Hearts and Hands, Second Edition Sep 14 2020 Hearts and Hands focuses on healing through community building. Empowered by thirty years of experience with gangs in Los Angeles and Chicago, Rodríguez offers a unique book of change. He makes concrete suggestions, shows how we can create nonviolent opportunities for youth today, and redirects kids into productive and satisfying lives. And he warns that we sacrifice community values for material gain when we incarcerate or marginalize people already on the edge of society. His drive to dissolve gang influence on kids is as personal as it is societal; his son, to whom he dedicates Hearts and Hands, served more than a decade in prison for gang-related activity. With anecdotes, interviews, and time-tested guidelines, Hearts and Hands makes a powerful argument for building and supporting community life.

Always Running Jan 31 2022 The award-winning memoir of life in an LA street gang from the acclaimed Chicano author and former Los Angeles Poet Laureate: “Fierce, and fearless” (The New York Times). Luis J. Rodríguez joined his first gang at age eleven. As a teenager, he witnessed the rise of some of the most notorious cliques in Southern California. He grew up knowing only a life of violence—one that revolved around drugs, gang wars, and police brutality. But unlike most of those around him, Rodríguez found a way out when art, writing, and political activism gave him a new path—and an escape from self-destruction. Always Running spares no detail in its vivid, brutally honest portrayal of street life and violence, and it stands as a powerful and unforgettable testimonial of gang life by one of the most acclaimed Chicano writers of his generation. This ebook features an illustrated biography of Luis J. Rodríguez including rare images from the author’s personal collection.

La Vida Loca (Always Running) Aug 26 2021 A los doce, el autor era veterano de la guerra entre pandillas del este de Los Ángeles. Atraído por una cultura aparentemente insuperable, fue testigo de un sinnúmero de balaceras, golpizas y arrestos y, más tarde, presenció como las drogas, los asesinatos, los suicidios y una delincuencia callejera cobraban la vida de amigos y familiares. Encontró la manera de dejar atrás la vida del barrio a través de la educación y el poder de las palabras. Una vez alcanzado el éxito como poeta; nuestro autor llega a pensar que las calles ya no lo perseguirían, pero entonces su hijo ingresó en una pandilla. Luchó por su hijo mediante el relato de su historia (este libro); crónica que se adentra en las motivaciones de la vida de pandillas y nos advierte de la muerte y la destrucción que, tarde o temprano, se lleva la vida de sus participantes.

Des Nachts gehn wir im Kreis May 03 2022 Es läuft nicht gerade rund für Nelson. Sein Bruder hat die lateinamerikanische Heimat in Richtung USA verlassen, und seine Freundin trifft einen anderen, wird schwanger. Für den jungen Schauspieler ist es deshalb ein Lichtblick, als er vom legendären Theatermacher Henry Núñez für eine Rolle besetzt wird. Zusammen gehen sie auf Tournee und spielen in den Städten der

Provinz, auf Marktplätzen und vor Bergleuten, ein Stück über Leben und Tod. Doch bei einem dieser Gastspiele kommt es zum Eklat: Nelson gibt seine Rolle im Stück auf und nimmt im echten Leben eine falsche Identität an, die ihn als tragischen Helden in die Irre führen wird. Mit diesem Roman hat sich Alarcón endgültig in die erste Reihe der bedeutendsten US-amerikanischen Autoren geschrieben. Vorsätzlich werden hier die Grenzen zwischen Kunst und Leben verwischt - wie schon in seinem großartigen, in zahlreiche Sprachen übersetzten Debütroman *Lost City Radio* gilt auch hier: Liebe ist immer politisch.

Counting Time Like People Count Stars Nov 04 2019 Over twenty-five years ago two Americans, Dr. Diana Frade and her husband, Episcopalian Bishop Leo Frade, founded Our Little Roses Home for Girls in San Pedro Sula, Honduras. Until then abandoned girls were often given to prisoners since no such homes existed. Now Our Little Roses has some 60 rescued or orphaned girls in a city once considered the "murder capital of the world." Poverty and violence--especially in the past 25 years attributed to deported Los Angeles-based gangs--has affected the lives of all in the poorest Spanish-speaking country of the hemisphere. Unaccompanied youth from Honduras were among the 100,000 refugees, which also included children and youth from El Salvador and Guatemala, arriving to the United States between 2013 and 2015. American poet and Episcopalian priest Spencer Reece spent two years at Our Little Roses teaching poetry to girls who have lost family due to poverty, violence, and disasters like Hurricane Mitch that struck Honduras, Nicaragua, and Guatemala in 1998, resulting in 22,000 people dead or missing, 2.7 million homeless, and \$6 billion in damages. This book has essays by Reece and Luis J. Rodríguez as a backdrop to the girls' voices, and a foreword and afterword by poets Marie Howe and Richard Blanco. Luis and his wife Trini, a poet, teacher, and indigenous healer, also helped teach at Our Little Roses and the Holy Family Bilingual School inside a

walled compound in one of the city's poorest neighborhoods. Here poetry and stories transcend the pain of loss that often goes unexpressed. Here poetry serves as a beacon of hope and inspiration in the shadows. Here poetry can save lives.

The Latinx Urban Condition May 11 2020 The Latinx Urban Condition brings interdisciplinary cultural theory and U.S. Latinx urban literature into conversation, focusing on the realities and urban experiences of Latinx living in major cities in the United States from the 1960's to the present. As a cultural studies analyst of U.S. Latinx urban literature and culture, the book focuses on analyzing the works of Latinx authors who write about the cities in which they were raised and how growing up in these environments shaped their lives, their communities, and their future. Their fictional work helps us understand how the human and cultural tapestry of the Latinx community is inextricably connected to the spatial transformations taking place in many cities across the country, most notably within the cities in which the narratives take place. The main purpose is to analyze the symbolic realities lived by the characters in order to understand how Latino families and communities are experiencing displacement under instituted neoliberal policies, a process known as development and progress or gentrification. These processes are experienced through aspects of privatization, deregulation, homelessness, residential segregation, inequality, unemployment, and poverty.

Die Nöte des wahren Polizisten Mar 21 2021 Amalfitano, ein linker Literaturwissenschaftler aus Chile, lebt nach dem Tod seiner Frau mit Tochter Rosa in Barcelona. Sein spätes Coming-Out und Liaisons mit Studenten sorgen an der Universität für einen Skandal, sodass Vater und Tochter nach Mexiko auswandern, ins Nirgendwo der Grenzstadt Santa Teresa. Hier liest Amalfitano die „imaginären Romane“ des Schriftstellers J.G. Arcimboldi und verliebt sich in den Kunstfälscher Castillo, während Polizeichef Negrete ihn und Rosa längst scheinbar grundlos beschattet. In seinem letzten unvollendeten Roman erkundet Bolano wie in seinem Jahrhundertwerk „2666“ literarisches Neuland - ein Feuerwerk aus Humor, Fantasie und abgründigem Witz.

Literature and Race in Los Angeles Aug 02 2019 Los Angeles is both the most fragmented and the most minoritized metropolis in America, and its most luridly abstract and aestheticized city. With more than eighty-five languages being spoken in its classrooms, and one homogeneous visual language emanating from its entertainment industry, LA radically challenges the prospects of that archaic representational medium: literature. In its investigation of the work of Bret Easton Ellis, James Ellroy, Anna Deveare Smith and others, Literature and Race in Los Angeles articulates their aesthetic preoccupations with the structures of social space in the city. Harnessing some of the theoretical insights of Henri Lefebvre and the 'LA school' of geographers, Murphet demonstrates the versatility of literary production in LA and speculates about the fortunes of literature in a predominantly visual culture.

The Concrete River Apr 02 2022 A mesmerizing collection of poems of urban pain and immigrant alienation, humming with a current of genuine beauty and the pulse of life. The Concrete River's poems are dispatches from city corners that CNN viewers never see, that few dare visit, and that fewer still manage to escape. Rodríguez sings corridos of barrios and busted Chicanos trying to make it in L.A. and Chicago, from ballads of Watts's broken glass to blues played alongside a tequila bottle under an elevated train. But the music also captures moments of true beauty amid the hard urban surfaces, where the cries of the 'hood "deliver sacrifices / of sound and flesh, / as a mother's milk flows," while love and community offer renewed hope. This ebook features an illustrated biography of Luis J. Rodríguez including rare images from the author's personal collection.

Chicano and Chicana Literature Sep 02 2019 The literary culture of the Spanish-speaking Southwest has its origins in a harsh frontier environment marked by episodes of intense cultural conflict, and much of the literature seeks to capture the epic experiences of conquest and settlement. The Chicano literary canon has evolved rapidly over four centuries to become one of the most dynamic, growing, and vital parts of what we know as contemporary U.S. literature. In this comprehensive examination of Chicano and Chicana literature, Charles M. Tatum brings a new and refreshing perspective to the ethnic identity of Mexican Americans. From the earliest sixteenth-century chronicles of the Spanish Period, to the poetry and narrative fiction of the second half of the nineteenth century and the first half of the twentieth century, and then to the flowering of all literary genres in the post-Chicano Movement years, Chicano/a literature amply reflects the hopes and aspirations as well as the frustrations and disillusionments of an often marginalized population. Exploring the work of Rudolfo Anaya, Sandra Cisneros, Luis Alberto Urrea, and many more, Tatum examines the important social, historical, and cultural contexts in which the writing evolved, paying special attention to the Chicano Movement and the flourishing of literary texts during the 1960s and early 1970s. Chapters provide an overview of the most important theoretical and critical approaches employed by scholars over the past forty years and survey the major trends and themes in contemporary autobiography, memoir, fiction, and poetry. The most complete and up-to-date introduction to Chicana/o literature available, this book will be an ideal reference for scholars of Hispanic and American literature. Discussion questions and suggested reading included at the end of each chapter are especially suited for classroom use.

Music of the Mill Oct 28 2021 In a stunning literary achievement -- with a power and scope reminiscent of John Steinbeck -- Luis J. Rodriguez captures the soul of a community in this epic novel about love, family, workers' rights, industrial strife, and cultural dislocation As the World War II cultural and industrial boom birthed a new California, a mighty steel industry rose with the potential to make modest dreams real for the workers willing to risk their lives in the mill's ferocious heat. For the Salcidos, the Nazareth mill became an engine for survival. Luis J. Rodriguez chronicles the simultaneous evolutions of this American family and the enormous enterprise that drove them -- from optimistic and cohesive units questing for stability and prosperity to disintegrating entities whose dreams have long since lost their luster. Spanning six decades, the novel conveys the drama, resilience, and humor of working-class life during a little-known era in American history.

Spilling the Beans in Chicanolandia Oct 04 2019 Since the 1980s, a prolific "second wave" of Chicano/a writers and artists has tremendously expanded the range of genres and subject matter in Chicano/a literature and art. Building on the pioneering work of their predecessors, whose artistic creations were often tied to political activism and the civil rights struggle, today's Chicano/a writers and artists feel free to focus as much on the aesthetic quality of their work as on its social content. They use novels, short stories, poetry, drama, documentary films, and comic books to shape the raw materials of life into art objects that cause us to participate empathetically in an increasingly complex Chicano/a identity and experience. This book presents far-ranging interviews with twenty-one "second wave" Chicano/a poets, fiction writers, dramatists, documentary filmmakers, and playwrights. Some are mainstream, widely recognized creators, while others work from the margins because of their sexual orientations or their controversial positions. Frederick Luis Aldama draws out the artists and authors on both the aesthetic and the sociopolitical concerns that animate their work. Their conversations delve into such areas as how the artists' or writers' life experiences have molded their work, why they choose to work in certain genres and how they have transformed them, what it means to be Chicano/a in today's pluralistic society, and how Chicano/a identity influences and is influenced by contact with ethnic and racial identities from around the world.

The Republic of East LA Oct 08 2022 From the award-winning author of Always Running comes a brilliant collection of short stories about life in East Los Angeles. Whether hilariously capturing the voice of a

philosophizing limo driver whose dream is to make the most of his rap-metal garage band in "My Ride, My Revolution," or the monologue-styled rant of a tes-ti-fy-ing! tent revivalist named Ysela in "Oiga," Rodriguez squeezes humor from the lives of people who are not ready to sacrifice their dreams due to circumstance. In these stories, Luis J. Rodriguez gives eloquent voice to the neighborhood where he spent many years as a resident, a father, an organizer, and, finally, a writer: a neighborhood that offers more to the world than its appearance allows.

As he writes in the preface, "Like millions of Americans, I'm demanding a new vision, a qualitatively different direction, for this country. One for the shared well-being of everyone. One with beauty, healing, poetry, imagination, and truth." The pieces in *From Our Land to Our Land* capture that same fantastic energy and wisdom and will spark conversation and inspiration.
