*The Iron-Bound Coast* Mar 01 2022 Written from first-hand experience, it brings to life the early years of Karekare and neighbouring farming and logging settlements, at a time when car and air travel were starting to end the isolation of these stunning locations.

**Reading the Sacred Scriptures** Aug 02 2019 Reading the Sacred Scriptures: From Oral Tradition to Written Documents and their Reception examines how the scriptures came to be written and how their authority has been constructed and reinforced over time.

Highlighting the measures taken to safeguard the stability of oral accounts, this book demonstrates the care of religious communities to maintain with reverence their assembled parchments and scrolls. Written by leading experts in their fields, this collection chronicles the development of the scriptures from oral tradition to written documents and their reception. It features notable essays on the scriptures of Hinduism, Judaism, Buddhism, Zoroastrianism, Confucianism, Daoism, Christianity, Islam, Sikhism, Shinto, and Baha'i. This book will fascinate anyone interested in the belief systems of the featured religions. It offers an ideal starting point from which undergraduate and postgraduate religious studies students, teachers and lecturers can explore religious traditions from their historical beginnings.

*Fire Bound* Oct 04 2019 Flame-haired Lissa Piner is a skilled glass blower whose delicate gift conceals a burning inner strength that can destroy as exquisitely as it can create.

Commissioned to design chandeliers for a string of luxury hotels, her remarkable skills have taken her to Italy. But Lissa's real mission there is a secret. For her entire life has been a lie, leading to a chance to avenge a terrible wrong. Enlisted as her bodyguard is Casmir Prakenskii, a trained assassin living off the grid. In Lissa, he sees a kindred spirit - something unexpected and wicked, mysterious and sensual. But more than desire is about to bring them together: because both of their pasts cry out for revenge. And for two people with this many secrets, this much passion, and this many enemies, someone is bound to get burned. Praise for Christine Feehan: 'The queen of paranormal romance! The one who started it all! I love everything she does' J.R. Ward 'After Bram Stoker, Anne Rice and Joss Whedon (who created the venerated Buffy the Vampire series), Feehan is the person most credited with popularising the neck gripper' Time 'Suspenseful, engaging - fraught with magic, action and romance . . . I HAVE to read the next one in the series' Smexy Books Bound Together Oct 08 2022 The Sea Haven series comes to a climactic end as the mysterious man from Blythe Daniels' past re-enters her life. Don't miss the final Sea Haven novel from the #1 New York Times bestselling "queen of paranormal romance" (J. R. Ward). For five years, Viktor Prakenskii has put his life on hold in order to take down the world's most feared motorcycle club from the inside. But carrying out the insane violence and seeing the club's exploitation of the innocent has brought his traumatic past roaring back. And there's only one cure: to see the wife he left behind... Blythe Daniels thought she'd never see Viktor again after he murdered her stepfather and left without a word. She rebuilt her life without him, becoming a personal trainer and physical therapist...becoming strong enough for others to lean on. But when Viktor comes back to Sea Haven, he'll make Blythe question everything she thought she knew about good and evil-and the dark desires of the heart . . . Praise for Christine Feehan: 'The queen of paranormal romance! The one who started it all! I love everything she does' J.R. **Bound Together** Aug 06 2022 Bound Together takes a new look at twentieth-century Turkey, asking whether its current condition was inevitable; what it will take for Turkish women and men to regain their lost freedoms; and what the Turkish case means for the prospects of freedom and democracy elsewhere. Contrasting the country's field of poetry, where secularization was the joint work of pious and nonpious people, with its field of the novel, where the usual Turkish pattern prevailed, it inquires into the nature of western-nonwestern difference.

**Silk, the Thread that Tied the World** May 03 2022 Over a thousand years ago the Chinese discovered that the slender filaments that formed the cocoon of the silk moth, could be woven into beautiful shimmering fabrics. For centuries they were able to keep the process a secret, but eventually started to trade the valuable cloth with the west, along the silk road. Silk was a luxury item that bestowed prestige, so it was inevitable that the wealthy

wanted there silks to be as elaborate as possible, beautiful designs were produced in the Islamic world and gradually a European industry developed. In the 19th century mechanisation of the time consuming hand weaving process, had resulted in products being produced using the Jacquard loom, which used punched cards to create a pattern. Silk remains the most beautiful woven material in the world, moving from its origins in ancient China to help transform the whole world.

**No Safe Haven** Mar 21 2021 The sequel to *The Sixth Discipline*: Ran-Del Jahanpur still doesn't know what his clan shaman foresaw in his vision of the future. Whatever the old man saw made him force Ran-Del to leave the forest and marry Baron Hayden's daughter. In spite of minor jealousies, Ran-Del and Francesca have forged a strong marriage. Ran-Del is still a warrior, but he's comfortable in the city partly because few people know of the psy abilities that make him so useful to the House of Hayden. Francesca is happy Ran-Del can see her thoughts well enough to know her feelings for her old flame Freddie Leong have cooled. Fortunately, psy talents are rare in the city, and no one knows the true circumstances of her marriage, not even Freddie. As heir to House Leong, Freddie has his own problems; he spends his days trying to escape his mother's iron control and ensure she never kills his father. But not all the dangers of Haven lie in the cities. In the mountains to the north, the fiercely independent people known as the Horde have changed their ways. Instead of fighting among themselves and raiding in force, they now use cunning to get what they need. When the Horde strikes, Ran-Del and Francesca face a threat far worse than either of them ever imagined. And then finally, Ran-Del confronts his destiny.

Inorganic Chemistry Nov 28 2021

**Harbinger of the Storm** Nov 16 2020 The second book in the critically acclaimed *Obsidian and Blood* trilogy: The year is Two House, and the Emperor of the Mexica has just died. The protections he afforded the Empire are crumbling, and the way lies wide open to the flesh-eating star-demons--and to the return of their creator, a malevolent goddess only held in check by the War God's power. The council should convene to choose a new Emperor, but they are too busy plotting against each other. And then someone starts summoning star-demons within the palace, to kill councilmen... Acatl, High Priest of the Dead, must find the culprit before everything is torn apart. **REVIEWS:** 'Political intrigue and rivalry among a complex pantheon of divinities drive this well-paced murder mystery set at the height of the Aztec Empire in the late 15th century. De Bodard reintroduces the series hero Acatl, high priest of the dead, immediately following the death of the Tenochtitlan leader. One of the council members in charge of choosing a successor has been brutally murdered in what looks like an attempt to influence the decision. But the deaths continue and the political situation grows more complex, while the empire looks to be increasingly at risk of invasion by malignant powers. Acatl must go face-to-face with the most powerful god in his world and put the good of the empire above his antipathy for his rivals to achieve the uneasy succession. De Bodard incorporates historical fact with great ease and manages the rare feat of explaining complex culture and political system without lecturing or boring the reader.' —Publishers Weekly 'Another thing that intrigues me here is the whole fact that historically we know that the real empire died out mysteriously and completely and as such there is always that thought in the back of my mind that the author

could choose to bring about the end of days. That highlighted sense of possible doom is something that is missing from too many novels. The way the story is told in this book is very impressive, the plot is both mature and seductive, twisting and turning like a weather vane in a force 9 gale while the action is both bloodthirsty and imaginative. The world building is fantastic and we get to learn even more of this rich culture and the many gods and creatures of the dark. I really can't fault this book at all and recommend it to one and all but if you haven't yet read *Servant of the Underworld* I suggest that you get them both and read them in order, you won't be disappointed.' —SF Book Reviews 'Bodard's writing is polished and striking, as she convincingly fills in the colorful elements of the Aztec culture—even if those colors tend to be of blood and bile as well as flowers and hummingbirds... beautiful, grimy, breathtaking, and morbid. 5\*' —Examiner 'Aliette de Bodard has done it again. *Harbinger of the Storm* is an action packed Aztec mystery opera with magic, interventions from the gods and more twists and turns than the first book. It even has a love story with amusing snippets here and there... The story is self contained and can be enjoyed standalone, but you will not want to miss out on the first. I wish it was 2012 already even if the world is going under while I read the final *Obsidian & Blood*.'

—Cybermage

*Dream with Little Angels* Oct 16 2020 Michael Hiebert's remarkable debut novel tells the riveting story of a small southern town haunted by tragedy, one brave woman's struggle to put a troubling mystery to rest--and its impact on the sensitive boy who comes of age in the midst of it all. . . Abe Teal wasn't even born when Ruby Mae Vickers went missing twelve years ago. Few people in Alvin, Alabama, talk about the months spent looking for her, or about how Ruby Mae's lifeless body was finally found beneath a willow tree. Even Abe's mom, Leah, Alvin's only detective, has avoided the subject. But now, another girl is missing. Fourteen-year-old Mary Ann Dailey took the bus home from school as usual, then simply vanished. Townsfolk comb the dense forests and swampy creeks to no avail. Days later, Tiffany Michelle Yates disappears. Abe saw her only hours before, holding an ice cream cone and wearing a pink dress. Observant and smart, Abe watches his mother battle small-town bureaucracy and old resentments, desperate to find both girls and quietly frantic for her own children's safety. As the search takes on a terrifying urgency, Abe traverses the shifting ground between innocence and hard-won understanding, eager to know and yet fearing what will be revealed. *Dream with Little Angels* is by turns lyrical, heartbreaking, and shocking--a brilliantly plotted novel of literary suspense and of the dark shadows, painful secrets, and uncompromising courage in one small town. "One of the best books I've read in a long, long while." --Lisa Jackson, New York Times bestselling author

*Tänzerin des Lichts* Jul 05 2022 Fünf Jahre sind seit Viktor Prakenskijs Verschwinden vergangen. Ohne ein Wort hat der Undercoveragent seine über alles geliebte Frau in Sea Haven zurückgelassen, um einen wichtigen Auftrag zu erledigen. Indessen hat Blythe die Hoffnung bereits aufgegeben, ihren Mann jemals wiederzusehen. Sie hat sich ein neues Leben aufgebaut – ohne ihn. Doch als Viktor eines Tages wie aus dem Nichts zurückkehrt, wirft er Blythes Leben einmal mehr aus der Bahn. Wird sie bereit sein, dem Mann, der ihr das Herz schon einmal gebrochen hat, zu verzeihen?

*Early Christian Manuscripts* Jul 25 2021 The authors of the nine essays in this collection deal with individual or certain sets of manuscripts in order to demonstrate that approach and

method are both crucial and pivotal aspects for a sound investigations. Thus, the essays serve as a variety of approaches destined by their topics, but all of them concerned about acknowledged methods.

Bound Sep 14 2020 In the late 1700s, determinedly independent Suzanna Torriano arrives on St. John's Island as an amateur botanist and the new governor's mistress. But Suzanna is soon caught between two worlds—the colonial pressures from Britain that are at odds with the freedoms and progress of the Island's many inhabitants. Suzanna is called to social action, and the stakes are high. When Freeloze, a pregnant enslaved woman, is accused of stealing from her master and sentenced to death, Suzanna rallies support from unexpected places. From Acadian healer Pierre Gallant to the local Quakers to Scottish laird Ian MacDonald, the growing community attempts to expose Governor Patterson's failures, challenge land right disputes, and advocate for all enslaved people's emancipation. Through the lives of various characters, Bound navigates the challenges and triumphs of settler life. Will colonial greed win, or will the Island's diverse inhabitants succeed in laying the groundwork for a fair new world?

**Electro** Aug 26 2021 **Electro: Book One – The Thunder Series** By: Elise Brassell Electro is your average high school girl with average high school worries, except for her ability to control lightning and run at super speeds. Along with her super-powered friends, a shape-shifter and a water manipulator, Electro will have to come out of her shell, learn who she truly is, and find her place in the world. With danger at every turn, she will need to make difficult decisions on whom they can trust. Written in an unconventional style for a coming-of-age, superhero story, Electro has something for everyone who enjoys an adventure and a good story.

**FITNESS & WELLNESS lead a healthy life** Apr 21 2021 As most college students do, you have probably set goals. Obviously, your individual goals differ from those of your fellow classmates, but everyone's goals share one common attribute: their intention to improve individual wellbeing. However, there are as many ideas about how to do that as there are individuals. Do your goals involve making more money, achieving better health, improving your relationships? Holistic wellness involves all those aspects of life and more. This chapter explains the importance of overall wellness, which is about more than being physically and mentally healthy, free from illness and disease. In fact, the study of wellness incorporates all aspects of life. Achieving overall wellness means living actively and fully. People in this state exude confidence, optimism, and self-efficacy; they have the energy reserves to do what needs to be done today and to plan for a better tomorrow. The most effective and transformative goals are those designed to achieve the highest level of personal wellness.

*The Libertines Bound Together* Nov 09 2022 In the short time they existed, The Libertines accomplished the impossible: they kick-started the new British music renaissance. They erased the barrier with fans, they inspired thousands, they gave away entire albums of material free on the internet. Yet on the whole the media failed to grasp what the band really

stood for, preferring live-fast-die-young-cliches and headlines screaming for Kate Moss to abandon 'Junkie Pete' Doherty. Award-winning journalist Anthony Thornton and celebrated photographer Roger Sargent witnessed the whole messy story of The Libertines, and have remained on good terms with the two battling creative geniuses of Pete Doherty and Carl Barat. **THE LIBERTINES: BOUND TOGETHER** documents their extraordinary highs and lows, and the fallout from the breakup. Anthony Thornton is the only journalist to have interviewed the band at every critical stage, and witnessed every major gig. Roger Sargent was their photographer of choice; responsible for the iconic second album photograph and artwork. This is the definitive representation of the band in words and pictures - a unique, beautifully produced record of the most important British band of this generation.

They have free access to share, print and post images for personal use.

**A General History and Collection of Voyages and Travels (Vol. 1-18)** Feb 06 2020

Prepare yourself for discoveries and new adventures with this incredible book about the true origin of wanderlust. This edition forms a complete history of the earliest start and progress of navigation, discovery, and commerce, by sea and land, from the earliest ages to the early 19th century. First part of the work covers voyages and travels of discovery in the middle ages; from the era of Alfred, King of England, in the ninth century to that of Don Henry of Portugal at the commencement of the fourteenth century. Second part deals with general voyages and travels chiefly of discovery; from the era of Don Henry, in 1412, to that of George III. in 1760. The rest of the work has some particular voyages and travels arranged in systematic order, Geographical and Chronological, and studies voyages during the era of George III conducted upon scientific principles, by which the Geography of the globe has been nearly perfected.

**Bound Together** Sep 07 2022 Endor's fate rests in their hands ... And it's game on for Esther "Ez" Summers and her brother-in-arms, Austrello, as they travel back to the dimension of their birth to put to rest a threat that could destroy the beautiful, peaceful Endor. They know their enemy. They have a plan. Yet the more they know, the less certain they are about the outcome. Tutulies everywhere. Mass genocide by the ruler, who just happens to be Ez's female parent. And it doesn't help that Alan, Ez's human lover, slipped into the dimension of Endor, even though he was told not to. He only complicates things. But with a ready-made army, an alliance with their biggest enemies to help solidify the possibility of their success, and a coven of witches, they just might succeed. Ez wants to save her fellow Endorians and go back to Earth to become human. Austrello wants the same thing. They've got the biggest motivation anyone could have—love. And they've got a riddle to solve. **Bound Together**, the fourth and final book in the *Witch of Endor* series, takes us to the dimension of Endor, to friends old and new, and to a climactic ending that might leave Ez without the one thing she wants—a life with Alan as a human. It's a series

unlike any before full of interdimensional travel, deceit, infinite power, and love.

**The Periodic Table: Nature's Building Blocks** Jun 11 2020 The Periodic Table: Nature's Building Blocks: An Introduction to the Naturally Occurring Elements, Their Origins and Their Uses addresses how minerals and their elements are used, where the elements come from in nature, and their applications in modern society. The book is structured in a logical way using the periodic table as its outline. It begins with an introduction of the history of the periodic table and a short introduction to mineralogy. Element sections contain their history, how they were discovered, and a description of the minerals that contain the element. Sections conclude with our current use of each element. Abundant color photos of some of the most characteristic minerals containing the element accompany the discussion. Ideal for students and researchers working in inorganic chemistry, mineralogy and geology, this book provides the foundational knowledge needed for successful study and work in this exciting area. Describes the link between geology, minerals and chemistry to show how chemistry relies on elements from nature Emphasizes the connection between geology, mineralogy and daily life, showing how minerals contribute to the things we use and in our modern economy Contains abundant color photos of each mineral that bring the periodic table to life

**Bound in Darkness** Jul 13 2020 Heaven refers to them as Misplaced Halos. Humans don't even know they exist. Like angels, vampires have been protecting humans from demons while keeping to the shadows, lurking in the darkness. In return, they've asked for nothing. Until now. After the heinous slaughter of his father, the Alpha Vampire, Kaj Courtenay finds himself taking on the role of the most powerful vampire in existence. He's up against traitors out to topple him, demons bent on eliminating the vampire race entirely, and an archangel who has other plans for them. It's all Kaj can do to maintain his focus, but he knows it would be easier with the female who owns him, heart, body, and soul at his side. Problem is convincing her. Acadia only knows a life of subservience. She has spent fifteen hundred years bound to the Angels of Darkness, her race used as their life source to maintain their existence on Earth. Living out eternity at their mercy is her destiny, beyond her control. It has never been something she questioned. Not until Kaj appeared in her life and gave her something to live for, made her question her very existence. Acadia knows resisting the powerful vampire is futile. He holds her heart. Problem is, it isn't hers to give. Kaj and Acadia must break the chains that have bound them to their pasts so they can embrace the future and conquer the enormous obstacles and ridiculous odds standing in their way. And for the sake of all, they must do it together.
