The Solarpunk Coloring Book Jun 06 2020 The Solarpunk Coloring Book is a comic book for adults that you color for yourself, a science-fiction 3D graphic novel. It contains over 100 pages (8.5x11") to color, and 30 images are stereoscopic 3D which can be viewed without 3D glasses. Chapter 1 explains several ways to view the 3D images before and after you color them. Following chapters tell five adult stories of couples in the near and distant future full of romance, adventure, and wonder. The Millennial generation and beyond learn to live with changing climates, scarce resources, no job security and no fossil fuels. All they have is their education, the sun, wind, and sea, the latest technology, and perhaps an army of helper robots. It is a book of future fiction; or is it future fact?
