The Bhagavad Gita (International Student Edition) (Norton Critical Editions) Oct 26 2021 “A true translation whose literary qualities make it stand out from the rest.” –Daniel Gold, Cornell University “Here’s a chance to rediscover The Bhagavad Gita in a translation that blends true scholarship with artistry.” –Library Journal The Bhagavad Gita, the “Song of the Lord,” is an ancient Hindu scripture about virtue presented as a dialogue between Krishna, an incarnation of God, and the warrior Arjuna on the eve of a great battle over succession to the throne. This new verse translation of the classic Sanskrit text combines the skills of leading Hinduist Gavin Flood with the stylistic verve of award-winning poet and translator Charles Martin. The result is a living text that remains true to the extraordinarily influential original. A devotional, literary, and philosophical work of unsurpassed beauty and relevance, The Bhagavad Gita has inspired, among others, Mahatma Gandhi, J. Robert Oppenheimer, T. S. Eliot, Christopher Isherwood, and Aldous Huxley. Its universal themes—life and death, war and peace, and sacrifice—resonate in a West increasingly interested in Eastern religious experiences and the Hindu diaspora. The text is accompanied by a full introduction and by explanatory annotations. The volume presents seminal analogues and commentaries on The Bhagavad Gita, including central passages from The Shvetashvatara Upanishad as well as commentary spanning eleven centuries by Shankara and Ramanuja (in new translations by Gavin Flood) in addition to the writings of Bal Gangadhar Tilak and Sri Aurobindo. Five essays by leading Hinduists discuss a wide range of issues related to The Bhagavad Gita from its roots as a religious text to its influence on the practices of yoga and transcendentalism through its ongoing global impact. Contributors include John L. Brockington, Arvind Sharma, Rudolf Otto, Eric J. Sharpe, and C. A. Bayly. A selected bibliography is included.

The Bhagavad Gita for Daily Living, Volume 3 Aug 04 2022 A comprehensive manual for living a spiritual life, based on a verse-by-verse commentary on India’s timeless scripture – from the author of its best-selling translation. This ebook includes all three volumes in this series. The Bhagavad Gita is set on the battlefield of an apocalyptic war between good and evil. Faced with a dire moral dilemma, the warrior prince Arjuna turns in anguish to his spiritual guide, Sri Krishna, for answers to the fundamental questions of life. Easwaran points out that Arjuna’s crisis is acutely modern. The Gita’s battlefield is the struggle for self-mastery that every human being must wage. Arjuna represents each of us, and Sri Krishna is the Lord, instructing us in eighteen chapters of lofty wisdom as we face the social, environmental, and global challenges that threaten our world today. Easwaran is a spiritual teacher and author of deep insight and warmth. His verse-by-verse commentary interprets the Gita’s teachings for modern readers, explaining the Sanskrit concepts and philosophy and applying them with practicality, wisdom, and humor to every aspect of our work, our relationships, and our lives. With everyday anecdotes, stories, and examples, he shows that the changes we long to see in the world start with the transformation of our own consciousness. The practical exercises recommended by Easwaran to achieve transformation are part of a spiritual program he developed for his own life. They are accessible to people from all backgrounds and cultures. Urging us to adopt a higher image of the human being, he assures us that peace and unity are within reach. Each volume of this series covers six chapters of the Gita. Each may be read on its own, but all three volumes together form an in-depth, verse-by-verse explanation of this ancient scripture and its relevance today. Included are instructions in Easwaran’s universal eight-point program of passage meditation. Volume 1: The first six chapters of the Gita explore the concept of the innermost Self and source of wisdom in each of us. Easwaran explains how we can begin to transform ourselves, even as householders engaged in busy lives. Volume 2: The next six chapters of the Gita go beyond the individual Self to explore the Supreme Reality underlying all creation. Easwaran builds a bridge across the seeming divide between scientific knowledge and spiritual wisdom, and explains how the concept of the unity of life can help us in all our relationships. Volume 3: The final six chapters put forth an urgent appeal for us to begin to see that all of us are one – to make the connection between the Self within and the Reality underlying all creation. Global in scope, the emphasis is on what we can do to make a difference to heal our environment and establish peace in the world. Easwaran’s commentary is for all students of the Gita, whatever their background, and for anyone who is trying to find a path to wisdom, love, and kindness in themselves and our troubled world. Written as an authoritative, accessible guide to a much-loved scripture,

it is a handbook for finding peace and clarity within. This second edition incorporates revisions made across all three volumes following the author's final instructions.

The Bhagavad Gita Mar 19 2021 "One of the best-loved scriptures in the world, the Bhagavad Gita has been translated by many scholars and poets over thousands of years. This new version, rendered in modern English prose by Swami Kriyananda, is based on the interpretations of his Guru, Paramhansa Yogananda, author of *Autobiography of a Yogi*." "The Gita is the heroic story of the battlefield counsel given by Krishna to Arjuna just prior to the start of a great war. Responding to Arjuna's moral dilemma over fighting against his beloved friends, family, and teachers, Krishna advises Arjuna on his duties as a warrior. Yogananda's insights reveal that The Gita is in fact a spiritual allegory, and that each character in the story symbolizes psychological traits and aspects of our own consciousness. As Arjuna looks upon the warriors on the battlefield, he is really facing his own inner battle between the forces of delusion and the forces of Spirit within. Krishna's advice to Arjuna on how to win the battle - using yogic tools of devotion, selfless service, and spiritual discrimination - gives each of us the guidance we need to move forward in dharma (right-action) in every material or spiritual test that life may bring."--BOOK JACKET.

Philosophy of the Bhagavad Gita Dec 28 2021 *Philosophy of The Bhagavad Gita: A Contemporary Introduction* presents a complete philosophical guide and new translation of the most celebrated text of Hinduism. While usually treated as mystical and religious poetry, this new translation focuses on the philosophy underpinning the story of a battle between two sets of cousins of the Aryan clan. Designed for use in the classroom, this lively and readable translation: - Situates the text in its philosophical and cultural contexts - Features summaries and chapter analyses and questions at the opening and end of each of the eighteen chapters encouraging further study - Highlights points of comparison and overlap between Indian and Western philosophical concepts and themes such as just war, care ethics, integrity and authenticity - Includes a glossary allowing the reader to determine the meaning of central concepts Written with clarity and without presupposing any prior knowledge of Hinduism, *Philosophy of the Bhagavad Gita: A Contemporary Introduction* reveals the importance and value of reading the Gita philosophically.

Managing by the Bhagavad Gita? Apr 19 2021 Drawing upon the timeless wisdom of the Bhagavad Gita, a philosophical-spiritual world classic, this professional book highlights the spiritual and moral dimensions of management using an inside-out leadership development approach. It interprets the Bhagavad Gita's teachings on the personality types and psychological makeup of managers and employees; self-knowledge and self-mastery; and the leadership concepts of vision, motivation, and empowerment. This book covers topics such as training of the mind, ethical leadership, communication, stress management, and corporate social responsibility (CSR). Collectively, the enclosed contributions provide managers with an enhanced outlook on management functions such as leading, planning, organizing, and controlling in today's organizations, particularly those run by knowledge workers. Management research in the 20th century has mainly focused on the industrial paradigm characterized by a hierarchical structure of authority and responsibility with an individualistic focus on the personality of the manager. However, this traditional paradigm cannot solve many of the problems that confront leaders and managers today. Recent studies have shown that values traditionally associated with spirituality—such as integrity, honesty, trust, kindness, caring, fairness, and humility—have a demonstrable effect on managerial effectiveness and success. Although traditionally interpreted as a religious-spiritual text, the Bhagavad Gita teaches these values which can be extrapolated and applied to practical management lessons in today's corporate boardrooms. Applying the text of the Bhagavad Gita to the context of management, this book views the manager as an "enlightened sage" who operates from a higher stance, guided by self-knowledge and self-mastery. It demonstrates how character is the key ingredient for effective management and leadership. This book is therefore applicable to all managers, from first-line to CEOs, in their management and leadership roles in organizations.

Exploring the Bhagavad Gita? Jan 17 2021 This is potentially one of the most significant books to emerge in recent times on how to read the Gita, for it provides a clear way forward to make coherent sense of one of the most important yet methodologically intractable texts of religious Hinduism. I found this book an illuminating experience.—Julius Lipner FBA, Professor of Hinduism and the Comparative Study of Religion and Fellow of Clare Hall, University of Cambridge, UK A fascinating book which throws new light on the Gita, and should help to make it more accessible to those who wish to read this great spiritual classic.—Keith Ward FBA, Regius Professor of Divinity Emeritus and Fellow of Christ Church College, University of Oxford, UK Ithamar Theodor approaches the ancient Bhagavad Gita with a modern mind and finds much in it that deserves our attention. Locating his study within Comparative Theology and identifying the various layers of meaning in the text will help those unacquainted with it to find their way through this complex classic. Combining the philosophical-theoretical with the ethical-practical the author shows the universal relevance of the Gita's teaching. Since Sarvepalli Radhakrishnan nobody has offered as penetrating a study of this classic as Ithamar Theodor has done.—Klaus Klostermaier FRSC, Distinguished Professor of Hinduism and Religious Studies Emeritus, University of Manitoba, Canada The Bhagavad Gita is a unique literary creation but deciphering its meaning and philosophy is not easy or simple. This careful study of the Bhagavad Gita approaches the ancient text with a modern mind and offers a unifying structure which is of a universal relevance. Combining the philosophical-theoretical with the ethical-practical, Ithamar Theodor locates his study within comparative theology and identifies the various layers of meaning. The full text of the Bhagavad Gita is presented in new translation, divided into sections, and accompanied by in-depth commentary. This book makes the Bhagavad Gita accessible to a wide variety of readers, helping to make sense of this great spiritual classic which is one of the most important texts of religious Hinduism.

The Bhagavad-gita? Dec 04 2019 The most widely read and probably the most important of the Hindu Sacred Books for the understanding of religious mysticism.

The Living Gita Jul 31 2019 Today we see humanity divided and threatened with nuclear war and mutual destruction, but The Gita teaches us that it is only when we rise above human schemes and calculations and awake to the presence of the indwelling Spirit that we can hope to find the answer to our need. Original.

River of Compassion Feb 04 2020 Written for those who want to use the Gita as a practical spiritual guide—but who have no knowledge of the background to these texts—*River of Compassion* provides a line-by-line reflection on this key Hindu text and is certain to become a classic of contemporary spirituality.

Krishna's Song May 21 2021 Rosen offers Westerners an easy-to-read introduction to a sacred text, demystifying its considerable philosophy in a user-friendly way. This is not yet another translation, merely reiterating what the Gita itself has to say. It is rather an attempt to culturally translate the text, making use of concepts and categories to which Western readers are accustomed.

By engaging familiar motifs--such as issues of modernity, pop-culture icons, and well-known philosophers in the West--the author brings the Gita into focus for non-specialists and scholars alike. Through a series of contemporary news references and insightful summaries, readers will finally understand the facts and personalities that make up the Bhagavad Gita. Using his many years of Gita-centered research, Rosen unlocks the mysteries of the text's spiritual underpinnings. He provides an overview of the Gita's narrative and teachings alongside documentation of its traditional application and more modern ways in which the text can be understood. Students and scholars alike will rejoice in how well this book lays bare the culture and the context of the Gita, resulting in a reader's deep familiarity with this most sacred of all the world's wisdom texts.

The Bhagavad Gita as a Living Experience Jun 29 2019 In both East and West, the Bhagavad Gita the "Song of the Lord" is considered the most important work of ancient Sanskrit literature. Part of the great epic poem the Mahabharata, the Bhagavad Gita tells the story of Arjuna, a great warrior and prince, who on the eve of battle experiences doubt and fear at the fighting to come. His charioteer, however, is none other than Lord Krishna, who not only strengthens his heart for battle, but explains to him the many paths of yoga, before revealing himself in all his glory as God incarnate. The Gita has been translated into numerous languages, and many commentaries have been written, especially in India. In an accessible manner, Wilfried Huchzermeyer and Jutta Zimmermann introduce the timeless wisdom of the Bhagavad Gita, and show how it provides essential insights into the world of yoga."

The Bhagavad Gita Sep 24 2021 The life and times of India's most famous spiritual and literary masterpiece The Bhagavad Gita, perhaps the most famous of all Indian scriptures, is universally regarded as one of the world's spiritual and literary masterpieces. Richard Davis tells the story of this venerable and enduring book, from its origins in ancient India to its reception today as a spiritual classic that has been translated into more than seventy-five languages. The Gita opens on the eve of a mighty battle, when the warrior Arjuna is overwhelmed by despair and refuses to fight. He turns to his charioteer, Krishna, who counsels him on why he must. In the dialogue that follows, Arjuna comes to realize that the true battle is for his own soul. Davis highlights the place of this legendary dialogue in classical Indian culture, and then examines how it has lived on in diverse settings and contexts. He looks at the medieval devotional traditions surrounding the divine character of Krishna and traces how the Gita traveled from India to the West, where it found admirers in such figures as Ralph Waldo Emerson, Henry David Thoreau, J. Robert Oppenheimer, and Aldous Huxley. Davis explores how Indian nationalists like Mahatma Gandhi and Swami Vivekananda used the Gita in their fight against colonial rule, and how contemporary interpreters reanimate and perform this classical work for audiences today. An essential biography of a timeless masterpiece, this book is an ideal introduction to the Gita and its insights into the struggle for self-mastery that we all must wage.

The Bhagavad Gita Nov 02 2019 The Bhagavad Gita, the greatest devotional book of Hinduism, has long been recognized as one of the world's spiritual classics and a guide to all on the path of Truth. It is sometimes known as the Song of the Lord or the Gospel of the Lord Shri Krishna. According to Western scholarship, it was composed later than the Vedas and the Upanishads - probably between the fifth and second centuries before Christ. It is a fragment, part of the sixth book of the epic poem The Mahabharata. The Mahabharata tells of the Pandavas, Prince Arjuna and his four brothers, growing up in north India at the court of their uncle, the blind King Dhritarashtra, after the death of their father, the previous ruler. There is always great rivalry between the Pandavas or sons of Pandu and the Kauravas, the one hundred sons of Dhritarashtra. Eventually the old king gives his nephews some land of their own but his eldest son, Duryodhana, defeats Yudhishthira, the eldest Pandava, by cheating at dice, and forces him and his brothers to surrender their land and go into exile for thirteen years. On their return, the old king is unable to persuade his son Duryodhana to restore their heritage and, in spite of efforts at reconciliation by Sanjaya, Dhritarashtra's charioteer; by Bheeshma, his wise counsellor; and even by the Lord Krishna himself, war cannot be averted. The rival hosts face each other on the field of Kurukshetra. It is at this point that The Bhagavad Gita begins. When Prince Arjuna surveys the battlefield, he is overwhelmed with sorrow at the futility of war. The teachings of The Bhagavad Gita are spoken by the divine Lord Krishna, who is acting as the prince's charioteer. They are overheard by Sanjaya and reported back to King Dhritarashtra. When Krishna has finished speaking to Arjuna, the two armies engage. The battle lasts eighteen days and by the end of it nearly all of the warriors on both sides are dead save Krishna and the five sons of Pandu. Specialty of This Book: Unlike most translations, Shri Purohit Swami's translates every word into English and avoids the use of Sanskrit concepts that may be unfamiliar to English-speakers, for example translating the word 'yoga' as 'spirituality'. He also avoids mentioning the Caste system; where the original Gita mentions the different castes he interprets this as different occupations within society. He represents a very important but largely unremembered link between the generation of Swami Vivekananda and the Post World War II society in which eastern thought has become an accepted element of spiritual life

Amazing Secrets of the Bhagavad Gita Feb 27 2022

Maharish Mahesh Yogi on the Bhagavad-Gita Jan 29 2022 A translation and commentary of the central Hindu religious classic - The Bhagavad Gita

From Mind to Super-mind Oct 14 2020 The message of the Gita has an important and a practical bearing on the problems of the modern age. It shows a way out of the complexities of the mind to complete and unfettered freedom of the Super-Mind. This path is not meant only for the few, it can be trodden by all who seek freedom from life's entanglements. In an age where the individual is becoming more and more insignificant due to the impacts of political, economic and social forces, the Gita brings to man a message of hope and cheer, for it shows a way of life which leads to the regaining of his lost significance, and the spiritual regeneration of man is indeed the way to the creation of a happy society.

The Yoga of the Bhagavad Gita Feb 15 2021 Paramahansa Yogananda presents an illuminating explanation of Lord Krishna's sublime Yoga message that he preached to the world - the way of right activity and meditation for divine communion.

The Bhagavad Gita Jun 09 2020

The Bhagavad Gita Nov 07 2022 In the Bhagavad Gita, Prince Arjuna asks direct, uncompromising questions of his spiritual guide on the eve of a great battle. In this expanded edition of the most famous —and popular — of Indian scriptures, Eknath Easwaran contextualizes the book culturally and historically and explains the key concepts of Hindu religious thought and the technical

vocabulary of yoga. Chapter introductions, notes, and a glossary help readers understand the book's message. Most importantly, this translation uses simple, clear language to impart the poetry, universality, and timelessness of the Gita's teachings.

The Bhagavad Gita Jun 21 2021 It is estimated that the origins of the "Bhagavad-gita," a 700 verse Hindu scripture which is part of the larger "Mahabharata" was originally composed as early as the 9th century BC. Ascribed to the Sage Vyasa, the "Bhagavad-gita" is a classic work of Hindu scripture which relates the story of Prince Arjuna who is faced with a decision with serious moral consequence, whether or not to go to war. With the armies arrayed on the battlefield, Arjuna in a moment of hesitation is counseled by Vishnu, the Supreme God, who takes the form of Krishna wearing the disguise of a charioteer. This work along with its larger counterpart the "Mahabharata" has been described as one of the most important works of scripture ever composed. A classic tale of Hindu spirituality, the "Bhagavad-gita" provides great insight into dealing with the morally ambiguous challenges that face us all. This edition is printed on premium acid-free paper has been translated into English prose with an introduction by Kashinath Trimbak Telang.

The Bhagavad Gita According to Gandhi Jul 03 2022 The Bhagavad Gita, also called The Song of the Lord, is a 700-line section of a much longer Sanskrit war epic, the Mahabharata, about the legendary conflict between two branches of an Indian ruling family. Framed as a conversation between Krishna, an incarnation of the god Vishnu, and a general of one of the armies, the Gita is written in powerful poetic language meant to be chanted. Equally treasured as a guide to action, a devotional scripture, a philosophical text, and inspirational reading, it remains one of the world's most influential, widely read spiritual books. The Bhagavad Gita According to Gandhi is based on talks given by Gandhi between February and November 1926 at the Satyagraha Ashram in Ahmedabad, India. During this time—a period when Gandhi had withdrawn from mass political activity—he devoted much of his time and energy to translating the Gita from Sanskrit into his native Gujarati. As a result, he met with his followers almost daily, after morning prayer sessions, to discuss the Gita's contents and meaning as it unfolded before him. This book is the transcription of those daily sessions.

The Bhagavad-Gita Mar 31 2022 The Bhagavad-Gita, the "Song of God," is not only one of the most revered texts of Hinduism, but of world literature and spirituality in general. Its 700 verses make up a small part of the great Sanskrit epic Mahabharata, of which it can be said to be the heart. It consists of a dialogue between the warrior Arjuna and Krishna, avatar (incarnation) of the god Vishnu, about action and nonaction, knowledge and love. The Gita is revered as a concise expression of Hindu philosophy, as a work of profound poetry, and as a guide to enlightened living. It is one of the most often translated of spiritual texts, and, as is the case with other texts of its stature, new translations tend to enhance rather than exhaust our understanding of it, revealing new facets of its wisdom with each iteration. This fresh translation stands out from the many others first of all in its careful faithfulness to the original language, but also for the extensive tools for understanding it provides. It is accompanied by detailed explanatory notes, as well as by the entire Sanskrit text on facing pages--both in the original Devanagari alphabet and in a romanized version that allows the reader to approximate the sounds of this work that began with oral recitation (a pronunciation guide is also provided). Also included is a literal, word-for-word translation for comparison; extensive material on the background, symbolism, and influence of the Gita; and an exhaustive glossary of terms. It's like a course on the Bhagavad-Gita in a book.

The Bhagavad Gita for Daily Living, Volume 2 Oct 06 2022 A comprehensive manual for living a spiritual life, based on a verse-by-verse commentary on India's timeless scripture – from the author of its best-selling translation. This ebook includes all three volumes in this series. The Bhagavad Gita is set on the battlefield of an apocalyptic war between good and evil. Faced with a dire moral dilemma, the warrior prince Arjuna turns in anguish to his spiritual guide, Sri Krishna, for answers to the fundamental questions of life. Easwaran points out that Arjuna's crisis is acutely modern. The Gita's battlefield is the struggle for self-mastery that every human being must wage. Arjuna represents each of us, and Sri Krishna is the Lord, instructing us in eighteen chapters of lofty wisdom as we face the social, environmental, and global challenges that threaten our world today. Easwaran is a spiritual teacher and author of deep insight and warmth. His verse-by-verse commentary interprets the Gita's teachings for modern readers, explaining the Sanskrit concepts and philosophy and applying them with practicality, wisdom, and humor to every aspect of our work, our relationships, and our lives. With everyday anecdotes, stories, and examples, he shows that the changes we long to see in the world start with the transformation of our own consciousness. The practical exercises recommended by Easwaran to achieve transformation are part of a spiritual program he developed for his own life. They are accessible to people from all backgrounds and cultures. Urging us to adopt a higher image of the human being, he assures us that peace and unity are within reach. Each volume of this series covers six chapters of the Gita. Each may be read on its own, but all three volumes together form an in-depth, verse-by-verse explanation of this ancient scripture and its relevance today. Included are instructions in Easwaran's universal eight-point program of passage meditation. Volume 1: The first six chapters of the Gita explore the concept of the innermost Self and source of wisdom in each of us. Easwaran explains how we can begin to transform ourselves, even as householders engaged in busy lives. Volume 2: The next six chapters of the Gita go beyond the individual Self to explore the Supreme Reality underlying all creation. Easwaran builds a bridge across the seeming divide between scientific knowledge and spiritual wisdom, and explains how the concept of the unity of life can help us in all our relationships. Volume 3: The final six chapters put forth an urgent appeal for us to begin to see that all of us are one – to make the connection between the Self within and the Reality underlying all creation. Global in scope, the emphasis is on what we can do to make a difference to heal our environment and establish peace in the world. Easwaran's commentary is for all students of the Gita, whatever their background, and for anyone who is trying to find a path to wisdom, love, and kindness in themselves and our troubled world. Written as an authoritative, accessible guide to a much-loved scripture, it is a handbook for finding peace and clarity within. This second edition incorporates revisions made across all three volumes following the author's final instructions.

Timeless Leadership Mar 07 2020 The timeless leadership wisdom of the Bhagavad Gita explained Although it was written well over two thousand years ago, the Bhagavad Gita ("Song of God"), a revered Hindu religious text, contains an immense wealth of ageless wisdom that speaks directly to the needs of today's business leaders. Timeless Leadership takes this unlikely resource and teases out important lessons on 18 aspects of leadership, from commercial vision to motivation, decision-making, and planning. Looking in detail at what the Gita has to say about these and other issues of interest to business professionals, Timeless Leadership focuses on one central point: that once the basic thought process of man is improved, the quality of his actions will improve as well, leading to

better results. Uses an ancient religious text to highlight and explain key Western management concepts Explores the leadership ideas in the Bhagavad Gita and helps managers and leaders apply them to modern business life Weaves together the threads of wisdom from the Gita to shed light on issues and challenges for leaders at all levels Covering teachings and ideas that have only got better with time, Timeless Leadership adapts the wisdom of millennia past for today's business leaders.

Essence of the Bhagavad Gita Jul 23 2021 In this companion to his best-selling translation of the Bhagavad Gita, Easwaran explores the essential themes of this much-loved Indian scripture. Placing the Gita in a modern context, Easwaran shows how this classic text sheds light on the nature of reality, the illusion of separateness, the search for identity, and the meaning of yoga. The key message of the Gita is how to resolve our conflicts and live in harmony with the deep unity of life, through the principles of yoga and the practice of meditation. Easwaran grew up in the Hindu tradition and learned Sanskrit from an early age. A foremost translator and interpreter of the Gita, he taught classes on it for forty years, while living out the principles of the Gita in the midst of a busy family and community life. In the Gita, Sri Krishna, the Lord, doesn't tell the warrior prince Arjuna what to do: he shows Arjuna his choices and then leaves it to Arjuna to decide. Easwaran, too, shows us clearly how these teachings still apply to us – and how, like Arjuna, we must take courage and act wisely if we want our world to thrive.

The Bhagavad Gita Jan 05 2020 This is a masterful translation of the Bhagavad Gita, along with the Sanskrit original. A faithful rendition of the 2000-year-old 'Song Celestial', Bibek Debroy's translation resonates with the spirit of the original, while using modern idiom and language. He captures, verse by verse, the essence of this ancient philosophical poem, which debates eternal questions of right and wrong, action and consequence, and the conflicting nature of duty and love. The text stands by itself, complete and without interpolation, juxtaposed with the Sanskrit for easy reference; interpretation and explanation are tucked away as notes at the end.

The Bhagavad Gita May 01 2022 A new translation of the great classic--with wide-ranging, multi-traditional commentary that emphasizes its practical advice for living with integrity. "All there is is Krishna." Upon hearing this famous and enigmatic line from the Gita's seventh chapter when he was a boy, Ravi Ravindra embarked on a journey to understand its deep meaning. The search led him far beyond the tradition from which the text originally arose to an exploration of world mystical wisdom, including Zen, Christianity, Yoga, and particularly the teachings of J. Krishnamurti and G. I. Gurdjieff. Dr. Ravindra's fresh prose translation with wide-ranging commentary, is the fruit of that lifelong process. It stands out from the many other versions with its assertion that the Bhagavad Gita is at heart a universal guide to navigating the battle of life required of each and every one of us. It is through that navigation, he shows, that we can discover and connect with the Krishna deep within ourselves: The Eternal Witness who is above the battle, and who is, ultimately and joyfully, all there is.

The Bhagavad Gita 101 Dec 16 2020 The Bhagavad Gita (or "Song of God") is one of the richest, most complete, and most important spiritual works ever composed. Its teachings have been a timeless source of inspiration, wisdom, and guidance for over a thousand years. The Gita (as it is affectionately known) is laid out as the story of a regular person, Arjuna, who has become despondent after coming to see life as a meaningless, pointless, and never-ending struggle. Arjuna is ready to quit. Sound familiar? Krishna (a mysterious friend and hero of the story) comes to Arjuna in his time of need and counsels him on the meaning of life as well as the path that leads to purpose and deliverance. What does Arjuna find at the end of his journey? Meaning. Tranquility. Enlightenment. Because the struggles Arjuna faced and suffered from are the same as those we face today, the teachings of the Gita are every bit as pertinent in our era as they were over a thousand years ago when it was first recorded. I designed my version of this enduring classic to be concise, modern, and accessible to all readers, even those with no prior knowledge of Hindu philosophy. "We behold what we are, and we are what we behold." -The Bhagavad Gita Scroll up and discover the majesty of the Gita for yourself!

Abhinavagupta's Commentary on the Bhagavad Gita Nov 26 2021 Abhinavagupta, probably the greatest genius of India in the fields of philosophy, aesthetics, poetics, dramaturgy, Tantra and mysticism, is being rediscovered only in the last few decades. Although several scholars, in India and abroad, are engaged in studying his works, it is surprising that there are still few translations available. The great merit of the present translation of Abhinavagupta's summary of the (real and secret) meaning of the Bhagavad Gītā is: First, it includes the text and translation of the Kashmiri version of the Bhagavad Gītā, which in places differs from the one commented upon by 'aṅkara. Besides, it brings out the specific meanings in the context of Kashmir Shaiva philosophy and yoga, without being influenced by Śēkhya or Vedānta.

The Bhagavad Gita Jun 02 2022 Original publication and copyright date: 2001.

The Bhagavad Gita for Daily Living, Volume 1 Sep 05 2022 A comprehensive manual for living a spiritual life, based on a verse-by-verse commentary on India's timeless scripture – from the author of its best-selling translation. This ebook includes all three volumes in this series. The Bhagavad Gita is set on the battlefield of an apocalyptic war between good and evil. Faced with a dire moral dilemma, the warrior prince Arjuna turns in anguish to his spiritual guide, Sri Krishna, for answers to the fundamental questions of life. Easwaran points out that Arjuna's crisis is acutely modern. The Gita's battlefield is the struggle for self-mastery that every human being must wage. Each volume of this series covers six chapters of the Gita. Each may be read on its own, but all three volumes together form an in-depth, verse-by-verse explanation of this ancient scripture and its relevance today. Included are instructions in Easwaran's universal eight-point program of passage meditation. Volume 1: The first six chapters of the Gita explore the concept of the innermost Self and source of wisdom in each of us. Easwaran explains how we can begin to transform ourselves, even as householders engaged in busy lives. Volume 2: The next six chapters of the Gita go beyond the individual Self to explore the Supreme Reality underlying all creation.

Easwaran builds a bridge across the seeming divide between scientific knowledge and spiritual wisdom, and explains how the concept of the unity of life can help us in all our relationships. Volume 3: The final six chapters put forth an urgent appeal for us to begin to see that all of us are one – to make the connection between the Self within and the Reality underlying all creation. Global in scope, the emphasis is on what we can do to make a difference to heal our environment and establish peace in the world. Easwaran's commentary is for all students of the Gita, whatever their background, and for anyone who is trying to find a path to wisdom, love, and kindness in themselves and our troubled world. Written as an authoritative, accessible guide to a much-loved scripture, it is a handbook for finding peace and clarity within. This second edition incorporates revisions made across all three volumes following the author's final instructions.

The Bhagavad Gita Aug 12 2020 *The Bhagavad Gita*, meaning the Song of the Lord, is in the form of a poetic dialogue between Arjuna and Krishna. It is part of the great Indian epic 'The Mahabharata', and is one of the major religious documents of the world. It reveals how human beings accumulate 'Karma' as a result of their actions in innumerable incarnations, and how to achieve liberation through devotion and knowledge. The dialogue, which takes place on the eve of an historic battle, probes the nature of God and what man should do to reach him. As 'The Bhagavad Gita' unfolds, this majestic poem provides a fascinating synopsis of the religious thought and experience of India through the ages. This book offers the classic English verse translation by Sir Edwin Arnold (1832-1904), long admired for its evocation of the true feeling of the original poetry.

Song Divine Nov 14 2020 From T.S. Eliot to Bede Griffiths, many a Christian thinker has found in the Bhagavad Gita a source of genuine spiritual insight and inspiration. As Christians continue to explore the text in a spirit of dialogue, new points of theological interest are discovered and new insights gained into the meaning and importance of the text for Christian thought and practice. In this collection of Christian commentaries on the Bhagavad Gita, Christian theologians and scholars of Hinduism offer a variety of different perspectives on the text using a diversity of commentarial approaches and styles, from close textual analysis and exegetical comparison to a more general theological reflection on the text, from comparison of the Gita with a particular Christian classic to a focus on specific religious categories such as detachment, incarnation and eschatology. While some contributions focus mainly on the similarities between Christian thought and the Gita, others also engage differences in a mutually critical and constructive way. Each of these commentaries thus offers a distinctive lens through which Christians may read the Bhagavad Gita, and points to the endless possibility and promise of inter-religious hermeneutics, or the religious reading of a sacred text from another religious tradition.

The Bhagavad Gita Jul 11 2020 *The Bhagavad Gita*, a wisdom classic from India, was written down 3,000 years ago from an even older oral tradition. It has been translated from the original Sanskrit into over 75 languages worldwide, and into English in more than 300 editions. Ranchor Prime, an author of several books on Indian philosophy and culture, has translated this edition into English as one of the most accessible versions for the general public, especially those interested in the deeper meaning of the Yoga tradition as a time-tested self help guide. The Bhagavad Gita is one of a small number of revered wisdom texts that transcend their faith traditions, such as the Bible, the Qur'an and the Dao De Ching. Einstein, Emerson, Thoreau, Jung, and others have celebrated the Bhagavad Gita as a book of profound teachings that apply to the human problems of our contemporary world as much as they did at the Gita's inception over 3,000 years ago. The Bhagavad Gita (along with the Yoga Sutras) is also one of the two primary books that delineate the original Yoga teachings of India. It is used by many yoga teachers in their training programs worldwide. Ranchor Prime, an English (UK) author, broadcaster, and ecological activist, initially wrote this edition for his children, but it is far from a childish book. Rather, he has created a version of this classic that is accessible to an adult Western audience in a way that few of the hundreds of editions translated from the original Sanskrit have been. At its heart, the Gita deals with the mysteries of life: the nature of the Self, the Universe/Higher Power, and the World. Spoken on a battlefield, it is a conversation between the soul and an Avatar, a Divine Being. Ranchor Prime's version is distinguished by his nonsectarian approach, making the Gita relevant to those of all religions or none and emphasizing the link between spirituality and self-development. The section-by-section commentary opens the text to the spiritual seeker. Prime never loses sight of the audience for his book, and of the fact that he wants his readers to understand the Gita in a personal way. Anyone who has ever asked, "What is the purpose of life?", "Who am I?", or "How do I find peace of mind?" will find something of value in this book. Here is an invitation to discover the essential wisdom of yoga for today's world.

The Bhagavad Gita Aug 24 2021 This short course sets out a detailed study of the text, philosophy, and contemporary significance of the teachings found within the Bhagavad Gita. The Bhagavad Gita, which was spoken perhaps five thousand years ago and whose written form has been extant for over two thousand years, has continued to inspire new generations of seekers in the East and West for centuries. Gandhi in the East and Thoreau, Emerson, Einstein, and others in the West found within its pages deep wisdom, comfort, and contemporary applications to their lives and times. The Gita ranks with the Bible, Dhammapada, Dao De Jing, Qu'ran, and other significant sacred books as a universal source teaching that transcends sectarian religions. In addition, the Bhagavad Gita—along with the Yogasutras—is one of the two primary foundational books on the yoga path, aspects of which have become wildly popular in the West in recent decades. The Gita has been translated and commented on by great Eastern teachers, such as Shankara (eighth century) and Ramanuja (eleventh century), but also by an ever-increasing group of Western seekers and teachers up to the present day. This new translation and commentary on the Gita is the first in a series of books produced by the Oxford Centre of Hindu Studies (OCHS), a Recognised Independent Centre of the University of Oxford. The OCHS Gita is simultaneously authoritative, academically sound, and accessible for inquiring students and seekers. Each chapter has an English translation of the verses, explores main themes, and explains how the knowledge is relevant and applicable to our twenty-first-century world. To see available courses from the Oxford Centre for Hindu Studies, visit ochsonline.org.

The Bhagavad Gita Oct 02 2019 At last, an edition of the Bhagavad Gita that speaks with unprecedented fidelity and clarity, letting the profound beauty and depth of this classic shine through. It contains an unusually informative introduction, the Sanskrit text of the Bhandarkar Oriental Research Institute's critical edition, an accurate and accessible English translation, a comprehensive glossary of names and epithets and a thorough index.

Universal Message of the Bhagavad Gita May 09 2020 Among the several modern commentaries on the Gita, this one is unique in the sense it is both down to earth and fascinatingly erudite. In explaining every verse, the author, the 13th President of Ramakrishna Math and Ramakrishna Mission, relates its real connotation and significance to not only what Shankaracharya said in his

introduction to the Gita, or how Sri Ramakrishna and Swami Vivekananda interpreted it in terms of practical Vedanta, but also how it conforms to the thinking of some of the greatest Greek philosophers like Socrates, Plato, and Aristotle. The author also takes the readers on an enlightening voyage of discovery, where they meet Buddha, Mahavir, Tao, Christ and most of the thinkers in the West and he relates their thought by an ingenious interaction with the message of Sri Krishna. Even scientists like Einstein, famous neurologists like Charles Sherrington and poets like Wordsworth and Shelley and philosophers like Julian Huxley and Bertrand Russell are brought in by the author to give the readers an in-depth understanding of this great scripture. The author weaves every verse into the requirements of modern life and throws light on how man should lead his life while involved in his daily chores and fulfil his duties in accordance with the philosophy of action as taught by Sri Krishna. The book contains the Sanskrit slokas in Devanagari script, their English transliteration, simple meaning in English followed by explanation in English.

Perennial Psychology of the Bhagavad Gita Aug 31 2019 Swami Rama's translation and commentary on one of the world's most sacred and inspiring scriptures.

Bhagavad Gita Sep 12 2020 The Bhagavad Gita ("Song of the Lord") is considered the most influential of all the Hindu scriptures and is one of the greatest spiritual classics of the world.

Comprised of eighteen chapters taken from the great Sanskrit epic Mahabharata, the Gita presents a conversation that takes place on a battlefield just as two groups of relatives are about to wage war against one another. Facing the forces of greed, anger, and hatred, the warrior-prince Arjuna loses heart and refuses to fight his own kin. His friend and charioteer, Lord Krishna, who represents the Divine within, tells him: "Your very nature will drive you to fight." In the ensuing dialogue, Krishna teaches Arjuna, and all of us, how we can face bravely the unavoidable challenges and conflicts of life--and win the greatest of all battles, against the tumultuous emotions within our own hearts. Eknath Easwaran's eloquent translation and Diana Morrison's chapter introductions, which summarize major religious concepts, make this edition especially accessible for modern readers of any religion.

The Yoga Of Action (Karma Yoga) - A Commentary On The Bhagavad Gita Chapters 1-6 Apr 07 2020 Karma Yoga, the Yoga of Action, comprises the first of three major sections of the Bhagavad Gita. It is the most practical teaching of the Gita that emphasizes perfection in action as a means to live a fulfilled life, and also, to connect with the higher. The Bhagavad Gita contains the essence and analysis of the Vedas and the Upanishads - ancient Indian spiritual texts that are at the heart of Indian spiritual tradition. It presents us with a solution for completely eradicating sorrow from our lives. About The Author GK Marballi works in the technology industry and is presently based in New York City. He received his bachelors degree in commerce from the University of Mumbai, and his MBA from Harvard Business School.
