, arrogant or caring do-gooders, insensitive or dedicated professionals, all come together to form Tangled Webs through which the journey of a child with disabilities and her family is portrayed. This is the story of the dedication of the people who supported Sharon, who was born with Down Syndrome. She matures despite all headaches, problems, and doomsayers, to become independent from her family. It is a story of triumph in a world of adversity. Tangled Webs has a message for everyone in today's society; parents, educators, social workers and medical care providers; anyone who has contact with people with disabilities.

Tangled Up in Text Mar 19 2021

Tangled Threat & Suspicious Jul 23 2021 New York Times bestselling author Heather Graham brings her unique brand of suspense to Harlequin Intrigue with two thrilling stories of love and danger in one book! **TANGLED THREAT** A body hanging from the infamous History Tree had unraveled their teenage love. Now, twelve years later, Maura Antrim is again tangled up with Brock McGovern, and they're back where that devastating murder occurred. With two women missing, and Brock now an FBI agent, Maura is determined to help. Together they'll have to confront a threat that never died, and see if their passion has withstood the test of time. **SUSPICIOUS** Big-city lawyer Lorena Fortier's suspicions about her father's death have brought her to a small town nestled in the Everglades. But when a killer claims more victims, Lorena knows she's in over her head. Hardened cop Jesse Crane only complicates matters. As they face danger more menacing than any they had ever imagined, Lorena needs to put her life in Jesse's hands. Can she do the same with her heart?

Tangled Roots Nov 02 2019 Can Hannah Ives untangle the roots of her ancestry to solve murders from the past and present? Hannah Ives's sister, Georgina, has some astonishing news. A DNA test has revealed she is part Native American, and Hannah's test has similar results. The link seems to come from their late mother. But how? As Hannah dives into constructing her family tree, she uncovers a heart-breaking love story and a mysterious death, while DNA matching turns up two second cousins, Mai and Nicholas. Hannah and her niece, Julie, are eager to embrace their new relatives and learn about their surprising ancestry, but Georgina's husband, Scott, isn't so keen. Are there more shocking revelations to come? And can Hannah untangle her family roots to uncover the truth behind a devastating tragedy?

The Legend of Black Lake Aug 31 2019 Eight years ago, Donnie Davis' world was ripped apart on his sixth birthday the day his mother was killed in Black Lake. His subconscious mind refuses to unlock the terrible events that took place that day and he fears he's the one responsible for her death. His father swears Donnie is miles away when tragedy struck. But what his father swears doesn't match the nightmare that plagues Donnie. That same summer, the sacred burial ground of the Pictaw tribe lay in jeopardy of being desecrated. Business entrepreneurs bought land near the great burial rock with plans to build a resort on the lake. The government refused to stop these men, so the Pictaw chief brought to life the legend of Black Lake. Ne-mu-te, the vicious, sly water spirit once again swam the dark waters. Wasis, the white wolf, keeper of souls, roamed the forest. Now, eight years later, Donnie's quest to find the truth about his mother's death threatens to expose the only weapon Crooked Duck, the Pictaw Indian chief, possesses that can stop the destruction of the Pictaw sacred burial ground.

The Tangled Web of Patent #174465 Mar 07 2020 The Tangled Web Of Patent #174,465 is the story of fraud, collusion, perjury, corruption, bribery and what would now be called industrial espionage. It is a story that involves an individual who has been called one of America's inventive geniuses - Alexander Graham Bell. He has been held in the highest regard as the inventor of the telephone. However, careful scrutiny of numerous documents that include thousands of pages of sworn testimony before a Congressional investigations committee, show that Alexander Graham Bell was a party to what might be considered one of the most intriguing historical deceptions. With all due respect to Alexander Graham Bell, he was not the actual perpetrator of this historic fraud. The culprit in the initial historical subterfuge was Bell's father-in-law: Gardiner Greene Hubbard. The Tangled Web. . . will show how Alexander Graham Bell has been falsely given high honors in the history books of the United States depriving the true inventor of the telephone his rightful place. It will be seen that throughout the early years of the telephone, Alexander Graham Bell gave different stories about events that surrounded the invention and issuance of a patent of what became - only via legal wranglings - the invention of the telephone. These different stories cast grave doubts about Alexander Graham Bell's honesty and that of his father-in-law who reaped millions of dollars in profits through what became a telephone monopoly. This story clearly represents examples of two adages. "Oh what a tangled web we weave when at first we practice to deceive" and "Truth is stranger than fiction."

Tangled: A Dark Protectors--Reese Family Novella Aug 12 2020

The Tangled Roots of Feminism, Environmentalism, and Appalachian Literature Feb 15 2021 In this study, Elizabeth Engelhardt finds in the work of four women writers from Appalachia, the origins of what is recognized today as ecological feminism - a wide-reaching philosophy that values the connections between humans and non-humans and works for social and environmental justice.

Legends of the Northwest ... Oct 06 2022

The Tangled Brain Jun 02 2022 Part of being human is to learn new ideas, reject them or modify them and pass them on. What we choose to do with an idea depends on who we are; our gender, ethnicity, earlier ideas, what we do for a living, etc. That is, ideas spread to our minds depending on whether they are fit for the environment or not. Descent with modification and selection is the central feature of both biological and ideological evolution. An evolutionary approach helps us to understand such issues as changes in Christianity over time, the mimicry of colonial regimes, the cycles of corruption that are followed by purges in the police and business, and much more. This approach can even shed a light on the belief that the end of the world is nigh. However, there are major differences between ideological and biological evolution. The roles played by consciousness and powerful individuals or groups cannot be ignored. The book contains examples that highlight the similarities and differences between biological and ideological evolution. We have a rich ideological flora and fauna in our minds. Hopefully, an understanding of how they got there will help us distinguish between beautiful flowers and pernicious weeds.

Tangle Creek Nov 26 2021 When Eli Soren Cooper is accused of murdering his wife Caroline Kuchen Cooper the whole Cooper family gathers to support their brother and son. The family that helped to change the name of their rugged wilderness ranch from Tangle Creek Ranch to Bloody Basin during an all out war with sheep men invaders, have to face their own lusts, greed, and avarice. Across the Verde River the Mazatzal Mountains form a haven for rustlers and outlaws. Can the peaceful paradise dreamed of by Rayne and Jamaica Cooper on their hazardous journey from Wyoming to Arizona survive?

The Tangled Web of Wicca Apr 19 2021 I am a Traditionalist. A Traditional Wiccan High Priestess Witch. I am not a person with an Ivy League education. Nor am I a scholar with 6 or 7 degrees! I do not speak any language other than English, a few choice Spanish words and some pig latin. I don't use big fancy words where you have to have a dictionary to read the book and I don't use long, complicated sentences that you have to read 16 times to understand what I'm saying. I'm not a professional writer and even if I were, I felt this book needed to be written where anyone could read it without any difficulty no matter the level of reading one does or how long they've been on the path of Wicca. Most people will agree there have been many books written on the subject of Wicca. So many of them it can become confusing and frustrating for the Novice because most books are simply bits and pieces of Wicca thrown together coupled with a person's personal opinion and experience. There are many important details left out. Details that are inclusive in most Traditional Wiccan training. Keep in mind there's only one way to receive full training and it does not come from a book or from the internet. This book is different than your average "how to" book on Wicca. There are no spells. It is not about magic. There are no instructions on how to cast a Circle or how to call the quarters. There's plenty of books out there on all of those subjects. If that is the kind of book you were expecting, I am happy to inform you that it is not. This is a book that explains a (seemingly) fast disappearing perspective regarding important protocol and important elements that are missing in today's practices within the religion of Wicca in our American Wiccan communities today. A perspective (believed by many) that should return. The book also points out some of our problems and issues in the Wiccan community that are going on here today in the United States. Problems and issues that have arose since the occurrence of Wicca's massive growth spurt and the booming book and internet industry that surrounds it! This book is written based on my training, experiences, knowledge and information that I have personally gained over the years from walking and living the life of a Wiccan Witch. There is information contained within this book that you normally would not hear or know about Wicca unless you had (or have) a teacher. Teacher meaning a "Traditional Wiccan High Priestess or Priest Witch" to help you along, to guide, direct and train you. The sole purpose of this book is to give you some of that information that you would not receive without training, without an experienced High Priestess or Priest to give it to you. Much of it is information that you will not find in books and is vital to Traditional Wiccan practice. Some which is basic Wiccan protocol that has been passed down orally and/or verbally through the generations, some since the beginning of Wicca and its oral Traditions in the United States. Oral and verbal protocol that was (and still is) being given to Novices in their beginner level training in some of the working Traditional Covenants. My hope is that it will provide the reader/s with a fresh (yet certainly not new) look at Wicca and hopefully help guide them in the direction that's most beneficial for them. If you find it to be controversial for, remember this is a perspective coming from a Traditional Wiccan Witch who has been formally trained in a Tradition of Wicca in a Traditional Wiccan Coven. Either way, I hope anyone who reads it will get something from it even if its just a small something and that it will help in some way as you step onto the path of Wicca or onto the next

crossroads of your journey in Wicca. Before you begin to read this book, please understand that I am not staking any claims that I am the "Wiccan Guru" or the "Grand Poobah of Wicca"! I have never claimed such nor will I ever claim such! So please do not take my words out of context or twist them in any way! I ask that you understand and know that my words are in no way conveying that a person is not legitimately Wiccan or not legitimately practicing Wicca if they don't do things the way I explain in this book or if they do not practice the way I do! It is not a book that says "do it this way and no other or that my way is the only way or the best way." Not at all. The book was written for the reader/s to understand Wicca from a Traditional perspective and to come to their own conclusions about what to do (if anything) after reading it. Again, this is a book written from my own training and experiences and from the knowledge I have gathered over the years of walking this path. If you have questions about something that is stated in the book, please refer to the Facebook page that is set up for discussion of the book. I am sure some folks will go on with their usual way of doing things, regardless of what I have to say. And I wouldn't expect anything more or anything less. I do not wish to complicate things for anyone. I am in hopes it will answer some questions or rid the reader of any preconceived ideas or confusion she/he might have, maybe even eliminate some of the incorrect information you have come across during your seeking and/or walk in the path of Wicca thus far. If nothing else, maybe it will provoke thought on some new (yet not new) ideas. Not following any protocol, not having any criteria, not having or abiding by any rules of any kind is leaving a door wide open for Occult mayhem. In my own personal opinion I feel we're not far from it, if not already in mayhem. I feel it is time we make bigger changes. Changes that will help Wicca grow and prosper in a more positive way. It is a vision of mine to see changes taking place in the Wiccan community, changes that will bring the Traditional practices of Wicca back where they use to be and as a result bring a successful religion to the lands we live and to the path and religion that I care so much about. Wicca is not the "be all or end all" of Occult paths. Wicca is just one Occult path out of many that a person may learn or take. Learning as much as you can about as many of them as you can is always encouraged. But if you are interested in Wicca (in particular) and you live in the United States, it is wise to heed the advice of the older, trained and more experienced long term members of the "Wiccan community" who have practiced (particularly here) in the United States. Due to the the love and passion I have for Wicca, I have been called to write this book. I would like to thank every person who has been with me through this journey because all of you have contributed in my writing it. Both directly and indirectly. A thank you goes out to those of you who have purchased the book. I hope you enjoy reading it as much as I enjoyed writing it. ****NOTE****; If you do not agree with something I have stated in this book and wish to debate it, please be an adult about it and show your level of spiritual maturity by writing your own book in rebuttle to it. If you have something to say in defense or do not agree with something and do not wish to write a book in rebuttle, please refer to the discussion page on Facebook that has been set up so we can talk about it. The one thing that I ask is that you have enough respect for me to not stoop to personal verbal attacks, my training or my own personal experiences and perspectives just because you don't agree with me! I would be most grateful for that! Thanks! Happy Reading! Rain Dove

Tangled Threat Dec 28 2021 Some things you can't forget. A body hanging from the infamous History Tree unraveled their teenage love. Now Maura Antrim is again tangled up with Brock McGovern. Twelve years later, they're back where that murder occurred—where Brock had been arrested and then released, where Maura had run, too scared to stand by his side. But with two women missing, and Brock now an FBI agent, Maura is determined to help. Together, they'll have to confront a threat that never died and see if their passion has withstood the test of time.

Tangled Tales Aug 04 2022 The last two weeks have been a whirlwind, Victoria Morgan, reflects as she approaches the ancient ruins of Ephesus, Turkey. I'm putting my humdrum life behind and embarking on a new, hopefully, exciting path. The only remaining question is, where will that path lead? As the weeks progress, Tori's hoped-for exciting summer adventure morphs into a tale of mystery, danger, and romance when she, her long-time friend, Mark, a theologian, and their two roommates, an archeologist and an historian, set out to solve the mystery of a 2000-year-old local legend. As they seek clues to uncover the truth about Flavia, a patrician Ephesian girl, and her slave, Junea, Tori's tale becomes tangled with that of her first-century heroines. Like Flavia, whose life hangs in the balance in 56 A.D, Tori, faces a life-threatening situation in 2022. Was Flavia, with Junea's help, be able to escape death? Will death be Tori's fate? In this well-researched historical novel, the reader is transported back and forth between the once magnificent Ephesus of the first century and the city that lies in ruins today. As Tori and Flavia walk their separate paths, the reader comes to realize that life's challenges can be similar for women of every century. Beautifully illustrated with many photographs of the Ephesus ruins as they are today and some of Ephesus as it would have looked during the first century, Tangled Tales presents an unforgettable story of Ephesus then and now.

The Tangled Skein Oct 14 2020 It is the autumn of 1888. Following the successful conclusion of the investigation into the affair of the Hound of the Baskervilles, Sherlock Holmes and Dr Watson have returned from Dartmoor, little realizing that fate will see them back in Devon before the year is out. Holmes receives a potentially lethal package, the first strand in the tangled skein, which he will need to unravel before this new adventure is resolved. A threat to Holmes' life, murders on Hampstead Heath, and a strange phantom lady lead Holmes and Watson into the most dangerous investigation they have ever undertaken - an encounter which brings them face to face with evil itself, embodied in Count Dracula, the Lord of the Undead.

A Thread in the Tangle Nov 07 2022

Tangled Web Jan 05 2020 LADY (BAD) LUCK Clint Adams hates to see a lady in distress—especially if he's shared a memorable night with her. He's not about to play bodyguard, but the Gunsmith does have a reputation of righting wrongs...and Elena Halliwell can be awfully persuasive. The whole fracas started when her big brother refused to sell the family ranch to a cattle baron who doesn't know the meaning of a square deal—or the word no. The way Clint sees it, the range robber will have to learn to live with that answer...or else he'll die with it.

Tangled Webs Jan 29 2022 Exiled from her home, the beautiful dark elf Liriel Baenre wanders to the surface world with her companion Fyodor. But even far from the dark haunts of Menzoberranzan, she is not safe from the vengeance of her arch-enemy. Even as she and her friend sail the dangerous seas of the Sword Coast, a drow priestess plots a terrible fate for them. And in the depths of the earth, the spider queen Lolth weaves her own webs of terror and treachery. "Elaine is one of my favorite authors. Nobody sets a mood like she does, and her characters never fail to delight." -Troy Denning, New York Times best-selling author of Star Wars: Fate of the Jedi: Apocalypse

The Blue Castle and A Tangled Web Feb 27 2022 We bring together these two novels, thought to be the only books written for an adult audience by L. M. Montgomery, in one volume for you to enjoy. The Blue Castle, originally published in 1926, is a story full of humour and romance about a woman named Valency and her discovery of a new world of love and happiness. Valency escapes the clutches of her overbearing family when she is diagnosed with a terminal illness and finds solace in her new friendships and new surroundings. A Tangled Web, originally published in 1931, is a tale that follows two intertwined families through a year of heartbreak and hilarity in a scramble to acquire a family heirloom. When Rebecca Dark realises she is dying, she invites her extended family to one of her usual gatherings to inform them of her departure. After the shocking revelations of her will, a competition ensues between the rival family members. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled 'Anne of Green Gables'. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name.

The Legends of Lohrendore Nov 14 2020 A young peasant boy named Rishan has been called back to his home world to defend his people against an incredible evil. Laying waste to all who stand for freedom and life, this demon of the ancient world searches for the one person capable of subverting his evil campaign: the heir to the throne of Dhenor, a free kingdom of the mystical realm. And so the lowly apprentice must now decide whether or not he has the courage to combat the threat facing this foreign land and retain his destined throne. Gifted with a magical force and helpful companions, this young squire now has the chance to combat fears beyond his greatest imagining, visit strange and wondrous lands, safeguard his destiny as king, and restore peace to the land of Lohrendore.

Tangles and Tales May 09 2020

Way Walkers: Tangled Paths Aug 24 2021 Twelve Ways create a thousand tangled paths. Hatched from an egg but unable to shift into dragon form, Jathen is a Moot among the Tazu. His rightful throne is forbidden him because of his transformative handicap, and neither his culture nor his religion offer acceptance of his perceived flaws. Driven by wounded anger, Jathen strikes out across the vast world beyond Tazu borders, desperate to find a place where he feels accepted and whole. Though he travels with the most trusted of companions, sabotage and conspiracy soon strike his quest. Jathen and his allies must struggle against man and magic alike, at the mercy of forces beyond their ken. As Jathen presses on, his questions of belonging are surrounded by more of identity, loyalty, and betrayal. Where will the path of his destiny lead, and will he follow or fall?

Disney Tangled Oct 02 2019 The classic Disney story in comics! When the kingdom's most wanted, and most charming, bandit Flynn Rider hides in a mysterious tower, the last thing he expects to find is Rapunzel, a spirited teen with an unlikely superpower: 70 feet of magical golden hair! Together, the unlikely duo sets off on a fantastic journey filled with surprising heroes, laughter and suspense.

Tangled Up in Blue Apr 07 2020 If the wider, football-conscious world is aware of just two things about Scottish football, they are surely as follows: firstly, that there is a virulent rivalry in Glasgow between the city's two great teams, Rangers and Celtic, based on a religious divide; and secondly, that Rangers recently suffered a catastrophic financial collapse, which ultimately led to the club's

insolvency. Split into two separate, but closely linked, sections, *Tangled Up in Blue: The Rise and Fall of Rangers FC* gives the full account of both of these stories. Stephen O'Donnell explores how Rangers first became associated with hard-line Protestantism, dominating Scottish football for decades without ever knowingly signing a Catholic footballer, until the feted arrival of Maurice Johnston at Ibrox in 1989. He then switches focus to the club's financial affairs, as Rangers' unsustainable spending brought the club to the brink of collapse and, despite the hidden benefits of an illegal tax avoidance scheme, resulted in its liquidation.

Celebrating Flamenco's Tangled Roots Sep 12 2020 This collection of essays poses a series of questions revolving around nonsense, cacophony, queerness, race, and the dancing body. How can flamenco, as a diasporic complex of performance and communities of practice frictionally and critically bound to the complexities of Spanish history, illuminate theories of race and identity in performance? How can we posit, and argue for, genealogical relationships within and between genres across the vast expanses of the African-and Roma-diaspora? Neither are the essays presented here limited to flamenco, nor, consequently, are the responses to these questions reduced to this topic. What all the contributions here do share is the wish to come together, across disciplines and subject areas, within the academy and without, in the whirling, raucous, and messy spaces where the body is free-to celebrate its questioning, as well as the depths of the wisdom and knowledge it holds and sometimes reveals.

Tangled Souls Jan 17 2021 Wiccan Gavenia Kingsgrave's psychic gift, the ability to talk to the dead, comes with strings attached. As a Shepherd, she escorts them into the hereafter, but not all the souls want to cross over, and some can be downright vicious. When her latest case involves a heart-breaking hit-and-run victim, Gavenia is stressed to the max. The last thing she needs is a no-nonsense private detective on her tail, even if he is a handsome Irishman. Former homicide detective Douglas O'Fallon possesses his own psychic gift, one he's denied for years. Hired by a wealthy client to prove that Gavenia's a con artist, he is skeptical of the witch's claims she can speak to the dead. If he finds her gift as genuine, then he will be forced to accept his own. When their two cases intersect, opposites attract. But will they be able to set their differences aside long enough to outwit their foes - both the living and the dead?
