Creating Alternative Discourses in the Education of Latinos and Latinas

Dec 03 2019 While Latinos and Latinas are the youngest and largest U.S. minority group, they continue to be among the poorest and least educated. A major contribution of *Creating Alternative Discourses in the Education of Latinos and Latinas* is that it provides scholars, teachers, and practitioners with counter-hegemonic theories, methods, and pedagogies that challenge the mainstream assumptions about the education of this group. Drawing on rich ethnographic portrayals including life history interviews, focus groups, and participant observation, this interdisciplinary volume bridges diverse bodies of literature in an attempt to bring about changes in the education of Latinos and Latinas.

Down Stream Sep 23 2021 First Published in 1998. This work had its origin in the concern of one of the authors about those children who entered a certain grammar school in a high position on the entrance list and who therefore gave promise of good academic progress, yet were found at the end of the first academic year to have a very low standard of attainment. As it was 1938 bis 1954 Germany Oct 25 2021 "As it was 1938 to1954 Germany" is the captivating coming - of - age story of a boy during the most tumultuous period of the 20th Century on a farm near Berlin. As North Americans we have little opportunity to know about that period except from the Allied perspective. It is enlightening to learn about the human struggles of a farm family through and in the early years after the war. Readers will be rewarded by immersing themselves in Christian's detailed memoir of his childhood years. The book is an easy read, both suspenseful and humorous. A most enjoyable and engaging read. Robert McFetridge Bowser, BC, Canada Christian's book is an amazing collection of his childhood memories growing up during WW2. The incredible detail in which he recollects the many twists and turns made this book a real page turner. I couldn't put it down and it reminded me of the stories my father shared of his childhood during the same time period. Anyone who wants to understand how this generation learned how to make the best out of the most difficult situations and to never lose hope will enjoy Christian's book.
