A Lighthouse Christmas Nov 26 2021 A heartwarming page-turner about the beauty of being at home with family, second chances, and the magic of Christmas, when anything is possible... A gorgeous festive treat for fans of Debbie Macomber, Pamela Kelley, and Sheila Roberts. When her beloved grandmother passes away, Mia Broadhurst returns to the snow-covered seaside village of Winsted Cape, where Grandma Ruth ran the lighthouse overlooking the golden beach. This will be Mia's first Christmas without her, and she can't bear to part with the lighthouse that has been in their family for generations. As she steps into it, childhood memories rush back to her. She can almost hear them playing tag on the steps... But her life is back in New York, dedicated to a busy PR firm, and she has no choice but to sell. With the snow falling, turning the grounds into a winter wonderland, Mia works with real estate agent Will Thacker. As they restore the historical building, she tries not to notice how handsome he is. After all, she's only home for Christmas... And Will's deep blue eyes, as stormy as the Atlantic Ocean, tells her he has his own heartbreak to contend with. Warmed by a crackling fire, Mia packs up Grandma Ruth's belongings with the help of her mother and sister. But waiting for them is a black-and-white photograph with a faded inscription. The mysterious message is the key to a family secret that has been hidden for decades—one that changes everything. When Mia finds out the truth, will it save the precious lighthouse and show Mia where her heart belongs? Or will it tear her from Winsted Cape—and Will—for ever? Secret Santa Jun 21 2021 A self-confessed Christmas queen, Sue Montaigne prides herself on organising the annual nativity pageant in her small Cornish village of Poldore. But this year, what with having to deal with the repairs on Castle House after it was wrecked by a terrible storm, training a new – and frankly flighty – Virgin Mary and managing a Joseph who is allergic to sheep, she is distinctly lacking a little bit of 'me time'. Marian Keyes Six months ago, city girl Sophie Mills gave up everything to move to Cornwall. All to be with the man she thinks she loves, and his two daughters who she knows she loves. But adjusting to life as a semi-permanent mother in the countryside isn't quite as easy as Sophie imagined it would be. Designer shoes aren't nearly so readily available - not that she ever has any occasion to wear them - and her best pair of vintage Manolo's have already found their way into the girls' dressing-up box. Sometimes Sophie doesn't recognise herself; which most of the time makes her happy but every now and then scares her to death. The hardest thing of all is making that final commitment to actually move in with Louis and the girls - she's been the longest paying guest of the Avalon B&B, St Ives in the history of the establishment. And as she tries to adapt to country life, her newly adopted family and discovering more about Louis's past, she begins to wonder if she's got what it takes to make it all work...

Eine ebenso zynische wie umwerfende Antiheldin, die scharf beobachtet und noch schärfer urteilt. Und manchmal mordet. Doch egal, was sie anstellt, unsere Sympathie ist ihr sicher.
