Beloved in Another Time, Another Place Book 1: The Prophecy Nov 04 2022 This is a book of adventure, romance, decision, and time travel to one of history's most talked about times-- the Civil War. The Battle of Mansfield, LA was fought and won-- against all odds. Had the two superior officers for the Confederacy involved agreed to put their disagreements aside for the good of the South, the Battle would have changed the whole Civil War and given the South the victory for States' Rights. This book compares this battle to the battle in the marriage of Sophya Blackwell.

The Prophecy That Is Shaping History Aug 01 2022 Millions of Jews, Christians, and Muslims believe that a 2,500-year-old prophecy is about to be fulfilled: a global, apocalyptic jihad of many nations against the tiny state of Israel, whose recent re-emergence in its traditional land has sparked unrelenting rage and attack. Repeated resolutions passed in the United Nations reflect world-wide and nearly unanimous hostility against the so-called Zionist entity even to the point of denying its right to exist. Most news media and political analysts seem unaware of the ancient prophecy that not only predicts this apocalyptic war, but also, amazingly, how this prophecy by Ezekiel (chapters 36-44) provides the scenario for numerous best-selling books in both the English-speaking and Muslim worlds! These best sellers not only describe this great conflagration, but actually also motivate their readers to prepare for it! **The Prophecy That Is Shaping History** represents a major advance in research and scholarship in examining the historical and contemporary impact of Ezekiel's prophecy on world events. This academic monograph also offers a wealth of new evidence in tracing the identities, origins, and ultimate destinies of the key nations of Ezekiel's prophecy who are seen to participate in what millions believe will be the most horrific battle the world will ever witness.

Faith Be the Toll Jul 20 2021 This book is my seed, and I will plant it all around the world to be watered and nurtured by our Father in heaven. Its because of his love, mercy, and grace that Im here, planting seeds to the best of my knowledge. I glorify his name, and I put nothing or no one before him. My mission is to reach as many readers as possible and bring the holy scriptures to those we least expect to pick up and read the Holy Bible. I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me: and the life which I now live in the flesh I live by the faith of the Son of God, who loved me, and gave himself for me (Galatians 2:20).

What We Do Next Really Matters Oct 23 2021 The choices we make over the next few years will resonate for decades, and perhaps centuries. This is because our world is at a critical turning point in history, as old certainties are swept aside by a global pandemic, climate change and political upheaval. How we respond to these challenges will determine whether we usher in a new Age of Enlightenment, or a second Dark Ages. In this compelling book Mark Roeder makes sense of our predicament, and explains why we must reconsider some of our most fundamental beliefs. Our current path is not sustainable – socially, environmentally or economically. We are literally devouring our planet, and our communities are becoming more polarised and fearful of the future. The time has come for us to make some bold changes to the way we live. This book explains what these changes should be, and how to implement them.

Primal Fire May 18 2021 In the earliest days of the church, followers of Jesus embraced five core spiritual gifts—apostles, prophets, evangelists, shepherds, and teachers—and the world was set on fire as a result. Over the past two thousand years, however, some of these gifts have been neglected or set aside, and we’ve forgotten what we’re capable of. Now, in *Primal Fire*, Neil Cole shares the surprising truth about the five gifts of Jesus—what they mean, how they reflect Christ, and the remarkable power and synergy that comes when we all work together to ignite the church’s full potential and passion. Whether you’re a church leader who wants to equip your members to grow spiritually, or someone who wants to better understand your own contribution to the body of Christ, it’s time to reignite the *Primal Fire* and become the gifts that Christ intended for us to be.

Luke's Rhetorical Compositions Jun 26 2019 Luke’s Rhetorical Compositions offers new ideas in Lukan scholarship, especially in regard to Aelius Theon’s first-century rhetoric manual (*Progymnasmata*) and inter-textual, Lukan-Pauline, biblical studies. Two chapters deserve special mention: the material in chapter 3 is a groundbreaking discussion of Acts 2:38 in which its Greek verb tense speaks to the subsequent reception of the gift of the Holy Spirit following salvation, not coincident with salvation. In Acts 2:38 it is Luke’s intention to portray Peter as promising the gift of the Holy Spirit to hearers and to those beyond narrative time as a Pentecostal experience. Chapter 9 discusses Luke’s use of progymnasmatic examples in his descriptions of the salvation experience. It also discusses Luke’s clarification of Paul using narrative persuasion from Jesus tradition and history. Also, Luke’s use of basic soteriological vocabulary provides clarity and plausibility. His distinctive selection of examples from the Jesus tradition and his duplication of Paul’s soteriological vocabulary is very helpful.

The Anatomy of Book of Mormon Theology, Volume One Feb 01 2020 Few scholars of the Book of Mormon have read this volume of scripture as closely and rigorously as Joseph M. Spencer. And of those, none have devoted as much time and effort as he to a theological reading of that sacred text—that is, as Spencer writes, “how it might shape responsible thinking about questions pertaining to the life of religious commitment” (p. 1:173.) *The Anatomy of Book of Mormon Theology* divides into two volumes exploring and thinking about these pertinent questions. Each concerns a different part of the defense of the claim that theology is and ought to be particularly important for Book of Mormon studies. In this first volume, Spencer gathers early essays in which he gestures toward theological interpretation without knowing how to defend it; essays about why theology is important to Book of Mormon scholarship and how to ensure that it does not overstep its boundaries; and essays that do theological work on the Book of Mormon in relatively obvious ways or with relatively traditional topics. The last category of essays divides into two subcategories: essays specifically on the central theological question of Jesus Christ’s atonement, as the Book of Mormon understands it; and essays on a variety of traditional theological topics, again as the Book of Mormon understands them.

Continuity and Discontinuity Dec 01 2019 This volume of collected essays focuses on the relationship between the different texts within Isaiah 40–66. It reinvestigates and challenges the traditional division between chapters 40–55 and 56–66 and explores new ways of reading the last 27 chapters of the book of Isaiah. Each article examines Isaiah 40–55 and/or Isaiah 56–66 and highlights continuity and discontinuity within this material. Some contributions belong to the tradition of historical-critical research. They examine existing models of textual development of Isa 40–66 and offer new suggestions. They also explore the interplay between the historical development of the text and its thematic continuity and discontinuity. Is the consistent use of a theme a sign of single authorship? Alternatively, are changes in the way a given issue is treated a sign of multiple authorship? Other contributions explore the final form of Isa 40–66 and suggest reading strategies that do justice to the message of the extant text. Yet other articles make case studies of specific elements of Isa 40–66. What is the significance of these texts for the theological development of the ancient Israelite religion? Further, how do they interact with and transform other texts in the Hebrew Bible?
