*The Best Test Preparation for the TASP, Texas Academic Skills Program* Apr 16 2021 REA's test preparation book includes two full-length exams with detailed explanations based on official exams released by the administrator of the TASP. Taken by full- and part-time students entering Texas public colleges, universities, or technical institutes, the TASP was designed to ensure that students obtain the skills appropriate to their grade level. Failure to pass any TASP section will result in the assignment of remedial course work in that subject. However, studying the comprehensive reviews in this book will fully prepare the student to pass each section. Reviews in mathematics, reading skills, and writing skills are presented along with tips and sample problems to help develop reading and writing skills, as well as problem solving ability. All exam sections and review material were prepared by test experts in the educational field to assure their accuracy, difficulty level, and application to the actual examination.
