Home Remedies and the Black Elder
Aug 23 2021 Changes in economics & demographics have resulted in the increased use of home remedies by the elderly, particularly those on fixed incomes. Traditional remedies, including those based on herbal medicine, continue to find widespread use among the urban & rural Black elderly. The authors have interviewed elderly black patients to develop a manual describing their use of products as diverse as alum, molasses, moth balls, & olive oil. The trends in usage of home remedies & possible detrimental effects of folk remedies are discussed. In addition, more than 100 individual folk remedies are discussed with annotations to the scientific literature. Developed by the College of Pharmacy & Institute of Gerontology of the University of Michigan, this book is a useful guide for those who must interact with the elderly of all races, particularly with respect to their self-medication practices. Published by: Pharmaceutical Information Associates, Ltd. 2671 Trenton Road, Levittown, PA 19056.

The Twelve Healers and Other Remedies
Mar 30 2022 "The Twelve Healers And Other Remedies" is a book of herbal remedies and ingredients that may be used to treat a variety of ailments. The author claims that it is because of our fears, cares, and worries that we get ill, and, by treating these problems, we will be happier and healthier. To that end, he presents simple herbal remedies for a variety of problems ranging from indigestion and apathy to hay fever and beyond. Contents include: "For Fear", "For Uncertainty", "For Insufficient Interest in Present Circumstances", "For Loneliness", "For Those Over-Sensitive to Influences and Ideas", "For despondency or Despair", "For Over-Care for Welfare of Others", etc. Many vintage books such as this are increasingly scarce and expensive. It is with this in mind that we are republishing this volume now in an affordable, modern, high-quality edition complete with the original text and artwork.

The Veterinarians' Guide to Natural Remedies for Cats
Oct 03 2019 You probably feel like you know everything about your cat and his needs, but chances are there's a lot you aren't aware of. For example, did you know that the food you feed him every day has nowhere near enough nutritional value, or that he may have chronic tooth decay? Have you ever been told that the essence of the flower holly can help him be less jealous, or that a massage lessens his arthritis pains? The Veterinarians' Guide to Natural Remedies for Cats is an introduction and a guide to the vast world of natural methods, treatments, and foods that are now available for cats. Veterinarians from around the country offer information and opinions to help you determine what's best for your cat. In addition to showing you how to develop a healthy diet for your pet, these doctors will tell you about alternative treatments as homeopathy, acupuncture, chiropractic care, massage, and herbal medicine.

Practical Homeopathy
Jul 02 2022 For the first time ever, glossaries of comprehensive symptoms and homeopathic remedies collected in one volume. The Complete Guide to Homeopathy
Feb 14 2021 The Complete Guide to Homeopathy reveals the key principles of homeopathy, including the way we are categorized into "constitutional" types according to our physical and emotional characteristics. Self-assessment Questionnaire: A specially designed questionnaire, based on what a homeopath might ask during a first office visit, provides unique insight into the link between health and temperament and helps determine which constitutional type you most closely match. Index of Remedies: A photographic index of 150 remedies illustrates plant, mineral, and animal sources, ranging from common foods such as honey to toxic substances such as snake venom. A profile of each remedy gives its historical background, medicinal uses, and its corresponding constitutional type. Treating Common Ailments: Easy-to-use ailment charts show which remedies to take for everyday health problems such as insomnia, anxiety, eczema, and toothaches. Additional self-help treatments are recommended, and there is a quick-reference guide to homeopathic first aid.

CharcoalRemedies.com : the Complete Handbook of Medicinal Charcoal and Its Applications
Apr 24 2020 In a day when the fourth leading cause of death in America is due to adverse effects of properly prescribed drugs (Journal of American Medical Association - July 2000), many are asking, "Are there not safer alternatives?" Yes there are!! Allow me to introduce to you one extraordinary yet simple natural remedy - Activated medicinal charcoal. Charcoal, What is it? We drink water filtered by it: breath are scrubbed with it: eat food purified through it: wear clothes made with it: preserve things in it: go to war with it; enjoy hundreds of dishes cooked by it; mountains with it: we make the night sky sparkle with it: grow our food and flowers in it: we take it with us to the bottom of the deepest oceans and out into space; swim in water washed with it: draw our inspirations with man's history dipped in it: and then we call upon it to clean up many of our environmental mistakes. Not least and not last, medicinal charcoal plays an increasingly significant role in maintaining, restoring and enhancing man's level of health. No wonder we naturally warm up to it. I heartily recommend CharcoalRemedies.com The Complete Handbook of Medicinal Charcoal and Its Applications by author John Dinsley. As a physician, as a mother and grandmother, as a public health educator for the past 41 years, I have come to fully trust the efficacy and safety of charcoal as simple yet powerful home remedy. This book serves not only as a reference book of medicinal

Natural Remedies Quick Reference Guide Sep 23 2021 The public has become greatly puzzled regarding the increase episodes of disease despite increase technology. Millions of dollars are spent yearly in research attempting to discover new cures for disease without success. Still millions more are spent on health insurance and EMS services. New drugs are being produced yearly to control disease with no success. The conclusion is that medicinal drugs never cure disease, but simply camouflage the symptoms for it to only reappear at a future date. Many have died from the use of medicinal drugs, yet many are suffering from the side effects that these drugs produce. Nature is constantly attempting to rid the body of accumulated toxins: the use of drugs inhibits the system from ridding itself of impurities. The general public needs to be educated regarding the change of lifestyle for the cure of disease. In this article we will explore some alternate ways of dealing with disease. It is an amazing fact that, with the help of God, the body can heal itself. It is normal for a person to be well, eat the right food in the proper amount, and have the energy to work hard. The body has natural built-in ways to process the food into the needed energy. But when that individual becomes ill, the body also has natural built-in ways to produce healing. When disease strikes, the regular functions of the system are temporarily set aside and the body goes to work to regenerate itself. The body, in time of illness does not use energy for food digestion and muscular activity, it switches over to, repair, and rebuilding, cleansing. Illness causes the organs of the system to become overloaded with toxins. The disease process is the result of the body's attempt to eliminate toxins from the system and restore health. The amazing discovery of plant phytochemicals has brought about an increase hope in cancer research. Phytochemicals are chemical compounds found in plant foods. These give the plants its color. These phytochemicals function as anti

Growing Up With Bach Flower Remedies Mar 18 2021 Bach Flower Remedies is a system of natural healing for the relief of negative attitudes and moods which not only hinder one's enjoyment of life, but are regarded as contributory factors in the cause of physical and emotional suffering. They were discovered during the 1930s by the late Dr. Edward Bach, an eminent physician who devoted his life to the cause and cure of disease. The result of his life's work were 38 harmless remedies made from nonpoisonous plants and herbs of the countryside, each pertaining to aspects of human nature, personality and states of mind. The Bach Flower Remedies have deservedly earned themselves a reputation of excellence and are now used extensively throughout the world. Growing Up with Bach Flower Remedies shows how the system of healing can help babies, children and adolescents during their turbulent years of youth. The book takes the reader through all the stages of childhood, including developmental progress, illness, schooling, behavior, puberty, examinations and the various other milestones when emotional support is needed. Growing Up with Bach Flower Remedies is a book designed for parents, but also makes an excellent source of reference for therapists, teachers, nursery nurses, grand-parents and guardians - anyone who has an active interest in caring for children of all ages.

Homeopathy Handbook Sep 04 2022 This book provides the main characteristics of 45 commonly used homeopathic remedies. The book came about due to a desire of the authors to have a handy reference guide for students and homeopaths, as well as a teaching book for homeopathy. The readers can benefit from the remedy characteristics information and the case studies presented. Each case study utilizes rubrics from Kent's repertory and the remedy choice is made after referencing several Materia Medica. This Guide to Commonly Used Remedies is colorful and beautifully organized. It is succinct and thorough, and packed with a tremendous amount of information into just two pages per remedy.
