*Gold Standard* Dec 07 2020 The cofounder of True Religion Brand Jeans, Kym Gold uses her story to serve up a firm dose of life and career lessons that helped her build a multimillion-dollar fashion brand from the ground up. Kym Gold's mantra, "never settle for a no; always look for a yes," is what led her to co-create True Religion Brand Jeans, a major retail clothing company that sold for close to a billion dollars in 2013. In Gold Standard, Kym finally gives her side of the story of how the once fledgling jeans company that nobody wanted, went on to become a giant revolutionizing player in the fashion industry. As a woman in the boys' club world of the fickle fashion business, Kym armed herself and became one of True Religion's majority shareholders and their lead female clothing designer. On Valentine's Day in 2007, she was served divorce papers by her then husband and had her company ripped from under her—all within an hour. Since then, she has reestablished her place in the industry and catapulted herself into the coveted 1 percent of the richest Americans. In Gold Standard, Kym's savvy business and fashion branding experience of thirty years gives a behind-the-scenes look into the always changing fashion industry. It also mixes in her compelling personal journey, including her marriage to Mark Burnett before he became TV's biggest mega producer, a compassionate view for women of the pressures of balancing a career, finances, and family. Kym motivates readers to throw the gold gloves on and put up a fight. *Together Forever* Oct 29 2022 Interviews with married gay and lesbian couples focus on the issues of commitment, sex, money, family, children, crisis, and being "out" in the world

**Handbook of Interpersonal Commitment and Relationship Stability** Jun 25 2022 A fundamental assumption underlying the formation of our most important relationships is that they will persist indefinitely into the future. As an acquaintanceship turns into a friend ship, for example, both members of this newly formed interpersonal bond are likely to expect that their interactions will become increasingly frequent, diverse, and intimate over time. This expectation is perhaps most apparent in romantically involved couples who, through a variety of verbal and symbolic means, make explicit pledges to a long-lasting relationship. In either case, it is clear that these relationships represent something valuable to the individuals in volved and are pursued with great enthusiasm. Virtually all close relationships are formed within the context of mutually rewarding in teractions and/or strong physical attraction between partners. Friends and romantically in volved couples alike are drawn to one another because of similarity of attitudes, interests, and personality and, quite simply, because they enjoy one another's company. This enjoyment, cou pled with the novelty that characterizes new relationships, almost makes the continuation of the relationship a foregone conclusion. As relationships progress, however, their novelty fades, conflicts may arise between partners, negative life events may occur, and the satisfaction that previously characterized the relationships may diminish.

The Intimacy Struggle Sep 16 2021 The struggle for intimacy is a complex issue, key to the happiness of every man and woman. It goes on for all of us as long as we live. To be intimate is to be close, to be vulnerable, qualities that are very different from the survival skills we learned. This book will help clarify the issues for you. You can learn to: Identify family myths to make you wonder whether having a healthy, intimate relationship is possible. Know the questions to ask to find out whether you and your partner have a long-term future together. Be aware of misunderstandings that can sabotage your relationship. Express your feelings and fears so as to avoid misunderstandings. Find our what to do when your relationship is not working. Create good relationships. Acquiring intimacy skills can be difficult, but through understanding and effort, they can be learned. This insightful book is a good place to begin.

Addicted to love Jun 13 2021 In Addicted to Love, Jan Geurtz clearly demonstrates how our search for love and approval stems from a fundamental self-rejection. We try to compensate for this by seeking other people's appreciation. But this is counterproductive: it actually makes us more insecure and therefore increasingly dependent. This creates an addiction to love, approval and the security of a relationship. As a result, most romantic relationships eventually fail, or – perhaps even worse – are reduced to dreary co-existence with little room for growth and happiness. With humour and practical examples, Jan Geurtz shows a way out of this vicious circle. Once we have let go of self-rejection, we find that our painful emotions, and also our sexual desires, are the gateway to a state of being that is completely free of restriction and dependence, and is filled with love and clarity – with or without a relationship. Jan Geurtz has written several books on addictions, including the bestseller Quit Smoking in One Day. He studied remedial pedagogy, education sciences and philosophy of science, and is inspired by Buddhism.

**ICOMM: Interpersonal Concepts and Competencies** Apr 23 2022 ICOMM: Interpersonal Concepts and Competencies, provides an integrated approach to the study of interpersonal communication. This accessibly written but authoritative text emphasizes the development of communication competencies, including skills, understanding of the theory and research that contextualizes the skills to make them relevant to learning, and the motivation to put the skills into practice. While incorporating many traditional intrapersonal and interpersonal topics found in current texts, the book is distinctive in that it offers a skills-based approach that is grounded in solid theory and research. Students will find that the text is written in a personal and friendly manner, stressing concepts, skills, and applications that should be an important part of their daily lives.

For the Love of Women Nov 25 2019 This extraordinary book opens up the strange world of the 'parea' - a lesbian secret society based in a small-town bar outside Athens, whose members meet clandestinely to drink, dance and flirt. Though conducting intense sexual affairs under the noses of other customers, the parea's members - many of whom are married with children and have perfectly conventional lives by Greek standards - do not identify themselves as gay and have very negative images of homosexuality. Based entirely on fieldwork within the parea, For The Love of Women weaves stories of women's lives and relationships into an intriguing and perceptive analysis

**Communication in Family Contexts** Mar 10 2021 An innovative, student-friendly textbook covering the major elements of the field of Family Communication Family Communication, a rapidly growing sub-discipline within Communication Studies, explores the processes and factors involved in family interactions and relationships. Communication in Family Contexts is a clear and accessible survey of the essential principles, theories, and concepts of the field. Unlike textbooks that present a vast amount of material across only a few chapters—this innovative textbook features brief, easily-understood chapters ideally-suited for undergraduate courses on the subject. The text provides concise yet comprehensive coverage of a diverse range of topics, from fundamental aspects of caretaking and sibling communication, to topics not covered in other textbooks such as estrangement and marginalization. 33 chapters cover theories of family communication, family communication processes, and communicating in family relationships. The authors, noted researchers and educators in the field, complement discussions of standard topics with those of growing contemporary interest, such as LGBTQ family communication, step-family and half-sibling relationships, and the influence of technology on family. This textbook: Provides a well-rounded examination of the major elements of Family Communication studies Explains the foundational theories of the field, including Family Communication Patterns Theory and Relational Dialectics Theory Features numerous practical application exercises to enable students apply theory to practice Includes a complete set pedagogical features, such as case studies, visualizations and models of theories, illustrations, and discussion questions Offers a flexible organizational structure that allows instructors to pick and choose chapters to meet the needs of their courses Communication in Family Contexts: Theories and Processes is an important resource for instructors and students in the field of family communication, the wider discipline of Communication Studies, and related areas such as social psychology and sociology.

The Three Brains Of Mr. Right Jul 22 2019

**Together Forever** Aug 27 2022 A complete guide to divorce-proofing marriage.

**Relationships For Dummies** May 12 2021 "Follow the advice of the top romance specialist, and you can't go wrong." —Woman's World "She's interviewed with Oprah and Phil Donahue, Time, the New York Times, USA Today, the Washington Post, Redbook and Cosmopolitan. *You Can Never Satisfy a Woman* Feb 09 2021 You Can Never Satisfy A Woman is about many things in a woman's life that happens. The story is about a woman the way she thinks, speaks and do things. These experiences, thoughts and research I have learned growing up to adulthood about woman or women. A woman mind can change anytime, so you have to be ready.

*Love Signs and You* Mar 30 2020 An analysis of the astrology of romance features elaborate illustrations and coverage of such areas as the celestial and historical influences on sex appeal, how to find an ideal astrological match, the planetary profiles for more than ninety famous couples, and the astrological influences that were at play for each of the sun signs during the past century.

**The Secret Psychology of How We Fall in Love** Oct 25 2019 A scientifically proven 9-step program for understanding the dating brain and finding the love of your life Psychiatrist Paul Dibransky presents a patented, clinically proven, easy-to-follow nine-step program that can lead to lasting love. Successful romantic relationships have three phases: 1. Attraction 2. Bonding in friendship 3. Commitment Dr. Dibransky demonstrates how each of these stages is dealt with by a particular part of the brain. By appealing to each of these three "brains" in order, we can build a relationship that will last for a lifetime. Drawing on real-life case studies and accessible scientific theory, Dr. Dibransky explains how and why we make the romantic choices we make and shows how we can identify the right person for us and enjoy true love that stands the test of time.

**Love, Relationships and Reflective Meditation** May 24 2022 Highlights of Love, Relationships and Reflective Meditation include: \* Coping with difficult personalities \* How to release stress and restore peace \* Gain understanding and guidance for the future by evaluating past Relationships through Reflective Meditation \* All about soul-mates and kindred spirits \* Attract your soul-mate into your life \* A perfect love \* One to one conversations with God Throughout the book the author shares personal anecdotes. Love Mentor Dr. Diana offers revolutionary advice for finding-and keeping-the one you love: Create irresistible attraction and an atmosphere that men love to be around. Find out the single most important thing you can do to get a sincere commitment from the guy you want. Keep that crazy-in-love feeling going, no matter how long you've been together. Learn the secret to instantly resolving conflict with your man. Know when to have "the talk": Don't think it matters when you bring it up? Think again. Avoid the biggest mistake women make when he's "not ready" for a commitment Get your relationship back and better than ever, even if he has cheated If you have love problems, Dr. Diana has the solutions. This book is your key to creating your own happiest-ever-after now.

*Someone Was Here* Jun 01 2020 Three powerful profiles of men and women whose lives were changed forever by the AIDS epidemic "Some of my reasons for wanting to write about AIDS were altruistic, others selfish. AIDS was decimating the community around me; there was a need to bear witness. AIDS had turned me and others like me into walking time bombs; there was a need to strike back, not just wait to die. What I didn't fully appreciate then, however, was the extent to which I was trying to bargain with AIDS: If I wrote about it, maybe I wouldn't get it. My article ran in May 1985. But AIDS didn't keep

its part of the bargain.” —George Whitmore, The New York Times Magazine Published at the height of the AIDS epidemic, Someone Was Here brings together three stories, reported between 1985 and 1987, about the human cost of the disease. Whitmore writes of Jim Sharp, a man in New York infected with AIDS, and Edward Dunn, one of the many people in Jim’s support network, who volunteers with the Gay Men’s Health Crisis organization in the city. Whitmore also profiles a mother, Nellie, who drives to San Francisco to bring her troubled son, Mike, home to Colorado where he will succumb to AIDS. Finally, Whitmore tells of the doctors and nurses working on the AIDS team in a South Bronx hospital, struggling to treat patients afflicted with an illness they don’t yet fully understand. Expanded from reporting that originally appeared in the New York Times Magazine, Someone Was Here is a tragic and deeply felt look at a generation traumatized by AIDS, published just one year before George Whitmore’s own death from the disease.

**True Love Story Rescue** Jun 20 2019 Following a young couples journey from the beginning of the first "I Love You". Based on true stories, events and experiences, from two completely different backgrounds. Found Love and decided to never let go. Raising each other, and helping each other grow. As college sweethearts, soulmates and bestfriends, two Ohio natives met at the young age of 18 and 19 years old and didn't let anything keep them from being together, and staying together. There were tough times, but during the storm, they never gave up on True Love. An autobiography of two hearts that became one.

**Common Law Marriage** Aug 23 2019 The extraordinary recent increase in rates of cohabitation and non-marital birth presents a major challenge to traditional family law principles, and the legal rules governing cohabitation are thus among the most hotly contested areas of family law and policy today. In many nations, courts, legislatures, and law-reform bodies are "reinventing" common law marriage, seemingly without any sense of its history, doctrinal development, or limitations. The current law surrounding common law marriage is extremely complex. Professor Göran Lind has undertaken the demanding task of writing the most well-researched text on this topic to date. Separated into three Parts, Common Law Marriage covers the origins of the doctrine, its legal aspects in modern America, and the future of cohabitation law across the globe and in the 11 American jurisdictions that currently recognize common law marriage. It provides a cultural and historical history of the subject, from Ancient Roman Law to Medieval Canon Law, and analyzes over 2,000 American cases which have utilized the doctrine. This timely book is an excellent resource for scholars, legislators, and policymakers who are interested in the complex legalities of common law marriage.

**A Relationship for a Lifetime** Mar 22 2022 Everything You Need to Know to Create a Love That Lasts! This enlightening book will teach you to become your own relationship expert where you can create the relationship of your dreams.

**Where Secrets Live** Dec 27 2019 In the vein of Wendy Walker and Karen Dionne, this twisted family saga speaks to dark family secrets and how some families will kill to keep them. Raised by stepparents after the loss of their birth parents, Liz and Meredith McCallister are the only constants in each other’s lives—until Meredith is murdered in her lake home. Devastated by the loss, Liz becomes desperate to know why Meredith was killed. But the more she digs into her sister’s past, the uglier the story gets. As a teenager, Meredith gave up a child for adoption. When Liz meets her niece for the first time, she finds an angry, troubled teenager, whose reappearance in her mother's life may have been the catalyst that got Meredith killed. When Liz digs deeper into her sister's life and murder, she finds that their family had many buried secrets. But as Liz uncovers the truth, she realizes that not all secrets were meant to come to light, and her efforts have drawn the attention of someone who is determined to keep the past hidden—even if the cost is Liz's life.

**The Relate Guide to Better Relationships** Jan 20 2022 'When I fall in love it will be forever...' or so goes the song. The reality can be different and the truth is that the nature of relationships will change over time. Few things can be more distressing than finding that you and your partner are no longer communicating the way you used to, that problems have developed, or that your relationship seems to have broken down. With 60 years cumulative experience of marriage guidance, the experts at Relate know better than most how to overcome relationship difficulties and in so doing create a strong, long-lasting partnership. This highly practical guide is packed full of relationship advice, exercises and guidelines to help you better understand yourself and your partner: - discover what makes your partner tick - test your compatibility - learn how to talk, listen and hear what each other is saying - improve your sex life - deepen your love through tackling problems together.

**After the Happily Ever After: Empowering Women and Mothers in Relationships** Feb 27 2020 This book is about the two-tiered system and invisible imbalance that operates within the framework of the family. It is about the fantasy of the “happily-ever- after,” which the wedding industry promotes and Western society reinforces. Why are we hanging onto this faux happiness at the expense of our future well-being? Why don’t we wonder what happened after “they lived happily ever after” and if, in fact, they really do? What I hope to achieve by writing this book is to rattle the cage of young brides, about to embark on this journey, to talk about these issues with their future partners and to set the system up in a more equal way, so no one is caught off guard if and when things crumble. It will be difficult to achieve this task because no one wants to think about things falling apart before the marriage even begins, and most certainly it sours the sweetness of the fantasy of the “happily ever after,” as we know it. What we don’t realize is that there will be less bitterness and upset for the family, especially for the children, if we pursue this line of thinking. Isn’t that the real “happily-ever-after?”

**Together Forever!** Jan 28 2020 Two marriage counselor present practical guidelines for a healthy, satisfying marriage

**Many Love** Aug 03 2020 “A fast-paced debut... A candid, modern take on polyamory for fans of memoirs and graphic novels, and anyone interested in stories of dating, love, and romance.” —Library Journal After trying for years to emulate her boomer parents’ forty-year and still-going-strong marriage, Sophie realized that maybe the love she was looking for was down a road less traveled. In this bold, graphic memoir, she explores her sexuality, her values, and the versions of love our society accepts and practices. Along the way, she shares what it’s like to play on Tinder side-by-side with your boyfriend, encounter—and surmount—many types of jealousy, learn the power of female friendship, and other amazing things that happened when she stopped looking for “the one.” In a lot of ways, Many Love is Sophie’s love letter to everyone she has ever cared for. Witty, insightful, and complete with illustrations, this debut provides a memorable glimpse into an unconventional life.

**Together Forever** Sep 28 2022

**Rewriting the Rules** Jan 08 2021 We live in a time of great uncertainty about relationships. We search for "The One," but find ourselves staying single because nobody measures up. The reality of our relationships is not what we expected, and it becomes hard to balance it with all the other things that we want out of life. At the same time that marriage shows itself to be the one 'recession proof' industry; the rates of separation and break-up soar ever higher. Rewriting the Rules is a friendly guide through the complicated - and often contradictory - rules of love: the advice that is given about attraction and sex, monogamy and conflict, gender and commitment. It asks questions such as: which to choose from all the rules on offer? Do we stick to the old rules we learnt growing up, or do we try something new and risk being out on our own? This book considers how the rules are being 'rewritten' in various ways, for example the 'new monogamy', alternative commitment ceremonies, different ways of understanding gender, and new ideas for managing conflict and break-up where economics and child-care make complete separation a problem. In this way Rewriting the Rules gives the power to the reader to find the approach which fits their situation.

**Creating a Spiritual Relationship** Feb 21 2022 This book is designed for people who are either in a committed relationship or want to be. A committed relationship is one path toward spiritual growth and transformation. It is not the only path, nor is it a very easy path. The seven spiritual laws discussed in Part Two of this book provide a roadmap for couples who are committed to their mutual spiritual growth. This simple but profound guide to growth and happiness for couples will help you and your partner weather the ups and downs of your relationship so that you can grow together and deepen the intimacy between you.

**Lesbian, Queer, and Bisexual Women in Heterosexual Relationships** Sep 23 2019 Using narrative analysis, this book draws on interviews with women who left relationships with other women to begin relationships with men in order to understand how these women make sense of their sexual identities.

You'll discover how to: Choose your niche and "own" it Develop business models custom-tailored to your unique talents and goals Create new systems, products, and services that make a considerable difference in your clients' lives Make "intangible" services tangible through branding and packaging Create value through referral systems, affiliate programs, and joint ventures Use creative marketing strategies designed for private practice professionals Develop sales and enrollment strategies that dramatically boost your client base Recruit, organize, motivate, and manage staff needed to build and run a million-dollar practice Demonstrating that profits need not be the enemy of ideals, this insightful guide to professional development is an important resource for psychotherapists, family and marriage therapists, social workers, and all private practice professionals seeking creative ways to attract new clients and build their businesses.

**The Essential Guide to a Lasting Marriage** Oct 05 2020 If you're going to say "I do", you want to mean it...for a lifetime. Today, many couples struggle with keeping their marriages alive - maybe because they look at marriage as a job instead of an emotional partnership. In this insightful and practical guide, the authors share concrete insights and ideas that can help carry a couple along life's long romantic journey together. ? Down-to-earth accessible advice filled with real-life anecdotes. ? Addresses each stage of a lifelong relationship.

**21st Century Communication: A Reference Handbook** Sep 04 2020 Highlights the most important topics, issues, questions, and debates affecting the field of communication in the 21st Century.

**Together Forever** Jul 26 2022

**The Ultimate Command** Dec 19 2021 Why do our marriages fail? Why do we feel like failures as parents when our children disobey or turn away from us? Why do so many people look at Christians as hypocrites? In this ruthless world in which we live, fighting for time, money, and jobs, we leave little room for the very purpose of living - love. The Ultimate Command illustrates what it means to be a Christian, how to love God, how to love others, and how to love ourselves. From a biblical perspective, author Thomas Bates examines the concept of loving God and those around us. Jesus said all the law and the prophets rested upon the greatest commandment. We must learn to value love over any other aspect of our relationships. Our priorities must shift; our lives must be restructured around this simple but pervasive command. From loving our spouse and our children, our co-workers and our neighbors, those who are unkind and those whom we need to lovingly confront, The Ultimate Command spans every relationship to teach us how to love.

**Lesbians in Committed Relationships** Apr 30 2020 Four lesbian couples celebrating long-term, monogamous relationships detail their lives together through a series of candid and emotional narratives that are at once heart-warming and heart-wrenching. Rather than a how-to guide to making relationships work, this is a rich, layered history of four loving, working relationships that cross racial, socio-economic, age and education boundaries, making it a must-read for lesbians, either single or involved, as well as their families and friends, and for counsellors and therapists who work with couples.

**Same-Sex Marriage** Apr 11 2021 Kathleen Hull provides an exploration of the cultural practices around same-sex marriage, as well as the legal battle for recognition. She shows how couples use marriage-related cultural practices, such as public commitment rituals, to assert the reality of their commitments despite lack of legal recognition.

**Letters to a Young Sister** Jul 02 2020 Now in paperback: the New York Times bestselling book of inspirational advice and wisdom for young women from the powerhouse public speaker, star of CSI: NY, and bestselling author of Letters to a Young Brother \* Does life sometimes seem so much harder for girls? \* Do you ever feel insecure, pressured, or confused? \* Do you wish you had someone to give you honest advice on topics like boys, school, family, and pursuing your dreams? \* Do you want to make a positive impact on the world, but don't even know how to begin? In the follow-up to his award winning national bestseller, Letters to a Young Brother, actor and star of CSI: NY shares powerful wisdom for young women everywhere, drawing on the courageous advice of the female role models who transformed his life. Letters to a Young Sister unfolds as a series of letters written by older brother Hill to a universal young sister. She's up against the same challenges as every young woman: from relating to her parents and dealing with peer pressure, to juggling schoolwork and crushes and keeping faith in the face of heartache. Hill offers guidance, encouragement, personal stories, and asks his female friends to help answer some truly tough questions. Every young sister needs to know that it's okay to dream big and to deFINE her own destiny. This is a book that will educate, uplift and inspire. Including original contributions from: Michelle Obama \* Angela Basset \* Ciara \* Tatyana Ali \* Eve \* Malinda Williams \* Chanel Iman \* Kim Porter \* and many more.
