[Billy Wilder, American Film Realist](#) Jun 01 2020 The films of Billy Wilder, from *Double Indemnity* to *Some Like It Hot*, are American classics created by a brilliant Austrian in love with his newfound country. This is a re-examination of the key American films of Wilder, often challenging previous readings of his filmmaking style and personality, emphasizing the pop-cultural, film-historical, and sociohistorical content of well known films like *Sunset Boulevard* and less frequently remembered ones, like *The Fortune Cookie*. The book interprets Wilder as more than the "cocky little Viennese" or "closet Romantic" stereotypes often attached to him. Here the student will find provocative analysis and the enthusiast will find evocative commentary on one of the most important figures in American film. Photographs add to the text, and a complete filmography and bibliography are also included. Fully indexed.

[A Dictionary of Rhyming Slang](#) Dec 07 2020 This re-issue of Julian Franklyn's classic dictionary not only defines these expressions but also explains their origin and history. An introductory essay examines the roots and development of rhyming slang. Although many people assume that rhyming slang is exclusively Cockney, Franklyn illustrates how it is common to Australian and American dialects. From the unlikely to the bizarre, the 1,500 entries both entertain and enlighten. Cartoons enliven a reference section which combines linguistic detail and cultural analysis. Whether reading the dictionary from cover to cover, or dipping into it as a reference tool, linguists and students of popular culture will find it the definitive source of information on rhyming slang.
