Brooklyn Bridge Park Apr 23 2022 A major social and political phenomenon of how a community overcame overwhelming opposition and obstacles to build the Brooklyn Bridge Park. Stretching along a waterfront that faces one of the world's greatest harbors and storied skylines, Brooklyn Bridge Park is among the largest and most significant public projects to be built in New York in a generation. It has transformed a decrepit industrial waterfront into a new public use that is both a reflection and an engine of Brooklyn's resurgence in the twenty-first century. Brooklyn Bridge Park unravels the many obstacles faced during the development of the park and suggests solutions that can be applied to important economic and planning issues around the world. Situated below the quiet precincts of Brooklyn Heights, a strip of moribund structures that formerly served bustling port activity became the site of a prolonged battle. The Port Authority of New York and New Jersey eyed it as an ideal location for high-rise or commercial development. The idea to build Brooklyn Bridge Park came from local residents and neighborhood leaders looking for less intensive uses of the property. Together, elected officials joined with members of the communities to produce a practical plan, skillfully won a commitment of government funds in a time of fiscal austerity, then persevered through long periods of inaction, abrupt changes of government, two recessions, numerous controversies often accompanied by litigation, and a superstorm. Brooklyn Bridge Park is

the success story of a grassroots movement and community planning that united around a common vision. Drawing on the authors' personal experiences—one as a reporter, the other as a park leader—Brooklyn Bridge Park weaves together contemporaneous reports of events that provide a record of every twist and turn in the story. Interviews with more than sixty people reveal the human dynamics that unfolded in the course of building the park, including attitudes and opinions that arose about class, race, gentrification, commercialization, development, and government. Despite the park's broad and growing appeal, its creation was lengthy, messy, and often contentious. Brooklyn Bridge Park suggests ways other civic groups can address such hurdles within their own communities.

Jeremy Aug 03 2020 Jeremy parents, Jeff and Carrie Alexander, weren't given the privilege of an education. Jeff Alexander supports his family with his physical strength, ability to listen, and follow instructions. He tells Jeremy to make education his top priority...be honest concerning everything he does...and he will be successful. Jeremy promises his father he'll get an education, but he didn't promise to be honest concerning everything he does to be successful... Jeremy decides his bookish ambition must be put on hold during the years he pursues personal power, passion, and greed. He embarks on an adventure him and his best friend, Eddie, vow not to ever become involved with regardless of their situation. Jeremy's scheme...without his friend... elevates his lifestyle beyond his imagination. The advice given him by his high school teacher and his father is secondary to his success...Life couldn't be better for Jeremy; however, he wasn't ready to confront the man he has avoided. His secretary tells his location to John Adam and Jeremy has two options to pay twenty million dollars or die...and the cash must be paid in three days. Jeremy is unable to resolve his

problem alone, so he contacts Eddie and makes an offer Eddie can't refuse. Their relationship moves this novel into different action, murder, suspense, humor, emotional heartbreak, and courtroom justice. Jeremy's determination and persistence guides his decisions. He knows if he can withstand the hard times and not lose his mind, and enjoy the good times, without being a jerk, life will be good. However, will he change his way of life to help the next generation by what he does?

Tacoma's Haunted History Jun 13 2021 Two members of the Pacific Northwest's oldest working ghost-hunting team (AGHOST) share the spooky stories of Washington State's City of Destiny. Tacoma hides in the shadows of Seattle, but what hides in the shadows of Tacoma? The city's paranormal history is riddled with Native American culture, spiritualists, mysterious deaths, tragedy, and curses that dwell in the dark. Much of Tacoma is built directly on top of sacred lands, and many natives to the area can attest that the city is haunted by its past. Desecration of graves can leave troubling results. Hexed citizens can perish. An untimely death can leave behind a soul. These unfortunate circumstances bring forth tales of the strange and unexplainable. Are we alone in

Tacoma or accompanied by ghosts of the past? Includes photos! “Tacoma native Ross Allison is a modern day ghost hunter. . . [He] said that Tacoma’s haunted past hasn’t generated that same kind of attention that Seattle’s has, but he’s hoping to change that by sharing more South Sound stories.”

refrigerator door. In it, she and a dozen or so of her friends from the Chicago suburb of Evanston sit on a porch. It's 1974, the summer after they graduated from Nichols Middle School, and what strikes her immediately—aside from the Soul Train-era clothes—is the diversity of the group: boys and girls, black and white, in the variety of poses you'd expect from a bunch of friends on the verge of high school. But the photo also speaks to the history of Evanston, to integration, and to the ways that those in the picture experienced and remembered growing up in a place that many at that time considered to be a racial utopia. In *Friends Disappear* Barr goes back to her old neighborhood and pieces together a history of Evanston with a particular emphasis on its neighborhoods, its schools, and its work life. She finds that there is a detrimental myth of integration surrounding Evanston despite bountiful evidence of actual segregation, both in the archives and from the life stories of her subjects. Curiously, the city's own desegregation plan is partly to blame. The initiative called for the redistribution of students from an all-black elementary school to institutions situated in white neighborhoods. That, however, required busing, and between the tensions it generated and obvious markers of class difference, the racial divide, far from being closed, was widened. *Friends Disappear* highlights how racial divides limited the life chances of blacks while providing opportunities for whites, and offers an insider's perspective on the social practices that doled out benefits and penalties based on race—despite attempts to integrate.

The Bulloch Belles May 12 2021 The Bulloch women of Roswell, Georgia, were not typical antebellum Southern belles. Most were well educated world travelers skilled at navigating social circles far outside the insular aristocracy of the rural South. Their lives were filled with intrigue, espionage, scandal, adversity and perseverance. During the Civil War they eluded Union spies on land and blockaders at sea and afterwards they influenced the national debate on equal rights for women. The impact of their Southern ideals increased exponentially when they integrated into the Roosevelt family of New York. Drawing on primary sources, this book provides new insight into the private lives of the women closely linked with the Bulloch family. They include four first ladies, a Confederate spy, the mother of President Teddy Roosevelt and a number of his closest confidants. Nancy Jackson, the family's nursemaid slave, is among the less well known but equally fascinating Bulloch women.

Modern Women (Park Avenue Series, Book #4) Jun 25 2022 Million-copy NYT bestseller!

"Fiction at its best!" —New Woman magazine "Bestsellers like Decades, Husbands And Lovers and Love And Money have established Ruth Harris as one of the frankest, most stylish, and most compelling voices in contemporary fiction." —Chicago Sun-Times Meet three modern women—and the men in their lives. Jane Gresch: Her delicious revenge on her lying, cheating, thieving ex makes her rich and famous, but then what?? Lincky Desmond: Smart, beautiful and hard working, she marries Mr. Right—but risks it all for Mr. Oh-so-wrong. Elly McGrath: When her husband dumps her for another, younger woman, she doesn't get mad. She gets even. Owen Casals: He is handsome, horny, and magnetic. Everyone knows it—and so does he. "Funny, sad, vivid, and raunchy. Harris seeks to enliven and entertain, and she does it in spades." —Cleveland Plain-Dealer "Glory be! Excellent. This is the story of today's women." —Los Angeles Times Ruth Harris is "brilliant, trenchant, chic and ultra-sophisticated, a writer who has all the intellect of Mary McCarthy, all the insight of Joan Didion." —Fort Worth Star-Telegram "Excellent! Thoroughly delightful!" —Los Angeles Times "Author Ruth Harris' rapier wit spices up a coming-of-age-in-the-sexist-'60s story. Funny, sad, vivid, and more than raunchy enough to satisfy the most ribald appetites. Harris seeks to enliven and entertain, and she does it in spades." —Cleveland Plain-Dealer "Ruth Harris has written a superb 'rags to riches' story. Harris creates characters that are alive and familiar. These three women, Lincky, Jane and Elly, are like old friends, women we've all known. Their experiences, hopes and fears are universal and, yet, like most modern women they, too, wonder if they will find the right man and or how to get rid of the wrong one. Each in their own way finds success at the top and a successful relationship. You'll love MODERN WOMEN." —West Coast Review of Books "Bestsellers

South Central Dreams Jul 02 2020 Race, place, and identity in a changing urban America Over the last five decades, South Los Angeles has undergone a remarkable demographic transition. In *South Central Dreams*, eminent scholars Pierrette Hondagneu-Sotelo and Manuel Pastor follow its transformation from a historically Black neighborhood into a predominantly Latino one, providing a fresh, inside look at the fascinating—and constantly changing—relationships between these two racial and ethnic groups in California. Drawing on almost two hundred interviews and statistical data, Hondagneu-Sotelo and Pastor explore the experiences of first- and second-generation Latino residents, their long-time Black neighbors, and local civic leaders seeking to build coalitions. Acknowledging early tensions between Black and Brown communities, they show how Latino immigrants settled into a new country and a new neighborhood, finding various ways to co-exist, cooperate, and, most recently, demonstrate Black-Brown solidarity at a time when both racial and ethnic communities have come under threat. Hondagneu-Sotelo and Pastor show how Latino and Black residents have practiced, and adapted innovative strategies of belonging in a historically Black context, ultimately crafting a new route to place-based identity and political representation. *South Central Dreams* illuminates how racial and ethnic demographic shifts—as well as the search for identity and belonging—are dramatically shaping American cities and neighborhoods around the country.

Repressed: A Gritty Detective Kidnapping Thriller (Ash Park #4) Oct 17 2021

Traumatic Pasts in Asia Jan 20 2022 In the early twenty-first century, trauma is seemingly everywhere, whether as experience, diagnosis, concept, or buzzword. Yet even as many scholars consider trauma to be constitutive of psychological modernity or the post-Enlightenment human condition, historical research on the topic has overwhelmingly focused on cases, such as World War I or the Holocaust, in which Western experiences and actors are foregrounded. There remains an urgent need to incorporate the methods and insights of recent historical trauma research into a truly global perspective. The chapters in *Traumatic Pasts in Asia* make just such an intervention, extending Euro-American paradigms of traumatic experience to new sites of world-historical suffering and, in the process, exploring how these new domains of research inform and enrich earlier scholarship.

Firestorm (Anna Pigeon Mysteries, Book 4) Apr 30 2020 Anna Pigeon finds herself in the eye of the storm... Nevada Barr's intrepid heroine Anna Pigeon returns in Firestorm, the fourth novel in the acclaimed crime series. Perfect for fans of Jo Nesbo and Janet Evanovich. 'Barr is a splendid storyteller' - Los Angeles Times Book Review An insatiable, unstoppable beast, the wildfire called Jackknife has already devoured 17,000 acres of California's Lassen Volcanic National Park. A devastating force of nature, it has brought out the very best - and worst - in those sworn to defeat it. Ranger Anna Pigeon is among the exhausted firefighters, serving as medic and spike camp security, when an abrupt weather shift sends Jackknife racing relentlessly in their direction. And when the monstrous blaze has passed, Anna emerges from her protective shelter to discover two men are dead: one a victim of the hungry flames, the other stabbed through the heart. Now, trapped in a nightmarish landscape of snow and ash, cut off from rescue by a rampaging winter storm, Anna

must investigate an inexplicable homicide - as she and nine others struggle to survive the terrible rage of nature... and the murderer in their midst. What readers are saying about Firestorm:

'Terrifying and gripping' 'An excellent, intelligent read' 'Riveting -five stars'
