The Confidant Oct 31 2019 "A gripping first novel" (Le Figaro Littéraire) and an award-winning international sensation as haunting and unforgettable as *Suite Française* Paris, 1975. Camille sifts through letters of condolence after her mother's death when a strange, handwritten missive stops her short. At first she believes she received it by mistake. But then, a new letter arrives each week from a mysterious stranger, Louis, who seems intent on recounting the story of his first love, Annie. They were separated in the years before World War II when Annie befriended a wealthy, barren couple and fell victim to a merciless plot just as German troops arrive in Paris. But also awaiting Camille's discovery is the other side of the story, which will call into question Annie's innocence and reveal the devastating

consequences of jealousy and revenge. As Camille reads on, she begins to realize that her own life may be the next chapter in this tragic story.

Kendrick Lamar's To Pimp a Butterfly Jan 15 2021 Breaking the global record for streams in a single day, nearly 10 million people around the world tuned in to hear Kendrick Lamar's sophomore album in the hours after its release. *To Pimp a Butterfly* was widely hailed as an instant classic, garnering laudatory album reviews, many awards, and even a canonized place in Harvard's W. E. B. Du Bois archive. Why did this strangely compelling record stimulate the emotions and imaginations of listeners? This book takes a deep dive into the sounds, images, and lyrics of *To Pimp a Butterfly* to suggest that Kendrick appeals to the psyche of a nation in crisis and embraces

the development of a radical political conscience. Kendrick breathes fresh life into the Black musical protest tradition and cultivates a platform for loving resistance. Combining funk, jazz, and spoken word, *To Pimp a Butterfly's* expansive sonic and lyrical geography brings a high level of innovation to rap music. More importantly, Kendrick's introspective and philosophical songs compel us to believe in a future where, perhaps, we gon' be alright. *Cross in the Background* Nov 24 2021 From "Daddy" to "Father" to "Dad" The touching story of William "Cricket" Horsak—a high school football superstar who went from the football field to the battle field, finding himself thrust into the carnage of the Battle of Okinawa. hand to move in your place of need. To help people with similar problems, the author shares her personal story of physical, emotional, and spiritual experiences, as well as her emerging understanding about the roots of her struggles. After Chrystal's healing more than 12 years ago, God led her to start an organization dedicated to the message ministry of transformation, Emerging Life Ministry Solutions. The ministry equips those desiring a deeper revelation of Christ and helps people journey through some of life's hardest places of pain, hurt, and trauma. Community initiatives to at-risk youth are also a part of the vision and outreach of Emerging Life Solutions. It's not a self-help thing—it's a God thing. Also discussed is how the Church can more effectively help those struggling with depression and other emotional and mental illnesses. A key lesson to be learned is the redemptive purpose that suffering can have in your life.

Slightly Bad Girls of the Bible Sep 22 2021 Good Women Behaving Badly A spiteful boss, a defiant employee, a manipulative mother, a desperate housewife, an envious sister...honey, we know these women. We've lived with them, worked with them, or caught a glimpse of them in our mirrors. Now let's take a look at their ancient counterparts in Scripture: Sarah mistreated her maidservant, Hagar despised her mistress, Rebekah manipulated her son, Leah claimed her sister's husband, and Rachel envied her fertile sister. They were far from

evil, but hardly perfect. Mostly good, yet slightly bad. In other words, these matriarchal mamas look a lot like us. "A Slightly Bad Girl is simply this: a woman unwilling to fully submit to God. We love him, serve him, and worship him, yet we find it difficult to trust him completely, to accept his plan for our lives, to rest in his sovereignty." —from *Slightly Bad Girls of the Bible*

The Man Who Went Down With His Ship

May 07 2020 The Man Who Went Down with His Ship (1988) finds Hugh Fleetwood moving from Manhattan and Paris to winter-bound London, from Tuscany and Sardinia to Mexico and Egypt. Yet wherever his characters roam, their fate awaits them like the proverbial appointment in Samarra. In the title story, poet Alfred Albers attempts to confront with honesty an event from his past that has always haunted him, only to learn anew that no good deed goes unpunished. In 'The Nature of Angels' Maria longs for deliverance from a life made moribund, but is finally forced to ponder exactly what kind of power would answer our prayers This edition includes two later Fleetwood stories: 'L & I' and 'Why Are You Wearing My Daughter's Earrings?' '[Fleetwood] reaches down and stirs with venomous delight the nameless, faceless things swimming far below the level of consciousness.' [The Truelove Bride](#) Apr 17 2021 The curse will last one hundred full years.... A notoriously fierce soldier, Marcus Kincardine wears his clan's tartan as a symbol of his heritage--and a reminder of the curse that haunts his kin. To rid them of this evil, the legend says, Marcus must wed a fabled warrior maiden with hair like an angel's halo, eyes the color of the rarest heather, and an extraordinary gift that makes her more formidable than any army. But first he must win the most desperate battle of his life...the one for her mind, her body, and her heart. Lady Avalon d'Farouche can't deny she bears the telltale marks of the Kincardine legend, nor can she disown the strange, mystical intuition that allows her to see things others cannot. Yet Avalon believes she alone holds the key to her destiny--a future in which no man will own her. So when Marcus Kincardine seizes her for his own purposes, she never expects him to ignite a fiery passion within her. Still, she refuses to sacrifice her soul and fulfill the legend by surrendering to desire. But how long can she deny him...and how long will he let her?

As Director of the movement to free the famed ballet dancers, Valery and Galina Panov, while visiting them in Leningrad, Sheila was detained by the KGB. Sheila also served as the Executive Director of the Women's Division of the UJA and as the Vice President for External Affairs of Polytechnic University. Levin has written a political novel as deft and cunning as any politician. As well as she knows that game, she's even shrewder about love and lust, family and friendship, the faces we put on and the mysteries we remain. She reminds us of the suffering in every scandal, especially that of the hapless unfortunates who share their lives with the boldfaced names. Here the personal and the political truly are one." Bill Curry, Counselor to President Clinton We all see negative ads in political campaigns but rarely consider how they affect the people involved -- the targets and the attacker alike. This human drama takes the transaction off the air waves and integrates

it into a flesh and blood story of two candidates battling their fears, worries about their past and each other. It is not just behind the scenes in a campaign. The book takes you inside the heads of the candidates and their consultants to show you what these campaigns cost all the participants. Dick Morris Author and Political Consultant In this sexy, sensitive and observant novel, Levin, who knows politics, - and knows the motivations and hopes and fears that politicians often have, writes a mystery story against the background of two women competing for the Democratic primary for the Senate from New York. Toxic Anger: Anger Is An Addiction Using the wisdoms of John Bradshaw, Pia Mellody, Claudia Black, Alice Miller, and many other recovery giants, Verryl grew to understand himself in the context of his past traumas. He was finally able to apply all the theories of these authors to heal his anger and rage. This expansion of theory to the emotion of toxic anger results in a revolutionary new concept of anger as an addiction. This paradigm shift empowers a person to recover from rage as an ill person seeking to be well, as opposed to a bad person trying to act better. Telling yourself you are a bad person is a self-defeating message to your inner self, but an ill person can get well. He presents this new, simple, and enlightened treatment for anger in easy to follow language. Ultimately these conclusions are illustrated as a set of simple diagrams that outline the full path of anger's development starting from the core emotion of pain from early losses through raging behavior that is life damaging. Using the revolutionary model of anger as an addiction, he demonstrates that anger can be healed. There is no need to rationally manage toxic anger (while remaining a bad person). Toxic anger practically evaporates as an emotional impulse as the underlying pain is resolved in the good, but ill person. Included: Research survey paper on Anger Management classes by Desiree Harris, M. C.

The Triumph of Love Jun 19 2021 Recent years have witnessed an astonishing cultural and legal shift when it comes to homosexuality and same-sex marriage. Many Christians see these changes as a defeat for Christian values, often painting Christian opponents as sell-outs to secular culture. But can there be a genuinely Christian case for same-sex marriage? This book makes that case. While sensitive to scriptural issues, it focuses on a question that cannot be answered by Scripture alone: What

does love for our gay and lesbian neighbors demand? This question calls us to pair theological, philosophical, and scriptural reflection with something else: attention to gay and lesbian lives. We must attend to the psychological research and, more importantly, to the stories our gay and lesbian neighbors tell us about themselves and their experience. Love does not permit us to plug our ears with Bible verses. While this book argues that Christian love calls us to make same-sex marriage available, the deeper conclusion is that Christian values prevail when we wrestle with these questions in a spirit of love: love for those with whom we disagree, and love for those most affected by the decisions we reach.

explores our complex fascination with uncanny children in works of fiction. Ranging from Victorian to modern works—Lewis Carroll’s Alice in Wonderland, Carlo Collodi’s Pinocchio, Henry James’s What Maisie Knew, J. M. Barrie’s Peter and Wendy, Franz Kafka’s “The Cares of a Family Man,” Richard Hughes’s A High Wind in Jamaica, Elizabeth Bowen’s The Death of the Heart, and Vladimir Nabokov’s Lolita—Kenneth Gross’s book delves into stories that center around the figure of a strange and dangerous child. Whether written for adults or child readers, or both at once, these stories all show us odd, even frightening visions of innocence. We see these children’s uncanny powers of speech, knowledge, and play, as well as their nonsense and violence. And, in the tales, these child-lives keep changing shape. These are children who are often endangered as much as dangerous, haunted as well as haunting. They speak for lost and unknown childhoods. In looking at these narratives, Gross traces the reader’s thrill of companionship with these unpredictable, often solitary creatures—children curious about the adult world, who while not accommodating its rules, fall into ever more troubling conversations with adult fears and desires. This book asks how such imaginary children, objects of wonder, challenge our ways of seeing the world, our measures of innocence and experience, and our understanding of time and memory.

Unexpected Gifts Dec 14 2020 In this heartfelt and thoughtful book, Christopher Heuertz writes of the dangers of isolation, the challenges we face when we join together and the struggles and joys that emerge from genuine community bonding. “Ironically, as much as we yearn for deep friendships and meaningful communities, many of us seem to be unable to find our way into them. Even if we know we’re made for community, finding one and staying there seems almost impossible. Though we hate to admit it, if we stay long enough in any relationship or set of friendships, we will experience failure, doubt, burnout, loneliness, transitions, a loss of self, betrayal, frustration, a sense of entitlement, grief, and weariness. Yet it’s these painful community experiences, these tensions we struggle to navigate, that hold surprising gifts.” —FROM THE PREFACE IN A STRIKINGLY confessional tone and vividly illustrated through story, Unexpected Gifts names eleven inevitable challenges that all friendships, relationships, and communities experience if they stay together long enough. Rather than allowing these challenges to become excuses to leave, Chris Heuertz suggests that things like betrayal, transitions, failure, loss of identity,

If your relationships have suffered from any of these pitfalls, this book will show you that staying together can create something more—even something beautiful. IN THIS HEARTFELT and thoughtful book, Christopher Heuertz writes of the dangers of isolation, the challenges we face when we join together, and the struggles and joys that emerge from genuine community bonding. Whether readers are forming a new community, searching for deeper community, or participating in a longtime community, they will find inspiration, caution, guidance, and encouragement as they discover the beauty of pressing in to the ambiguities of growing relationships in this tender and honest testimony about how we are woven together by grace.
