Women (Re)Writing Milton Jan 15 2021 This volume of essays reconfigures the reception history of Milton and his works by bringing to the fore women reading, writing, and rewriting Milton, bringing together in conversation a range of voices from diverse historical, cultural, religious, and social contexts across the globe and through the centuries. The book encompasses a rich range of different literary genres, artistic media, and academic disciplines and draws on the research of established Milton scholars and new Miltonists. Like the female authors and artists whom they explore, the contributors take up a variety of standpoints. As well as revisiting the work of established figures, the volume brings new female creative artists, new subjects, and new approaches to the study of Milton.

Frederick Marryat: The Were-Wolf...

Hands of Stone Apr 17 2021 ROBERTO DURAN is a sporting legend. Often called the greatest boxer of all time, he held world titles at four different weights and is the only professional in history to have fought in five different decades. His bouts with fellow greats like Sugar Ray Leonard, Thomas Hearns and Marvin Hagler have gone down in fistic folklore and his pro record of 104 wins, 69 by KO, in 120 fights puts him in an elite group of fighters. They called him Manos de Piedra: “Hands of Stone”. American journalist Christian Guidice has written the first – and definitive – story of Duran’s extraordinary life both in and out of the ring. He has interviewed the fighter himself, his family and closest friends and scores of his opponents to separate truth from myth and get to the heart of one of the most intriguing sports stars of modern times. Duran was born in utter poverty in the Panama Canal Zone, the illegitimate son of a serving US soldier and a local girl. He grew up in the streets, fighting to survive. His talent with his fists was soon apparent, and on one fabled occasion he even knocked down a horse with a single punch for a bet. He grew into a fighter’s fighter, and his willingness to take on anyone, anywhere, anytime and never take a step back made him a huge favorite. From his wild early bouts to his stunning boxing debut in New York, Giudice traces the blazing trail of his career: the controversial title win over Scot Ken Buchanan; his unification of the lightweight crown against great rival Esteban DeJesus; his glorious defeat of Ray Leonard and the subsequent debacle of the No Más encounter; his ferocious comeback and redemption, and the long, eventful twilight of his matchless career. Here also are both the public and private sides of Duran: his volatility, his kindness and reckless generosity, his partying, his links with the notorious regime of General Noriega, and above all his chilling love of battle.

Vampire Legends in Contemporary American Culture Nov 12 2020 While vampire stories have been part of popular culture since the beginning of the nineteenth century, it has been in recent decades that they have become a central part of American culture. Vampire Legends in Contemporary American Culture looks at how vampire stories -- from Bram Stoker's Dracula to Blacula, from Bela Lugosi's films to Love at First Bite -- have become part of our ongoing debate about what it means to be human. William Patrick Day looks at how writers and filmmakers as diverse as Anne Rice and Andy Warhol present the vampire as an archetype of human identity, as well as how many post-modern vampire stories reflect our fear and attraction to stories of addiction and violence. He argues that contemporary stories use the character of Dracula to explore modern values, and that stories of vampire slayers, such as the popular television series Buffy the Vampire Slayer, integrate current feminist ideas and the image of the Vietnam veteran into a new heroic version of the vampire story.

Some Notes on Early Woodcut Books, with a Chapter on Illuminated Manuscripts Mar 17 2021 DigiCat Publishing presents to you this special edition of "Some Notes on Early Woodcut Books, with a Chapter on Illuminated Manuscripts" by William Morris. Using Literature in English Language Education Sep 03 2022 Covering Green's The Fault in Our Stars, Collins' The Hunger Games, Selznick's The Invention of Hugo Cabret, Rowling's Wizarding World, Staake's Bluebird and Winton's Lockie Leonard, contributors consider how literature can be used for teaching literary literacy, creative writing, intercultural learning, critical pedagogy and deep reading in school settings where English is the teaching medium. Leading scholars from around the world explore pedagogical principles for English Language Teaching (ELT) widening children's and teenagers' literacy competences as well as their horizons through insightful engagement with texts. From challenging picturebooks for primary and secondary students, to graphic novels, to story apps, film and drama, as well as speculative fiction on provocative topics, recent research on literature education in ELT settings combines with cognitive criticism in the field of children's, young adult and adult literature.

The Legend of Sleepy Hollow Jun 19 2021 Jackson is a young journalist living in New York City... or at least a young man trying to be a journalist. He needs a break from his life – his very short and unsuccessful life. This seek of refuge leads him to the small village of Sleepy Hollow, a seemingly peaceful place. But all small towns house dark tales, and he soon learns of the legend of the headless horseman, a Hessian war veteran traveling throughout the American countryside. When the town big shot got the idea that the Hessian had stolen the heart of his fiancée, he and his friends beheaded the Hessian with his own sword right in the streets of Sleepy Hollow. They buried his body in the woods just outside of Sleepy Hollow, but it was said that the head was disposed of elsewhere. In the nights following the gruesome execution, the offenders were found dead, one by one, their heads taken. Only once the horseman’s head was returned to his grave did the murders cease. But no sooner has Jackson set foot in this peaceful town do strange murders begin to occur, very similar to the killings that took place over two hundred years ago. The bodies are found with their heads gone, and the people that are being killed now are the

descendants of the men who murdered the horseman all those years ago. Although the horseman's head was returned, he is in search of something – something else that was taken from him. And he will not rest until he has it.

The Republic Chapterplays Jul 29 2019 Known as Hollywood's "Thrill Factory," Republic Pictures produced some of the most exciting serials to hit the big screen. The studio's chapterplays were one of the most popular Saturday matinee genres. Covering nearly 70 serials, the filmographies include full production credits; release dates; chapter titles; running times; sound systems (when applicable); a note on reissues, condensations and sequels; and an extensive cast list showing roles played. Included are an essay on the general development of the American serial and a history of Republic studio to the present.

Bleak House Mar 05 2020 The labyrinthine, ingenious plot of Bleak House focuses on the seemingly endless lawsuit Jarndyce and Jarndyce, an inheritance dispute that has been moving through the courts for years. Dozens of characters, including the innocent young narrator Esther Summerson, her friends Richard Carstone and Ada Clare, and the jaded aristocrats Sir Leicester and Lady Honoria Dedlock, are directly or indirectly caught up in the case. Written in bold and inventive language, Bleak House is Dickens's epic vision of Victorian society. The critical introduction and extensive appendices to this edition focus on the novel's social context and reception, Dickens's treatment of his women characters and the working class, and the inequalities of the Victorian legal system.

Politics and Religion in Zimbabwe Aug 10 2020 This book illustrates how religion and ideology were used by Robert Mugabe to ward off opposition within his own party, in Zimbabwe and from the West. An interdisciplinary line up of contributors argue that Mugabe used a calculated narrative of deification – presenting himself as a divine figure who had the task of delivering land, freedom and confidence to black people across the world – to remain in power in Zimbabwe. The chapters highlight the appropriation and deployment of religious themes in Mugabe's domestic and international politics, reflect on the contestation around the deification of Mugabe in Zimbabwean politics across different forms of religious expression, including African Traditional Religions and various strands of Christianity and initiate further reflections on the interface between religion and politics in Africa and globally. Politics and Religion in Zimbabwe will be of interest to scholar of religion and politics, Southern Africa and African politics.

The Beginnings of Western Christendom Dec 14 2020 Short description: A study of the development of Christianity in the West, showing how the Church developed in different regions, based on literary and archaeological evidence.

Studying the Life of Saint Francis of Assisi Feb 13 2021 William Hugo has ministered in initial formation since 1980 and taught the life of Francis of Assisi for over twenty-six years to Capuchins at various levels of formation and to Secular Franciscans. He was editor of "The New Round Table, " a journal of Capuchin spirituality and history, for seven years and is currently the Provincial Director of Initial Formation and Director of Postulants for the Midwest Capuchins.

Old and New London: a Narrative of Its History, Its People, and Its Places ...: The city, ancient and modern Jul 09 2020

A Thematic Access-Oriented Bibliography of Jesus's Resurrection May 19 2021 The keystone of Christianity is Jesus's physical, bodily resurrection. Present-day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus. The literature measures well over seven thousand sources in English-language books alone. This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task. Even when a specific book is relevant, finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort. A Thematic Access-Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways. First, the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty-four subcategories, which are designed to help you find the most relevant literature quickly and efficiently. Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views: theistic (e.g., Christian, Jewish, Muslim, etc.), agnostic, and nontheistic. The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives, allowing you to browse or find the one source accurately and with ease.

Fantastic Serial Sites of California Jun 27 2019 The first of its kind, this guide to California filming sites covers five decades of science fiction, fantasy, and horror in chapter plays. Covering more than 60 serials, many familiar locations are documented, including the rugged terrain of Red Rock Canyon, which served as a stand-in for Saturn in Buck Rogers; the Bronson Caves and Griffith Observatory, which appeared in Flash Gordon; and the famous Iverson Ranch, which appeared in Batman, Superman and many other serials. The reader will also find serials starring Bela Lugosi, Boris Karloff and Lon Chaney, Jr. Also covered are the skyscrapers that appeared alongside Captain Marvel in The Adventures of Captain Marvel, the location of the Green Hornet's apartment and filming locations for five silent serials. The in-depth storytelling is enhanced by photos of serial memorabilia, postcards, serial descriptions, accurate instructions to locations, notes and more.
