Leaves of Grass Nov 25 2021 Throughout his life, Walt Whitman continually revised and re-released Leaves of Grass. He added and deleted words, emended lines, divided poems, dropped and created titles, and shifted the order of poems. Leaves of Grass: A Textual Variorum of the Printed Poems includes all the variants that Whitman ever published, from the collection's first appearance in 1855 through the posthumous "Old Age Echoes" annex printed in 1897. Each edition was unique, with its own character and emphasis, and the Textual Variorum enables scholars to follow the development of both the individual poems and the work as a whole. Volume I contains introductory material, including a chronology of the poems and a summary of all the editions and annexes, along with the poems from 1855 and 1856. Volume II includes the poems from 1860 through 1867, including the first appearance of "When Lilacs Last in the Door-Yard Bloom'd" and "O Captain! my Captain!" Volume III features the poems 1870-1891, plus the "Old Ages Annex" and an index to the three-volume set.

PALE MOON, Season 1, Episode 5: JEALOUSY Oct 25 2021 "Loving someone isn't supposed to be this hard. Neither is killing them." Pale Moon is the heart-wrenching story of two lost souls, who didn't believe they could experience true love. Of two people, so far apart they are in different galaxies, who somehow stumble into discovering each other's hearts. It's a dangerous, unstoppable roller-coaster of a journey. An M16 shadow assassin and a beautiful terrorist are thrown together in the midst of a terror threat, the like of which London has never seen before. Neither of them could know what horrors lie in wait, or that their first meeting is just the beginning of an epic fight for survival. For them, and everyone else, Pale Moon is brought to you in two seasons of eight novella episodes each, telling Gerard and Zana's incredible story... two lost souls who must save each other, in order to save millions of lives. This is season 1, episode 5. The shocks keep coming for Gerard. As yet more people enter the tangled web his life is turning into, it becomes clear those around him are not what they seem. As his friends continue their desperate search, his enemies are one step in front, and he begins to realise he's just a pawn in a deadly game of chess, each move played against a devious and ruthless opponent. And he's left in no doubt jealousy has green eyes. Read about Pale Moon, and the concept, at [rtgreen.net](#). A note from Richard - Pale Moon is a completely re-edited and restructured version of the original series (and its alternative 'sister' series, Red Mist), so although totally remodelled for 2021, the bones of the stories are the same. If you've read Pale Moon or Red Mist before, then basically you already know the story! We wouldn't want you to read the same story twice (unless you really want to!) We've priced the novella-length episodes sensibly. There are two seasons, with eight episodes in each one. Each episode is somewhere either side of 25,000 words long, and to get the best from the series, they really should be read in order. Like a TV serial, they are chronological. Those of you familiar with the RTG brand know we're always up for different! And for sure this is a slightly different style of storytelling. We hope Gerard and Zana's heart-stopping journey will keep you travelling with them to the end. Pale Moon is romantic suspense at its finest, with espionage and a little sci-fi blended together to bring you a story of courage, danger, and the power of true love. Enjoy!

[The Last Days of Pompeii](#) Jan 28 2022 Destroyed yet paradoxically preserved by the eruption of Mount Vesuvius in A.D. 79, Pompeii and other nearby sites are usually considered places where we can most directly experience the daily lives of ancient Romans. Rather than present these sites as windows to the past, however, the authors of The Last Days of Pompeii: Decadence, Apocalypse, Resurrection explore Pompeii as a modern obsession, in which the Vesuvian sites function as mirrors of the present. Through cultural appropriation and projection, outstanding visual and literary artists of the last three centuries have made the ancient catastrophe their own, expressing contemporary concerns in diverse media—from paintings, prints, and sculpture, to theatrical performances, photography, and film. This lavishly illustrated volume—featuring the works of artists such as Piranesi, Fragonard, Kaufmann, Ingres, Chassériau, and Alma-Tadema, as well as Duchamp, Dal, Rothko, Rauschenberg, and Warhol—surveys the legacy of Pompeii in the modern imagination under the three overarching rubrics of decadence, apocalypse, and resurrection. Decadence investigates the perception of Pompeii as a site of impending and well-deserved doom due to the excesses of the ancient Romans, such as paganism, licentiousness, greed, gluttony, and violence. The catastrophic demise of the Vesuvian sites has become inexorably linked with the understanding of antiquity, turning Pompeii into a fundamental allegory for Apocalypse, to which all subsequent disasters (natural or man-made) are related, from the San Francisco earthquake of 1906 to Hiroshima, Nagasaki, 9/11, and Hurricane Katrina. Resurrection examines how Pompeii and the Vesuvian cities have been reincarnated in modern guise through both scientific archaeology and fantasy, as each successive cultural reality superimposed its values and ideas on the distant past. An exhibition of the same name will be on view at the Getty Villa from September 12, 2012, through January 7, 2013; at the Cleveland Museum of Art from February 24 through May 19, 2013; and at the Musée national des beaux-arts du Québec from June 13 through November 8, 2013.

Bird Uncaged Aug 03 2022 From a leading prison abolitionist, a moving memoir about coming of age in Brooklyn and surviving incarceration—and a call to break free from all the cages that confine us. Marlon Peterson grew up in 1980s Crown Heights, raised by Trinidadian immigrants. Amid the routine violence that shaped his neighborhood, Marlon became a high-achieving and devout child, the specter of the American dream opening up before him. But in the aftermath of immense trauma, he participated in a robbery that resulted in two murders. At nineteen, Peterson was charged and later convicted. He served ten long years in prison. While incarcerated, Peterson immersed himself in anti-violence activism, education, and prison abolition work. In Bird Uncaged, Peterson challenges the typical "redemption" narrative and our assumptions about justice. With vulnerability and insight, he uncovers the many cages—from the daily violence and trauma of poverty, to policing, to enforced masculinity, and the brutality of incarceration—created and maintained by American society. Bird Uncaged is a twenty-first-century abolitionist memoir, and a powerful debut that demands a shift from punishment to healing, an end to prisons, and a new vision of justice.

Lies Dec 03 2019 The #1 New York Times bestseller by Senator Al Franken, author of Giant of the Senate Al Franken, one of our "savviest satirists" (People), has been studying the rhetoric of the Right. He has listened to their cries of "slander," "bias," and even "treason." He has examined the GOP's policies of squandering our surplus, ravaging the environment, and alienating the rest of the world. He's even watched Fox News. A lot. And, in this fair and balanced report, Al bravely and candidly exposes them all for what they are: liars. Lying, lying liars. Al destroys the liberal media bias myth by doing what his targets seem incapable of: getting his facts straight. Using the Right's own words against them, he takes on the pundits, the politicians, and the issues, in the most talked about book of the year. Timely, provocative, unfailingly honest, and always funny, Lies sticks it to the most right-wing administration in memory, and to the right-wing media hacks who do its bidding.
