English for the first year students of mechanics-mathematics faculty Apr 19 2021 Механика-математика факультетінің студенттеріне арналған оқу-әдістемелік құралы екі бөлімнен тұрады: жалпы ағылшын тілі және кәсіби бағдарлы ағылшын тілін үйрету. Оқу-әдістемелік құралы кәсіби шеберлігі мен біліктілігін арттыруға бағытталған. Автордың редакциясымен шығарылды. The teaching aid is designed for the students of Mechanics-Mathematics faculty. It consists of two parts: general and English for specific purposes. The teaching aid provides grammar reference including the main grammatical aspects of the English language. It is aimed at improving skills and professional competence of the students. Publishing in authorial release.

Physics for Degree Students B.Sc.First Year Aug 04 2022 For B.Sc I yr students as per the new syllabus of UGC curriculum for all Indian Universities. The present book has two sections. Section I covers 1 which includes chapters on Mechanics, oscillations and Properties of Matter. Section II covers course 2 which includes chapters on Electricity, Magnetism and Electromagnetic theory.

Intelligent Tutoring Systems Feb 15 2021 The power and potential of current ITS technology is described here by the designers and builders of major ITS projects. The book illustrates how, in less than a decade, the field of Intelligent Tutoring Systems has advanced from experimental systems in universities to systems that perform practical, real-world tasks. Intelligent Tutoring Systems: Lessons Learned provides a first-hand, detailed account of how these systems were designed and built out of state-of-the-art technology. The essays build on the basic research foundations of the field and define the abilities and limitations of current knowledge. With this critical volume, teachers and industrial trainers have a realistic view of the future of their professions, and students, researchers, and professionals in AI, education, cognitive science, and psychology have both an introduction to the field and a comprehensive reference.
