The Complete Idiot's Guide to Street Magic Aug 02 2019 Forget about David Copperfield, cruise ship illusionists, and birthday party magicians. They're so old school, so 20th century. The conjuring that people starting out in magic today want to do is edgier, grittier, quick, visual, and maybe a little dangerous - magic to the max. Welcome to the world of street magic! The Complete Idiot's Guide to Street Magic will teach you how to do it! Even some of the simplest stunts, if performed effectively, have the same strong potential to amaze onlookers as the more challenging feats. Out of the literally thousands of tricks that can be included, only those that are the most direct and have the greatest impact, both visually and psychologically, will appear in the book. Each magical effect will be rated on a scale from one-to-three stars, easy to difficult, according to how hard it is to learn and/or to perform.

The Complete Idiot's Guide to Calculus Oct 28 2021 Let's face it- most students don't take calculus because they find it intellectually stimulating. It's not . . . at least for those who come up on the wrong side of the bell curve! There they are, minding their own business, working toward some non-science related degree, when . . . BLAM! They get next semester's course schedule in the mail, and first on the list is the mother of all loathed college courses . . . CALCULUS! Not to fear-The Complete Idiot's Guide to Calculus, Second Edition, like its predecessor, is a curriculum-based companion book created with this audience in mind. This new edition continues the tradition of taking the sting out of calculus by adding more explanatory graphs and illustrations and doubling the number of practice problems! By the time readers are finished, they will have a solid understanding (maybe even a newfound appreciation) for this useful form of math. And with any luck, they may even be able to make sense of their textbooks and teachers.

The Complete Idiot's Guide to Life After Death Oct 04 2019 A belief in the afterlife - what happens to the spirit, the essence of a person and personality after the body ceases to be - is common to almost every faith and culture the world over. Even people who don't ascribe to a religion or consider themselves spiritual share a fascination in life after death; they may just look at it in a different way. Some will wonder about the existence of heaven or hell; others believe they've seen "dead people," especially those who have been close to them in life; others look for answers to the question "What will happen to me when I die?" In *The Complete Idiot's Guide to Life After Death*, author and intuitive Diane Ahlquist shares her own knowledge of the subject, as well as the opinions of religious and spiritual leaders and others, like Edgar Cayce and the Dalai Lama, who have long spoken about the possibility and the experience of the afterlife.
