Wildcat Jun 25 2019 Wildcat is an uproariously funny, surprisingly touching story of one woman's journey through motherhood and female friendship, in a society that plays fast and loose with information. New mother, aspiring writer, and former shopgirl Leanne has lost her way. As she struggles with both her grief and the haze of motherhood, it also becomes clear that her best friend, the default queen of East Side Los Angeles, Regina Mark, might not actually be a friend at all. As Leanne begins to investigate and undermine Regina, she also strikes up an unexpected friendship with the lauded writer Maxine Hunter. Feeling frustrated and invisible next to Regina's wealth and social standing, Leanne seeks security wherever she can find it, whether that's by researching whether she should vaccinate her son, in listening to the messages she thinks her father is sending from beyond the grave, or in holding her own against a petulant student in her creative writing class. Most of all, however, she looks for it within Maxine, who offers Leanne something new. With a keen eye for the trappings of privilege, class, and the performative nature of contemporary domestic life, Amelia Morris's tender and wicked debut shows us a woman who bucks against the narrative she's been fed, only to find power in herself and the truth that emerges.

[The Portable Lawyer for Mental Health Professionals](#) Sep 20 2021 Everything you need to legally safeguard your mental health practice Fully revised, The Portable Lawyer for Mental Health Professionals, Third Edition identifies, explores, and presents solutions to both the simple and complex legal questions that mental health practices must deal with daily. The Grandparent Vocation Nov 22 2021 This book is about grandparenting as a Christian vocation for the afternoon and evening of life. The author presents the unconditional love of a grandparent as indicative of a vocation, a calling from God. He explores the vocation of grandparent in all of its multiple dimensions of being and doing, including play and joy and laughter.

Growing Up with Divorce: Help Yr Child Avoid Immed Oct 10 2020 For many years, *Growing Up With Divorce* has offered divorced parents transformative insight, solace, and practical guidance on how to help their children cope with the stresses caused by marital separation. Every child is unique, yet there are certain common reactions to the stresses of divorce anger, a sense of divided loyalties, lasting intimacy issues. Dr. Neil Kalter explains that, for children, divorce is not a single

event but is comprised of "a series of events that occur over many years." Identifying three stages of divorce, Dr. Kalter cites the particular struggles associated with each stage and explains how gender as well as cognitive, emotional, and social development also affect how children react. Dispensing sage advice on everything from understanding and minimizing the anxieties that underlie various troublesome behaviors to smoothing out your child's transitions between her two households to incorporating a new spouse into your family, Dr. Kalter gives parents and the professionals who treat divorced families an indispensable guide to navigating the difficulties of divorce.

Does Divorce Have a Negative Effect on the Upbringing of Children? Dec 24 2021 Seminar paper from the year 2017 in the subject Sociology - Gender Studies, grade: A, , language: English, abstract: This paper focuses on the importance of parents during the upbringing of a child. With a major event, such as a divorce, the children are heavily affected, which can result in a child's emotional problems, suicidal thoughts, stress and trauma. Parents' separation becomes a reason for the child not to get attention, and the bond he used to share with his parents weakens, which leads to a communication distance where a child is no longer able to talk to anyone. Alongside, the child's education is also affected. There might be chances they indulge in inappropriate acts including the use of drugs and alcohols or sexual activities. 'Is divorce harmful to children?' is one of the most frequently asked questions in the past two decades about family life. The researchers have chosen this topic because children are the tomorrow of any nation and any harm to their upbringing would affect the entire nation itself. Objectives of this research are to find out ways in which the parents' divorce affects the upbringing of children and solutions to minimize the aftermath of emotional and social stress. The research design consists of different methods through which data is collected. For the study at hand, research is employed which includes both qualitative and quantitative analysis,

along with primary and secondary research methods. A survey method is selected in order to practice against the issue of divorce in families mainly affecting their children which is unfortunately common in our society, and also to authentically conduct the study without the study being too biased. For primary research, questionnaires and interviews were conducted as tools. However, articles were referred to as secondary research.

So, You're Raising Your Grandkids! Dec 12 2020 If you are a grandparent raising your grandchildren, help has arrived. According to the US Census Bureau, more than 10% of all grandparents in the nation are raising their grandkids, and the number is going up. You may be one of the millions of these grandparents and it's a role you never expected. Willing as you are to assume this role, you have some questions. How will I find the energy for this? Is my grandchild normal? What if I "blow it?" Each day, you look for ways to make life easier. This book will: •Help ease your worries and guilt; •Offer tips for creating a grandfamily; •Give methods for improving grandparent-grandchild communication; •Suggest ideas for how you can connect with your grandchild's school; •Provide child development information; •Recommend approaches to help your grandchild set goals; •Stress the importance of having fun together; •Offer ideas of how to foster your grandchild's hopes and dreams. So, You're Raising Your Grandkids blends Harriet Hodgson's wise and moving grandparenting story with recent research and findings. It shares her 21 years of caregiving experience, including seven years of raising her twin grandkids. Each chapter ends with What Works, proven tips for grandparents raising grandkids. At the end, you'll cheer for all the loving grandparents---including you---who are putting grandchildren first.

Divorce and the Special Needs Child Oct 02 2022 Going through a divorce is always tough, but when a child with special needs is involved it can be especially challenging. This book takes a clear

and comprehensive look at every aspect of the legal divorce process, and addresses all of the legal issues that divorcing parents of children with special needs face. The author guides parents through the initial hurdles of choosing the right lawyer for their case, and explains exactly how to work with them to achieve the best possible outcome for all concerned. From agreeing upon child custody arrangements that meet the particular needs of the child, to making provision for child support payments, gathering together the documentation needed to prove a case, and dealing with financial issues such as debts and property distribution, no aspect of divorce is left uncovered. A set of checklists is included to ensure that parents consider everything they need to, and the book concludes with a useful list of further resources. Written by an experienced family lawyer who went through her own divorce when her son, who has autism, was six, this book offers much-needed guidance to divorcing parents of children with a variety of special needs.

Monicas Story Nov 10 2020 In the summer of 1995 Monica Lewinsky, twenty-one years old and fresh from college, started work as an unpaid intern in the White House, a job that brought her into contact with the then President of the USA, Bill Clinton. What followed would come to dominate the world's media, as a young girl's crush on the world's most powerful man led to the cruellest public humiliation for her - and ultimately to the President's impeachment on charges of perjury and obstruction of justice. Bestselling biographer Andrew Morton - whose *Diana: Her True Story* broke to the world the truth behind the marriage of the Prince and Princess of Wales - exclusively interviewed Monica, her family and friends, to provide an in-depth and often terrifying picture of the abuses of power, and of a young woman subjected to trial by media, while herself prevented by law from defending herself.

conjunction of two topics--feminism and families--that, for all their centrality in our culture, have not been adequately examined in light of one another. While the family has suffered feminist neglect, most women are in fact members of families, living their lives within the social context of families, even at a time when the concept of "family" has become bewilderingly unstable. The intersection of families and feminism is thus one in need of philosophical reflection, as a basis both for good public policy and for the ethical relationships of intimate life.

Tips for the Divorced Dad Mar 27 2022 With divorce being so prevalent just about everyone either needs this book and/or knows someone who needs it. It is the perfect gift book. The author is a mother who watched and learned as her daughter adjusted to her parents' divorce - in particular, as her daughter and ex-husband adjusted to their new relationship. This book is the collection of life lessons learned over six years. Knowledge that was gained both first-hand and through interviews with many other families in the midst of divorce. Because this knowledge has been documented and shared, fathers and children will benefit from what others have lived and learned.

Detective Mya Dove 2 Book Collection Jan 25 2022 Detective Mya Dove joined the Children's Police Force. It's time to solve some cases! If the case isn't solved, Mya will be kicked off the Children's Police Force! To solve the mystery, Detective Mya Dove must face an angry poodle, a scary garage, and the meanest girl in the universe... CASE FILE NO.5: The Fat Girl Who Never Eats Ten school burgers were stolen. Everyone blames the fat girl, but no one saw her do it. Is she the burger thief or is it someone else? To solve the mystery, Detective Mya Dove must face her crafty dad, a strange caretaker, and the shocking secret in the school basement...

The Complete Divorce Handbook May 29 2022 A former divorce attorney provides easy-to-understand answers to hundreds of questions about every aspect of a marital breakup, addressing everything from a legal separation to dividing assets and debts from a legal, financial, social, and psychological perspective. Original.

Creative Arts Therapies Approaches in Adoption and Foster Care Jul 07 2020 "The creative arts therapies, which include art, dance/movement, drama music, poetry and psychodrama as part of the healing process are successful approaches in working with clients whose lives are touched by adoption and foster care. The book reflects the ways in which therapies can be applied to different adoption and foster care settings, and represents the spectrum of ideas in current practice."

Handbook of Stressful Transitions Across the Lifespan Aug 20 2021 This volume provides a unique and valuable contribution to our understanding of the impact of stressful life events and mass trauma on the person, the culture and society in the course of the life span. It provides a comprehensive look at our psychological state of affairs at the beginning of the twenty-first century. There are several volumes that address some or most of these areas individually but this volume is unique in that it has brought together theoreticians, researchers and clinicians who address critical challenges in our lives. But we are now several months into the global financial crisis requiring a transition, not only for the western world but for the third world. How on earth do families in trauma zones - from Sri Lanka to Afghanistan, New Orleans to Gaza - cope with similar declining older relatives, with added traumas and zero medical resources attempt to survive? In news reports, politicians and financiers denying the inevitable and struggling for solutions that cannot be relevant to the new reality that they have yet to discover.

Divorce Casualties Sep 01 2022 Details the effects of divorce on children and offers techniques for

understanding the effects of alienation

Die Scheidungspapiere Jul 31 2022 Die 29-jährige Anwältin Sophie ist eigentlich auf Strafrecht spezialisiert. Doch eines Tages bittet sie ihr Chef, bei einem ganz anderen Termin einzuspringen: Die Tochter eines wichtigen Mandanten, Mia Durkheim, möchte sich beraten lassen, nachdem ihr Mann völlig überraschend die Scheidung eingereicht hat. Nach dem Gespräch ist Mia so von Sophie hingerissen, dass sie unbedingt von ihr vertreten werden möchte – trotz Sophies Warnungen. Aber schließlich ist es auch Mias erste Scheidung ... Und so stürzen sich die beiden Frauen gemeinsam in einen Rosenkrieg, der am Ende auch Sophies Leben gehörig auf den Kopf stellt.

The Marriage and Family Experience: Intimate Relationships in a Changing Society May 05 2020 Updated with the latest data and research, Cohen/Strong's THE MARRIAGE & FAMILY EXPERIENCE: INTIMATE RELATIONSHIPS IN A CHANGING SOCIETY offers a realistic look at modern relationships, helping you understand the underlying issues at work in marriages, families and other relationships. It explores adoptive parenting, childbearing patterns, gay and lesbian families, the transgender experience, virginity, gender roles, communication and conflict resolution, the influence of popular culture, working families and more. Thorough coverage reflects the diversity of families and relationships, illustrating how racial, cultural, economic and sexual differences shape relationships and families. Real-life, cross-cultural examples and self-assessment features encourage you to reflect on your own life and behaviors. The book's straightforward overview of key topics helps you maximize your course success. The Slam Club Sep 08 2020 The Slam Club - The One Club You've Got To Get Out Of! Tired of

interacting with people who rip other people up and down behind their back? People who engage in such a nasty habit are called Slammers. When two or more people get together and slam other people, that's the Slam Club. Whether friends, family, neighbors or coworkers, the favorite past time of people in the Slam Club is gossiping and maligning others. Slammers get little done and success eludes them. Slammers tend to be unhappy people who resent others for being happy or successful. Slamming is also unhealthy and it hinders the development of positive interactions. Read *The Slam Club - How To Stop Miserable People From making You Miserable* and learn how to get out of the Slam Club. In this easy to read book you will find an excellent description of slammers and slamming. You will see how easy it is to fall into the habit of slamming and how it interferes with your happiness. "This is one of those books that will have a positive affect on your life." Harold Dawley, Ph.D., Publisher, Selfhelpbooks.com "One of the best descriptions of a common negative personality trait that I have ever seen. A good book that will help many people." Chester Scrignar, M.D., Clinical Professor of Psychiatry, Tulane Medical School

Divorce Casualties Oct 22 2021 Some parents consciously, blatantly, and even maliciously denigrate their ex-spouse through negative comments and actions. Others simply sigh or tense up at the mention of the targeted parent, causing guilt and anxiety in the children. The result is a child full of hate, fear, and rejection toward an unknowing and often undeserving parent. Exploring issues such as secrecy, spying, false accusations, threats and discipline, *Divorce Casualties* recognizes the often subtle causes of alienation, teaching you to prevent or minimize its damaging effects on your children. Dr. Darnall's practical techniques for understanding the effects of alienation, including characteristics of alienators, symptoms of alienators, a self-report inventory and exercises, and real-life examples, will help even the most well-intentioned of parents renew their commitment to helping

their child maintain a healthy, happy relationship with both parents.

Divorced Fathers and Their Families Aug 08 2020 This book focuses on the experience of father's lives after a divorce, and how mental health professionals can help them create a healthy transition. Through the use of case examples critical issues are highlighted and discussed with supportive empirical findings and clinical insights. Traditionally, the marital legal sessions as well as the ultimate marriage settlement focus on the issues confronted by the ex-wife and mother and on the custody and visitation plan for the children. This is actually supported by law in some places. This can remove the father from important qualitative issues such as what it is like to have children in two households, relationships with two sets of grandparents, where holidays will be spent, fair rotations of responsibility and how continuing parental discord can be resolved. The issues examined in this volume are relevant to a range of professionals who deal with divorcing couples from psychologists and family therapists to legal advisors and judges.

What About the Kids? Feb 23 2022 The groundbreaking handbook that helps parents guide their children through divorce and co-parenting -- including the introduction of step-parents -- from a New York Times bestselling author and child psychologist. This is the definitive work from the renowned child psychologist Judith Wallerstein on a subject that concerns millions of American moms and dads: How can you protect your children during and after divorce? Divorce is not a single event but a lifelong trajectory of changed circumstances that demand a different kind of parenting than we have ever known. In *What About the Kids?* Wallerstein draws on thirty years of in-depth interviews with children of divorce and their parents to show how to create a new family with compassion and wisdom. It covers issues that arise at the time of divorce as well as suggestions for talking to your children months and years after the event. Eminent psychologist Judith S. Wallerstein shares her

unique insight and advice in What About the Kids? -- the first comprehensive guide to easing the impact of divorce on your children -- including: The best and worst ages for children to experience their parents' divorce Right and wrong ways to explain divorce to your children Choosing a custody arrangement that's best for your child How to involve the grandparents -- a major resource? Getting the children on your side when you form new relationships The positive effects of divorce on children (believe it or not) How divorce can actually make you a better parent Raising children who grow up able to form lasting relationships

The Age of Kali Apr 27 2022 The book of your life will have many chapters. Some will tell of triumph, some of tragedy. Some will be dull and ordinary, others intense and exciting. Some will tell of sorrow, others of joy. There will be chapters of passionate love and there will be chapters of implacable hatred. There will be chapters of pain, of anger, of envy, of ego so big that it just can't be fathomed. Some chapters will bring anxiety, some rage, some joy, some peace. Others will resound with uproarious laughter; still others will bring down a summer rain of tears. Life goes on in happiness and in distress; in celebration and in tragedy; during the day and during the night; in good times and bad, year in, year out. The great cycles of the universe are never still. They move continuously, relentlessly, endlessly, on and on and on.....

Ancestry magazine Feb 11 2021 Ancestry magazine focuses on genealogy for today's family historian, with tips for using Ancestry.com, advice from family history experts, and success stories from genealogists across the globe. continue to commit themselves to solving social problems, and that architecture is being applied to the alleviation of the social ills of our time. The editors and contributors in this book have all grappled with their own definitions of design innovation, and express in practical and useful ways their ideas for contributing to a better and less needy world through the architecture they describe. This book will be of interest to students of architecture.

Mom's House, Dad's House for Kids Jul 19 2021 From the author of the classic Mom's House, Dad's House, the essential guide for kids on how to stay strong and succeed in life when parents separate, divorce, or get married again. Isolina Ricci's Mom's House, Dad's House has been the gold standard for inspiring and supporting divorcing and remarrying parents for more than twenty-five years. With her new book, Dr. Isa adapts her time-tested advice on maneuvering the emotional, logistical, and legal realities of separation, divorce, and stepfamilies to speak directly to children. Alongside practical ways to cope with big changes she offers older children and their families key resiliency tools that kids can use now and the rest of their lives. Kids and families are encouraged to believe in themselves, to take heart, and to plan for their lives ahead. Mom's House, Dad's House for Kids is packed with practical tips, frank answers, easy-to-use lists, "train your brain" ideas, reproducible worksheets, and things to try when words just won't come out right. Kids will learn how to: · Deal with parents living apart, schedules, and dueling house rules · Settle comfortably in one home or two · Stay out of the "miserable middle" when parents fight · Manage stress, guilt, change, fear, and other feelings · Stay connected with parents, relatives, and the "right" friends · Appreciate the gifts (and deal with the gripes) of their new version of family · Feel better FAST! Kids can't get their parents back together, but they can help themselves get stronger and go on to succeed in life. This book shows them how.

Divorcing Children Apr 03 2020 Drawing on a three-year multidisciplinary study of the children of divorced parents, the authors, leading academics in their fields, present a much-needed guide to working with children who are experiencing parental separation. Providing an in-depth picture of the effect of divorce on children both during and after the proceedings, the topics discussed include: how parents break the news of divorce to children and how this makes them feel; where children get their ideas about divorce from; how parent-child relationships change after separation; ways in which children adapt and cope with divorce.

Maybe not...To solve the mystery, Detective Mya Dove must face a suspicious teacher, the school bully, and the meanest boss in the world... CASE FILE NO.2: The School Pet Who Went Missing Mya's school has a brand new pet. It's cute, cuddly and loves everyone. Unfortunately, it's gone missing! Did it run away? Or was it stolen? To solve the mystery, Detective Mya Dove must face her bossy headmaster, a mean prefect, and a sneaky teacher with a big secret... CASE FILE NO.3: The New Boy Who Hears Buzzing The new boy at school's ears are buzzing. He must've been bugged, but who did it? Was it a student, a teacher or some bad guys? To solve the mystery, Detective Mya Dove must tackle the detention kids, a crafty inspector, and some naughty officers at the police station... CASE FILE NO.4: The Parents with a Sleepover Secret Mya has to stay at her enemy Angel's house. Angel is forcing her to solve a tough case. If the case isn't solved, Mya will be kicked off the Children's Police Force! To solve the mystery, Detective Mya Dove must face an angry poodle, a scary garage, and the meanest girl in the universe... CASE FILE NO.5: The Fat Girl Who

Never Eats Ten school burgers were stolen. Everyone blames the fat girl, but no one saw her do it. Is she the burger thief or is it someone else? To solve the mystery, Detective Mya Dove must face her crafty dad, a strange caretaker, and the shocking secret in the school basement...

The Divorce Papers Nov 03 2022 Sparkling and sophisticated, this sometimes hilarious, sometimes heartbreaking debut novel tells the story of a very messy, very high-profile divorce and the endearingly cynical young lawyer dragooned into handling it. Twenty-nine-year-old Sophie Diehl is happy toiling away as a criminal law associate at an old-line New England firm, where she very much appreciates that most of her clients are trapped behind bars. Everyone at Traynor, Hand knows she abhors face-to-face contact, but one week, with all the big partners out of town, Sophie is stuck handling the intake interview for the daughter of the firm's most important client. After eighteen years of marriage, Mayflower descendant Mia Meiklejohn Durkheim has just been served divorce papers in a humiliating scene at the popular local restaurant, Golightly's. Mia is now locked and loaded to fight her eminent and ambitious husband, Dr. Daniel Durkheim, Chief of the Department of Pediatric Oncology at Mather Medical School, for custody of their ten-year-old daughter Jane. Mia also burns to take him down a peg. Sophie warns Mia that she's never handled a divorce case before, but Mia can't be put off. The way she sees it, it's her first divorce, too. For Sophie, the whole affair will spark a hard look at her own relationships—with her parents, colleagues, friends, lovers, and, most important, herself. A rich, layered novel told entirely through personal correspondence, office memos, e-mails, articles, handwritten notes, and legal documents, *The Divorce Papers* offers a direct window into the lives of an entertaining cast of characters never shy about speaking their minds. Original and captivating, Susan Rieger's brilliantly conceived and expertly crafted debut races along with wit, heartache, and exceptional comedic timing, as it

explores the complicated family dynamic that results when marriage fails—as well as the ever-present risks and coveted rewards of that thing called love.

Poetry as Research Jun 17 2021 "Elegantly written, convincingly argued, and interspersed with hauntingly beautiful and poignant poems written by his ESL students, Hanauer's book draws attention to the unexplored potential of poetry writing in a second language classroom." Aneta Pavelenko, Temple University --

Handbook of Family Measurement Techniques: Abstracts Apr 15 2021 This three-volume handbook represents a significant and indispensable reference tool for those studying the family. Vol. 1 contains full abstracts of 504 instruments plus abbreviated descriptions of another 472. Basic scale construction issues can be examined through the combined use of Vol. 2 & 3. An excellent reference tool that will fulfil researchers and clinicians need for quality instrumentation.

Cultural Sociology of Divorce Mar 03 2020 While the formal definition of divorce may be concise and straightforward (legal termination of a marital union, dissolving bonds of matrimony between parties), the effects are anything but, particularly when children are involved. The Americans for Divorce Reform estimates that "40 or possibly even 50 percent of marriages will end in divorce if current trends continue." Outside the U.S., divorce rates have markedly increased across developed countries. Divorce and its effects are a significant social factor in our culture and others. It might be said that a whole "divorce industry" has been constructed, with divorce lawyers and mediators, family counselors, support groups, etc. As King Henry VIII's divorces showed, divorce has not always been easy or accepted. In some countries, divorce is not permitted and even in Europe, countries such as Spain, Italy, Portugal, and the Republic of Ireland legalized divorce only in the latter quarter of the 20th century. This multi-disciplinary encyclopedia covers curricular subjects related to divorce

as examined by disciplines ranging from marriage and the family to anthropology, social and legal history, developmental and clinical psychology, and religion, all through a lens of cultural sociology. Features: 550 signed entries, A-to-Z, fill 3 volumes (1,500 pages) in print and electronic formats, offering the most detailed reference work available on issues related to divorce, both in the U.S. and globally. Cross-References and Further Readings guide readers to additional resources. A Chronology provides students with context via a historical perspective of divorce. In the electronic version, the comprehensive Index combines with Cross-References and thematic Reader's Guide themes to provide convenient search-and-browse capabilities. For state and nation entries, uniform entry structure combined with an abundance of statistics facilitates comparison between and across states and nations. Appendices provide further annotated sources of data and statistics.

[The Truth About Children and Divorce](#) Jan 01 2020 Nationally recognized expert Robert Emery applies his twenty-five years of experience as a researcher, therapist, and mediator to offer parents a new road map to divorce. Dr. Emery shows how our powerful emotions and the way we handle them shape how we divorce—and whether our children suffer or thrive in the long run. His message is hopeful, yet realistic—divorce is invariably painful, but parents can help promote their children's resilience. With compassion and authority, Dr. Emery explains:

- Why it is so hard to really make divorce work
- How anger and fighting can keep people from really separating
- Why legal matters should be one of the last tasks
- Why parental love—and limit setting—can be the best “therapy” for kids
- How to talk to children, create workable parenting schedules, and more

Fearless Loving Jul 27 2019 Love is one of the biggest casualties of Fear. Charismatic TV life coach Rhonda Britten shows us how we can find the love we crave through conquering this fear and moving forward with our new-found freedom. The foremost expert on fear pushes us beyond our

safe-but-stale approach to relationships, radically altering our concept of love with eight illuminating and life-changing truths about love. * Love is up to you * Everyone is innocent * Love is not a feeling - it's much more * Your brain is the key player in your love life * Dating is where you practise being yourself * 'Yes' means nothing if you can't say 'no' * Loss is a fact of love, and life * Love is a risk you have to take.

These Boys and Their Fathers Mar 15 2021 "In 2010, Don Waters set out to write a magazine story about a surfing icon who'd known his absentee father. It was an attempt to find a way of connecting to a man he never knew. He didn't imagine that the story would become a years-long quest to understand a man who left behind almost nothing except for a self-absorbed autobiography for his abandoned son. Spindrift touches on Waters' boyhood with his single mother and her string of dysfunctional men, but it quickly expands into a gripping account of the life of a 1930's pulp writer, also named Don Waters, with whom Waters gets obsessed. This man and his wife raised a child on a sailboat during the Great Depression. This adventurous and picturesque vision of nuclear family life becomes more vivid to Waters than his own childhood. But as Don Waters delves deeply into this story--hiring an investigator to help him get to the bottom of the gaps--he winds up on the other side of fantasy, smack in the center of another family's hard truths. This wildly original book blends memoir, investigative reporting, and fiction to sort out difficult aspects of family, masculinity, and what it means to be a father. With striking honesty and empathy, Spindrift lays bare the daunting and messy task of finding meaning in an evasive world"--

Coping with Absent Parents Jun 29 2022 Coping doesn't mean having to cope on your own. This title tackles traumatic situations and emotional upheavals.
