James the Brother of Jesus - The Key to Unlocking the Secrets of Early Christianity and the Dead Sea Scrolls Aug 10 2020 Was James - rather than Peter - the true Spiritual heir to Jesus? In this profound and provocative work of scholarly detection, eminent biblical scholar Robert Eisenmann introduces a startling theory about the identity of James - the brother of Jesus, who was almost entirely marginalized in the New Testament. Drawing on suppressed early Church texts and the revelations in the Dead Sea Scrolls, Eisenmann propounds in this groundbreaking exploration that James, not Peter, was the real successor to the movement we now call 'Christianity.' In an argument with enormous implications, Eisenmann identifies Paul as deeply compromised by Roman contacts. James is presented as not simply a leader of Christianity of his day, but the popular Jewish leader of his time, whose death triggered the Uprising against Rome - a fact that creative rewriting of early Church documents has obscured.

Mystery of the Church Sep 10 2020 Mystery of the Church presents a global picture of the main themes of current ecclesiology. The catholicity of the Church is also examined from the perspective of Eastern Christendom. The apostolicity of the Church leads to a description of the Petrine Office. The Church is seen as the instrument of salvation, and her relationship with the State and with science is investigated. Finally the Church is pictured as leading to the Kingdom of God. This is the fifth volume of Fr Paul Haffner's systematic exposition of theology - previously published volumes in this series: *Mystery of Creation*, *The Mystery of Mary*, *The Mystery of Reason*, *The Sacramental Mystery*. Guénonian Esoterism and Christian Mystery Oct 12 2020 Rene Guenon's explication of the principles of an interior understanding of sacred forms has established his reputation in the West as the master theorist of esoterism. But till now his doctrine has not been the focus of thorough study in Christian circles, and this has had serious consequences. Guenonian Esoterism and Christian Mystery is the first major work to combine an analysis of Guenon's ideas about esoterism with a critical examination of their application to Christianity in terms of data provided by Christianity itself. But to accomplish this, such data cannot simply be surveyed superficially-it must be known firsthand; hence the abundance of citations and references in this text. Such an approach not only lets us decide about certain issues, but may also help us rediscover an all too misunderstood facet of the revelation of Christ. Jean Borella taught philosophy at the University of Nancy until 1995. A Platonist by formation, he has been strongly influenced by Guenon and Eastern metaphysics. But his deepest inspiration derives from unceasing meditation on the Christian faith, which led him to undertake the present searching critique of 'Guenonian Christianity'. A religious philosopher, he strives to hear the reverberations awakened in human thought by revelation. "Rene Guenon was one of the great metaphysical minds of the last few centuries, and it was a great loss to the Catholic Church when he converted to Islam. Prof. Borella shows in this landmark study exactly where Guenon's work remains of perennial value for Christians, but also demonstrates the limitations and personal idiosyncrasies which led Guenon to distort some of the most important elements of Catholic and Orthodox doctrine. Prof. Borella's book may well stimulate the recovery of authentic metaphysics within the Church for which Guenon longed, but which he despaired of seeing in his lifetime." -Stratford Caldecott Editor, Second Spring, Director (UK) of the G.K. Chesterton Institute for Faith & Culture"

Leila Kahana Maui Mysteries Bundle: Murder in Maui|Murder on Kaanapali Beach Apr 05 2020 Leila Kahana Maui Mysteries Bundle contains the first two complete novels in the Leila Kahana Mystery series, including *Murder in Maui* and *Murder on Kaanapali Beach*, as well as a novelette, *Kaanapali Beach Paradise*. *Murder in Maui* (A Leila Kahana Mystery) In this first novel of the series, set in the lush, deceptively idyllic tropical paradise of Hawaii, Maui County homicide detective and composite sketch artist Leila Kahana and her partner, Detective Sergeant Blake Seymour, investigate the execution-style murder of two prominent doctors in an upscale condominium. Larry Nagasaka and Elizabeth Racine are found lying naked in bed in a pool of their own blood. It is learned that they were married, but not to each other, and that the doctors belonged to a prestigious medical association. Assisting the detectives in the case are fellow members of the homicide squad, Detectives Trent Ferguson and Rachel Lancaster, run by Lieutenant Paul Ortega who is contemplating retirement. As they interview suspects and collect evidence, more doctors belonging to the medical association are murdered, making it clear to all that they have a ruthless and determined serial killer on their hands. *Murder on Kaanapali Beach* (A Leila Kahana Mystery) In the second book in series, Maui County homicide detective and composite sketch artist Leila Kahana and her new partner, Detective Jonny Chung, take on the case of a college instructor found murdered on the island's famed Kaanapali Beach. Joyce Yashiro, estranged from her husband, was suffocated when she was forced face down into the soft sand on the beach. In a seemingly unrelated case, Detectives Rachel Lancaster and Trent Ferguson investigate the execution-style murder of businessman Parker Breslin in front of his Kihei home. As the investigations progress with a myriad of suspects, a surprising connection between the investigations emerges. But is there one killer or two? As these cases move full steam ahead, there is also a brutal serial killer on the loose. Dubbed the "Zip Line Killer," he has been terrorizing women on the island, strangling them with a zip line, for over a year, while staying out of reach of the authorities. Do they finally have a break that can put this frightening killer behind bars before he strikes again? *Kaanapali Beach Paradise* (A Novelette) Set amidst the lush playground of Maui, Hawaii's famed Kaanapali Beach Resort, the soap opera style tale of adultery, ambition, dark secrets, love, lust, hate, romance, betrayal, revenge, and murder, revolves around the anticipated grand opening of the Kaanapali Palms Hotel, the newest luxury accommodation on this three mile-long ocean front stretch of paradise on the island's western shore. *Kaanapali Beach Paradise* is the first in a continuing series of novelettes that promises to keep readers engaged as lives and loves are turned upside down with twists at every turn amidst the splendor of a celebrated Hawaii beach resort.

Meditations on the Mysteries of the Most Holy Rosary Jan 03 2020 To meditate on the Mysteries of the Rosary, we want to be there with Jesus and Mary. We want to see them and hear their voices. We want to be on the scene in the stable where Jesus was born, in the Temple as Mary enters proudly carrying her baby, at the foot of the cross when Jesus dies. Set the stage in your own mind for these episodes, one at a time, in the lives of Jesus and Mary. Consider their immediate surroundings, their robes and veils and the sandals on their feet. Try to conjure up a room where Mary sleeps, a simple bed, a chair her father made, and a rag rug her mother wove.

Other people may know about these things, but if so I have never heard it expressed. After reading this book you may read the Bible in a slightly different way. That doesn't mean that the contents of this book, tries to change the Bible in any way. It does not try to add a single word to the Bible, nor does it try to take a single word away from it. In the book of Revelation, in the last chapter, God's word tells us of the terrible punishment that would befall any one trying to do that. If you have already read the Bible, you may feel like you want to read it again, just to make sure that what you read is really what it said to you. So get back in the Bible, and maybe get surprised. You could find other mysteries, not in this book.
