Julius Caesar and the Roman People Nov 24 2021 Julius Caesar was no aspiring autocrat seeking to realize the imperial future but an unusually successful republican leader who was measured against the Republic's traditions and its greatest heroes of the past. Catastrophe befell Rome because Caesar (or anyone else) turned against the Republic, its norms and institutions, but because Caesar's extraordinary success mobilized a determined opposition which ultimately preferred to precipitate civil war rather than accept its political defeat. Based on painstaking analysis of the ancient sources in the light of recent advances in our understanding of the participatory role of the People in the republican political system, a strong emphasis on agent choices rather than structural causation, and profound scepticism toward the facile determinism that often substitutes for historical explanation, this book offers a radical reinterpretation of the figure of profound historical importance who stands at the turning point of Roman history from Republic to Empire.

Revision Notes and Sample Essays Shakespeare's Julius Caesar Sep 03 2022 There are hundreds of study guides on well-known Literature texts such as Shakespeare's 'Julius Caesar'. You will be right in thinking that they are similar in many aspects. Accounts of scenes, themes and characters tend to sound alike. After all, writers of study guides are trying to interpret Shakespeare's play and writing outrageously different things may actually be misinterpreting it. Examiners, however, expect students to have a fresh approach to questions. Not an easy thing to do. The accountants' comments, character analyses and answers in this book include both conventional ideas and personal insights. This is intended to help students develop their own perceptions and be confident in using them in their exam answers. Please remember notes and essays are not meant to be memorised and regurgitated in the exam. They merely give you relevant information and show you ONE way of tackling questions. There are fourteen answers, based on the GCSE and other equivalent exams. Read them and use them wisely. Believe in yourself and be brave in writing your own answers.

History of Julius Caesar Aug 29 2019

Julius Caesar in Western Culture Jul 09 2020 This book explores the significance of Julius Caesar to different periods, societies and people from the 50s BC through to the twenty-first century. This interdisciplinary volume explores the significance of Julius Caesar to different periods, societies and people. Ranges over the fields of religious, military, and political history, archaeology, architecture and urban planning, the visual arts, and literary, film, theatre and cultural studies. Examines representations of Caesar in Italy, France, Germany, Britain, and the United States in particular. Objects of analysis range from Caesar's own commentaries on the Gallic wars, through Shakespeare's Julius Caesar, and images of Caesar in Italian fascist popular culture, to contemporary cinema and current debates about American empire. Edited by a leading expert on the reception of ancient Rome. Includes original contributions by international experts on Caesar and his reception.

Julius Caesar Jul 01 2022 Julius Caesar: A New Casebook provides students and academics with a selection of important essays by leading contemporary critics on Shakespeare's first "Globe" play. New historicist, feminist, psychoanalytic and Marxist readings of the tragedy have been chosen to highlight the urgency with which this drama of prophecy, interpretation and political crisis speaks to twenty-first century concerns about democracy, the media and mass communication.

The Complete Guide to Shakespeare's Best PlaysMay 30 2019 Ideal as a year-long program or for selective units. This packed volume takes an intense look at Romeo and Juliet, Julius Caesar, Macbeth, Hamlet, A Midsummer Night's Dream, and The Tempest. Each of the 40 lessons opens up the world of Shakespeare, his words, and his characters. Extensive teacher support includes assessments, historical background and language study, synopses, and suggestions for engaging hard-to-reach learners.

Julius CaesarAug 10 2020 Perhaps more than any other single work, Shakespeare's Julius Caesar has popularized the image of Brutus as a ruthless and cowardly traitor, Caesar as a noble ruler and sympathetic victim, and the Ides of March as a time of danger and duplicity. On the surface, the play is comparatively simple and straightforward, and thus it has frequently served to introduce generations of students to Shakespeare's works. But the play is deceptive in its superficial simplicity, and scholars continue to probe the murky depths of its timeless tale of conspiracy. Part of the "Greenwood Guides to Shakespeare" series, this reference book is a thorough companion to the play. Included are chapters on the play's textual history and available modern editions, the historical and cultural setting of Shakespeare's England, and the sources Shakespeare probably utilized. The volume then analyzes Shakespeare's dramatic art, including his characters, language, and imagery. It then explores the various themes that figure prominently in the play and overviews a number of different critical approaches. Finally, it examines the drama's lengthy stage history, including recent film productions.

Caesar As Man of LettersJun 07 2020 Originally published in 1956, this book presents a concise account regarding the Commentaries of Julius Caesar, written by the renowned Cambridge classical historian Sir Frank Adcock (1886-1968). The text begins by discussing the form and purpose of the Commentaries, before moving on to their relationship with Caesar's personality and his interpretation of military conflict. Later chapters offer answers in response to the scholarly debate surrounding Caesar's writings and summarise other works relating to his campaigns. This book will be of value to anyone with an interest in ancient history and the works of Caesar.

Julius CaesarOct 12 2020 Provide just the right balance for the study of language, imagery and

theatricality, and of character and context, enabling students to gain a clear understanding of the text. Book of Answers for a Young CEO Oct 13 2021 "When asked about the qualities needed to be an effective CEO, the answers are, to me, quite basic: Respect for, and ability to get along with, different kinds of people, including those that do not share your views; The will to honor promises that one makes to his family, and the understanding that work and home life must be balanced." -Gerard J. Arpey, CEO, American Airlines "Be positive about challenges you encounter, for no matter how successful you are, you will encounter them." -William Clay Ford, Chairman, and CEO, Ford Motor Company "In the real world, leaders are rarely faced with a simple choice between right and wrong. Leaders can't avoid ambiguity, but must learn to be decisive in spite of it." -Sy Sternberg, CEO, New York Life "I think anyone willing to work hard for their goals, learn from their mistakes, and care about others has the "markings" to become a wonderful Leader." -Gary Kelly, CEO, Southwest Airlines "Find the right people and the right information to help you get the job done." -Ronald A. Williams, CEO, Aetna "Understand opportunities don't come in an envelope labeled "opportunities"; create value; be honest; have a vision; work hard." -Edward Zore, CEO, Northwestern Mutual "Success requires envisioning, embracing and driving change. The only way to turn potential into higher levels of achievements is to continuously change." -Susan M. Ivey, CEO, Reynolds American "Surround yourself with people smarter than you: People make it happen and great people are necessary to make any idea come alive." -Mark Wilderotter, CEO, Frontier Communications "I believe hard work, dedication, and the willingness to take calculated risks, not only in my personal life, but in my career as well, have contributed to my success. Have a passion for whatever you do." -Robert A. Reynolds, CEO, Graybar Electric

Julius Caesar's Disease Sep 10 2020 In this groundbreaking study, two medical historians present a provocative new diagnosis of the ailment that famously afflicted Julius Caesar. It is generally accepted as a historical fact that Julius Caesar suffered from epilepsy, an illness which in classical times was sometimes associated with divinely bestowed genius. The ancient sources describe several episodes when, sometimes at critical junctures, one of the most accomplished military commanders in history was incapacitated by a condition referred to as morbus comitialis. But does the evidence of his illness really suggest a diagnosis of epilepsy? And if it was not epilepsy that afflicted Caesar, what was it? These are the questions that doctors Francesco M. Galassi and Hutan Ashrafian seek to answer by applying modern medical knowledge to the symptoms and

circumstances described by primary source documents—including statements made by Caesar himself. The result is a fascinating piece of historical-pathological detective work that challenges received wisdom about one of the most famous men of all time."/DIV>
