has been completely revised and updated to reflect current  
nagios xi change log nagios Sep 16 2021 fixed bug where when  
creating a user if you choose the admin authorization level the  
checkboxes below are greyed out except for read only access  
when you go back into that user the boxes are not greyed out and  
you can select them if you change the level to user and then back  
to admin the boxes are greyed out again thanks brian

modular connector wikipedia Feb 09 2021 modular connectors  
are designated using two numbers that represent the maximum  
number of contact positions and the number of installed contacts  
with each number followed by p and c respectively for example  
6p2c is a connector having six positions and two installed  
contacts alternate designations omit the letters while separating  
the position and contact quantities with
