Collector's Guide to Diecast Toys & Scale Models Sep 14 2020 This updated second edition now includes over 575 brands, as opposed to the only 170 brands presented in the first book. Once again this full-color guide will include popular contemporary brands such as Majorette, Tomica, Hot Wheels, Matchbox, Siku, Maisto, Bburago, Johnny Lightnings, and many others featured together in detail, showing the different models and thousands of variations. This extraordinary book is arranged alphabetically by brand name with hundreds of color photographs, manufacturers, model numbers, descriptions, scales, colors, distinguishing marks, and current market values. It provides a helpful bibliography and guide to resources for finding more diecast toys on the secondary market. 1998 values.

A Reptile on my Tractor Oct 08 2022 Following the publication of Tall But True Tractor Tales the author has unearthed 50 more stories related to tractors and farm machines (more tall but true tales) and those who work with them. Most of the individuals whose mishaps and misadventures with machinery appear in this book have agreed to allow the world to share and laugh at their misfortune. The author has responded to the challenge of illustrating these events with cartoons and photographs.

The Field Guide to Ford Tractors Dec 18 2020 This brightly illustrated, easy-to-use field guide puts a wealth of knowledge about Ford tractors at your fingertips. With brief histories, model runs, specification details, and much more, the entries identify a full range of tractors from Fordson in pre- and postwar U.S., England, and Ireland; Ford-Ferguson, and later Ford N Series; and, finally, Ford world tractors from the 1970s to today.

Tomorrow's Harvest Feb 06 2020 Discover modern farming as experienced by the business-minded, progressive family-orientated farm couples that use advanced technology, capital, and management tools to enhance their business. It is futuristic agriculture as it has evolved because of cheap food policies of the government and relentless pressure from the consumer for lower prices.

The Italian Multinationals (RLE International Business) Nov 28 2021 This book, based on extensive, original, detailed research presents a comprehensive overview of the Italian multinationals and their activities during the 1990s. It: surveys the size, geographical and sectoral distribution of Italian multinationals examines why they went international, how and what they gained discusses the strategic position of Italian multinationals in the world economy examines the effect of multinationals investment both inward and outward on the Italian economy provides detail on individual companies
