[The Small-Engine Handbook](#) Nov 09 2022 Peter Hunn. It's common for homeowners to have 2- or 4-cycle small engines in their lawn and garden equipment, utility vehicles, recreational vehicles, generators and other machines. With this easy-to-follow, richly illustrated handbook, homeowners will be able to understanding small engines, troubleshooting them and working on them. The book has a brief history of significant and popular small engines and a guide to setting up a home workshop in which to work on them. It also includes case studies on the disassembly, maintenance, repair and/or rebuilding of: a 2-stroke lawnmower engine, a 4-stroke utility motor, a 2-stroke chainsaw engine, and a curbside junker. The writing is lively and entertaining and the color photos clearly show how to work on these useful engines.

Historic Documents of 2012 Sep 26 2021 For more than 40 years the Historic Documents series has made primary source research easy by presenting excerpts from documents on the important events of each year for the United States and the world. Each volume includes approximately 70 events with well over 100 documents from the previous year, from official or other influential reports and surveys, to speeches from leaders and opinion makers, to court cases, legislation, testimony, and much more. Historic Documents is renowned for the well written and informative background, history, and context it provides for each document. Each volume begins with an insightful essay that sets the year's events in context, and each document or group of documents is preceded by a comprehensive introduction that provides background information on the event. Full-source citations are provided. Readers have easy access to material through a detailed, thematic table of contents and a cumulative five-year index that directs them to related material in earlier volumes. Topics and events covered in the 2012 volume include: U.S. presidential election Coup in Guinea-Bissau The CDC on obesity in

the U.S. French and Egyptian presidential elections Controversy over internet piracy bills in the U.S. The future of Medicare Presidential and congressional negotiations over the "fiscal cliff" Charles Taylor found guilty of war crimes Violence in Syria Same sex marriage in the courts and on the ballot Facebook goes public U.S. states reach foreclosure settlement with major banks The U.S. Supreme Court on health care and immigration
