[The Final Prophecy of Jesus](#) Jun 01 2020 This commentary is the first major work on the book of Revelation in many years that expounds the historicist interpretation. The historicist school of interpretation was the dominant approach from Reformation times through most of the nineteenth century. The reasons for the current disaffection are too complex to address in a few words, but it is the author's conviction that from the standpoint of sound principles of biblical hermeneutics, the historicist interpretation is still the most creditable approach for an accurate understanding of this, the last book of the Bible and the final prophecy of Jesus.

[Polycarp's Epistle to the Philippians and the Martyrdom of Polycarp](#) Feb 27 2020 This commentary on Polycarp's Epistle to the Philippians and the Martyrdom of Polycarp includes extensive introductions, the Greek or Latin texts, facing English translations, and substantial comments on each passage. The preliminary material investigates Polycarpian traditions and reconstructs an outline of his life. The introductory studies for both Philippians and the Martyrdom discuss text and manuscript traditions, date and place of composition, historical setting, literary genre and style, unity and integrity, purpose and themes, theology, and post-composition influence. The volume also explores communal self-definition, moral formation, and the transmission of traditions, including the use of documents now found in the New Testament. The commentary proceeds passage by passage, but also includes lengthy discussions of critical issues and key interpretive questions. The investigations survey the current status of relevant scholarship and contain balanced discussions of controversial topics and scholarly debates.

**Murderers or Martyrs** Aug 15 2021 A spell-binding account of an appalling miscarriage of justice. Charged with the "Cranborne Road murder" of Wavertree widow Alice Rimmer, two Manchester youths were hastily condemned by a Liverpool jury on the police-orchestrated lies of a criminal and two malleable young prostitutes. George Skelly's detailed account of the warped trial, predictable appeal result courtesy of "hanging judge" Lord Goddard and the whitewash secret inquiry will enrage all who believe in justice. And if the men's prison letters (including from the condemned cells) sometimes make you

laugh, they will make you weep far longer. Following his masterful exposé of injustice in the Cameo Cinema murder case in 1950s Liverpool described in his book *The Cameo Conspiracy*, George Skelly now reveals a second police conspiracy—two years later in the same city involving the same senior detective—which this time led to the execution of two young men. In 2011, faced with countless proven contradictions and errors plus substantial previously undisclosed evidence, the Criminal Cases Review Commission unbelievably side-stepped the opportunity to refer this gross injustice to the Court of Appeal. So until justice is finally done, Teddy Devlin and Alfie Burns still lie together beneath the staff car park at Walton Prison, their only trace a tiny plaque numbered 55. 'A very powerful case of a miscarriage of justice': Former Attorney General Lord Goldsmith PC QC

[Musica Ecclesiae, Part 3](#) Apr 23 2022 ix + 256 pp. Published in three vols., A48, A49, and A50 [An Interpretation of Jane Austen's Mansfield Park](#) Oct 25 2019 Mansfield Park is in essence a tapestry of allusions to various works of literature and events in history to which Jane Austen left abundant "clues." This book is about finding and interpreting those "clues." Works of literature alluded to include, among others, Spenser's *The Faerie Queene*, Dante's *Inferno* and Milton's *Paradise Lost*. Events in history alluded to include the slavery issue of Jane Austen's day, the American Revolution, the Battle of Actium, the Battle of Trafalgar and the then-looming War of 1812.

[Between Resistance and Martyrdom](#) Jun 13 2021 *Between Resistance and Martyrdom* is the first comprehensive historical study of the persecution of Jehovah's Witnesses during the Holocaust era. Refusing to perform military service under Germany's Third Reich due to their fundamental belief in nonviolence, Jehovah's Witnesses caught the attention of the highest authorities in the justice system, the police, and the SS. Although persecuted and banned from practicing their beliefs by the Nazi regime in 1933, the Jehovah's Witnesses unified resistance has been largely forgotten. Basing his work on a wide range of sources, including documents and archives previously unconsidered as well as critical analyses of Jehovah's Witness literature and survivor interviews, Detlef Garbe chronicles the Nazis' relentless persecution of this religious group before and during World War II. The English-language edition of this important work

features a series of original photographs not published in the German edition. These striking images bring a sense of individual humanity to this story and help readers comprehend the reality of the events documented. *Between Resistance and Martyrdom* is an indispensable work that will introduce an English-speaking audience to this important but lesser-known part of Holocaust history. "

[Catalogue of the Syriac Manuscripts in the British Museum Acquired Since the Year 1838](#) Nov 06 2020

[The Resurrection of the Body in Western Christianity, 200-1336](#) May 12 2021 A classic of medieval studies, *The Resurrection of the Body in Western Christianity, 200-1336* traces ideas of death and resurrection in early and medieval Christianity. Caroline Walker Bynum explores problems of the body and identity in devotional and theological literature, suggesting that medieval attitudes toward the body still shape modern notions of the individual. This expanded edition includes her 1995 article "Why All the Fuss About the Body? A Medievalist's Perspective," which takes a broader perspective on the book's themes. It also includes a new introduction that explores the context in which the book and article were written, as well as why the Middle Ages matter for how we think about the body and life after death today.

**On Divine Revelation: The Teaching of the Catholic Faith Vol. Two** Jul 26 2022 In *On Divine Revelation*—one of Garrigou-Lagrange's most significant works, here available in English for the very first time—he offers a classic treatment of this foundational topic. It is an organized and thorough defense of both the rationality and supernaturalism of divine revelation. He presents a careful yet stimulating account of the scientific character of theology, the nature of revelation itself, mystery, dogma, the grace of faith, the powers of human reason, false interpretations thereof (rationalism, naturalism, agnosticism, and pantheism), the motives of credibility, and much more. Though written a century ago, *On Divine Revelation* will restore confidence in theology as a distinct and unified science and return focus to the fundamental questions of the doctrine of revelation. It also serves as a salutary corrective to contemporary theology's anthropocentrism and concern with what is relative in revelation and religious experience by reorienting our theological attention to what is most certain, central, and sure in our

knowledge of divine revelation: the Triune God who has revealed his inner life and salvific will. Readers will see the great splendor of the gift of divine revelation: radiant with credibility before the gaze of reason and drawing our supernatural assent to the mysteries through the gift of faith. As Fr. Cajetan Cuddy, O.P. observes, "On Divine Revelation . . . is a stunning work of inestimable value. No other subsequent work on this topic has come close to meeting it (much less surpassing it)." *The Stanford Dictionary of Anglicised Words and Phrases* Nov 25 2019

**Commentaries on the Twelve Prophets** Oct 17 2021 This addition to the Ancient Christian Texts series offers the first complete English translation of Jerome's Commentaries on the Twelve Prophets. Edited by Thomas Scheck, this second volume give readers access to what scholars consider to be Jerome's greatest achievement.

Kierkegaard's Journals and Notebooks, Volume 2 Jul 02 2020 Søren Kierkegaard (1813-55) published an extraordinary number of works during his lifetime, but he left behind nearly as much unpublished writing, most of which consists of what are called his "journals and notebooks." Volume 2 of this 11-volume edition of Kierkegaard's Journals and Notebooks includes materials from 1836 to 1846, a period that takes Kierkegaard from his student days to the peak of his activity as an author. In addition to containing hundreds of Kierkegaard's reflections on philosophy, theology, literature, and his own personal life, these journals are the seedbed of many ideas and passages that later surfaced in *Either/Or*, *Repetition*, *Fear and Trembling*, *Philosophical Fragments*, *The Concept of Anxiety*, *Stages on Life's Way*, *Concluding Unscientific Postscript*, and a number of *Edifying Discourses*.

Fools, Martyrs, Traitors Jul 14 2021 In this engrossing exploration of martyrdom, Lacey Baldwin Smith takes us on a riveting journey through history as he examines one of the most baffling characteristics of the human species: its willingness to die to sanctify a deity, to defend a cause, or simply to prove a point. In telling the stories of his chosen martyrs, by delving into their psyches, politics, and remarkable personalities, he illuminates the complex and elusive subject of martyrdom as it has evolved over two and a half millennia. The story starts with Socrates, the Western world's first recorded martyr, and moves on to Judaic and early Christian martyrs: the Maccabees and their heroic suffering; Jesus of Nazareth and the impact of the crucifixion on his message; and Saint Perpetua, who died spectacularly in a Roman amphitheater. The narrative then transports us to England: to Archbishop Thomas Becket and his sensational murder at the altar of his own cathedral in Canterbury; to Sir Thomas More, who died Henry VIII's "good servant but God's first"; to the Protestant martyrs under Catholic Mary Tudor; and to Charles I, the only English king to be tried and executed as a traitor. The concluding chapters cover modern martyrdom as it has become increasingly secularized and entangled with

treason. They include John Brown, whose "body lies a-mouldering in the grave but whose soul" goes marching on, Mahatma Gandhi and his school for martyrs, the Holocaust and its impact on modern Jewish thought, Dietrich Bonhoeffer and the unsuccessful attempts to assassinate Hitler, and Julius and Ethel Rosenberg's execution for giving secret information about the atomic bomb to the USSR. The book ends with the troubling figure of SS Lieutenant Kurt Gerstein and the ultimate question: Is there such a person as a totally disinterested martyr? Fools and traitors to some, heroes to others, all the men and women who appear here have helped shape our definition of martyrdom. The questions Lacey Baldwin Smith raises, and the way he brings the past to life, make this a uniquely compelling book.

*Genealogical Periodical Annual Index 1992 Issues* Sep 23 2019

*The Subordinated Sex* Aug 23 2019 *The Subordinated Sex* traces the enduring, powerful legacy of male attitudes toward women, their sexuality, and their roles as wives and mothers. Traditionally the creators and chroniclers of opinion, men have until recently written a history that reflects only their own convictions and impressions--a history rarely punctuated by a female voice and founded on an almost universal belief in women's inferiority. Acclaimed as a pioneering study when first published in 1973, Vern Bullough's work has since established itself as a standard in historical literature on women. Updated and revised with Sarah Slavin and Brenda Shelton, *The Subordinated Sex* is a vast survey ranging from prehistoric to contemporary times, examining a diversity of cultures, and taking into account writings from a great variety of sources. From a consideration of Babylonian legal codes to Victorian prescriptive medical pamphlets, medieval clerical treatises to Islamic erotic poetry, Bullough and his coauthors recount not only how men have portrayed women but also how they have justified their subordination of the opposite sex. In recent years, women have successfully challenged males' self-designated role as gatekeepers of written records and have found within the past a more complete view of how women lived, what they thought, and what they achieved. By focusing, however, not on women's history but on the history of men's attitudes toward their female companions, *The Subordinated Sex* reveals, more than any other single work, the conditions that sparked the feminist movement and the reasons it must inspire a change in the lives of men as well as women.

**Doctor of Divine Love** Dec 19 2021 Just as Thomas Aquinas is the central figure to express Christianity in the Western World, so too has St. John of the Cross become the central figure to express the mystical path to union with God. Equally so, just as Walter Farrell in his monumental work "Companion to the Summa Theologica" has made Thomas's work understandable to many, so too has Frost Bede's work, "Doctor of Divine Love" made the collected works of St. John of the Cross in to a fine synthesis for those able to undertake this passage. He repeatedly begs his readers to remember both to whom and for what purpose he is writing. It is for "the spiritual man," "the

discreet reader," he whom God would lead into the Night of Faith and of dark Contemplation, not for those beginners, in the ordinary sense of the term, "whom it is necessary to prepare by these discursive apprehensions" of meditation, which are but a remote means to union with God, the A.B.C. of true spirituality. This work completes the Pilgrim's Pantry Series.

**The Explorers of South America** Mar 10 2021 A narrative history of exploration from Christopher Columbus to the 19th century, with journal excerpts, diaries and other writings of the explorers themselves. Goodman has marshaled his wide-ranging research and lifelong interest in exploration into a comprehensive, scholarly history. A reprint of the original 1972 edition, the tales have lost none of their luster.

**The American Catalogue** Mar 22 2022 American national trade bibliography.

**Moon-o-theism, Volume II of II** Jan 20 2022 This is volume two of a two-volume study of a war and moon god religion that was based on the Mideast moon god religion of Sin.

*Of Heretics and Martyrs in Meiji Japan* Sep 28 2022 How did Buddhism, so prominent in Japanese life for over a thousand years, become the target of severe persecution in the social and political turmoil of the early Meiji era? How did it survive attacks against it and reconstitute itself as an increasingly articulate and coherent belief system and a bastion of the Japanese national heritage? Here James Ketelaar elucidates not only the development of Buddhism in the late nineteenth century but also the strategies of the Meiji state.

**Theology for International Law** Aug 27 2022

Whilst Christian theology is familiar with questions about the relation of church and state, divine and human law, little attention has been devoted to questions of international law. Esther D. Reed offers a systematic engagement with contemporary issues of international law and its relevance for modern theology. Reed discusses numerous issue driven topics, including: challenges to classic just-war thinking from so-called fourth generation warfare, peoples and nationhood within divine providence, the ethics of territorial borders and the militarization of human intervention. By discussing selected biblical texts Reed helps to move the issues of international law higher up the agenda of Christian theology, ethics and moral reasoning.

**Four Witnesses** Sep 16 2021 What was the early Church like? Contrary to popular belief, Rod Bennett shows there is a reliable way to know. Four ancient Christian writers—four witnesses to early Christianity—left us an extensive body of documentation on this vital subject, and this book brings their fascinating testimony to life for modern believers. With all the power and drama of a gripping novel, this book is a journey of discovery of ancient and beautiful truths through the lives of four great saints of the early Church—Clement of Rome, Ignatius of Antioch, Justin Martyr, and Irenaeus of Lyons.

**Catalogue of Syriac Manuscripts in the British Museum, Acquired Since the Year 1838** Jan 08 2021

*Moon-o-theism, Volume I of II* Oct 29 2022 This is volume one of a two-volume study of a war and moon god religion that was based on the

Mideast moon god religion of Sin.

**Abortion and Martyrdom** Jun 25 2022 The horror presented by the increasing institutionalisation of abortion in contemporary society poses some of the strongest moral and theological questions of our time. The innocent suffering of children killed in the womb raises fundamental questions. This book explores issues raised by the place of these children in the plan of Salvation.

**History** Dec 07 2020

*The Last Descendant of Aeneas* Mar 30 2020 From antiquity to the eve of the modern era, rulers of Western empires inspired hero worship by proclaiming their divine origins. In this fascinating original study, Marie Tanner presents the history of the emperor's mythic image and its continuing influence on Western political thought. She shows that these pretensions to divinity were based on the Trojan legend and the myth of Rome as developed in Vergil's Aeneid and that later Christian emperors expanded these claims by tracing their lineage not only to the pagan gods but also to the priest-kings of the Old Testament. Through this amalgam of heritages each successive Holy Roman emperor proclaimed that he was the last descendant of Aeneas, destined to yield the terrestrial rule of Rome to Christ and thereby inaugurate millennial peace. By examining a wide range of literary, artistic, and historical sources plus a corpus of new illustrations, Tanner discovers remarkable chains of evidence for this process, one that culminates with the Renaissance Hapsburgs who imbued the holiest symbols of the faith with dynastic meaning as they attempted to consolidate all priestly and

secular powers in their grip. On these foundations Philip II of Spain, son of the Holy Roman Emperor Charles V and the first monarch to rule the four known continents, created a new concept of absolute monarchy that shaped the principles of modern statecraft and determined the dominant form of government in Europe for the next two centuries.

**The Rise of the Mediaeval Church** Aug 03 2020 Reproduction of the original: The Rise of the Mediaeval Church by Alexander Clarence Flick

**The lives of the primitive fathers, martyrs, and other principal saints...** Jun 20 2019 The Coursing calendar, ed. by 'Stonehenge'. Dec 27 2019

**Aztec Warfare** May 24 2022 In exploring the pattern and methods of Aztec expansion, Ross Hassig focuses on political and economic factors. Because they lacked numerical superiority, faced logistical problems presented by the terrain, and competed with agriculture for manpower, the Aztecs relied as much on threats and the image of power as on military might to subdue enemies and hold them in their orbit. Hassig describes the role of war in the everyday life of the capital, Tenochtitlan: the place of the military in Aztec society; the education and training of young warriors; the organization of the army; the use of weapons and armor; and the nature of combat.

The Unruly Tongue in Early Modern England Nov 18 2021 This volume excavates the biblical and classical sources behind three early modern treatises that denounce the numerous sins of the tongue that cause damage in the Elizabethan society.
