If God is omnipotent, why does He allow Satan to exist in his creation? If God is love, why does He threaten us with hell? Why can't God just make everything alright? These are a few of the provocative questions which are currently asked of Christianity. With his groundbreaking debut book, "WORKBOOK On The Plan Of God," author Pastor Larry B. Patrick, TH.D., offers a comprehensive

theological response based on the essence of God. Through forty years of research and study, Dr. Patrick has discovered the answer to the allusive mystery of sovereignty and freewill existing among all orders of sentient universal life as well as answers to many of Christian theology's biggest mysteries. As Romans 8:21 states, Because the creature itself also shall be delivered from the bondage of corruption into the glorious liberty of the children of God.; Dr. Patrick boldly proclaims and affirms "Why" the Church is both the beginning and the end of God's plan for creation and why all of God's creation ~~ended~~ **ended**

word." (from the Preface) E. Carver McGriff provides the tools preachers need for their daunting task with some of the most timely and thought-provoking research on the lectionary texts ever made available. Included for each scriptural lesson in the lectionary are: - A listing of the applicable Revised Common, Roman Catholic, and Episcopal lectionary texts. - A description of the Psalm of the day. - A prayer for the day. - Commentary that is more than academic exegesis - McGriff brings to the forefront those points in the lessons that relate most poignantly to our contemporary reality. - Suggested

sermon titles for each of the three texts for each Sunday. - Themes and suggested directions for preaching on each text. - Several additional illustrations to enliven your preaching. "Known in the Indianapolis community as a preacher with extraordinary gifts, it is no surprise at all that this work by Carver McGriff brings remarkable insights to those who look for integrity in their preaching. Carver looks at the texts with a freshness that is sure to stimulate the thought process.... Careful use of these suggestions will bring serendipities to preacher and congregation."
