**The Art of Focused Conversation** Jul 30 2019 The best 'how-to' for encouraging consensus in firms and organizations. Communication within many organizations has been reduced to email, electronic file transfer, and hasty sound bytes at hurried meetings. More and more, people appear to have forgotten the value of wisdom gained by ordinary conversations. The Art of Focused Conversation convincingly restores this most human of attributes to prime place within businesses and organizations, and demonstrates what can be accomplished through the medium of focused conversation. Developed, tested, and extensively used by professionals in the field of organizational development, The Art of Focused Conversation is an invaluable resource for all those working to improve communications in firms and organizations.
