***One Marshal's Badge Mar 05 2020* While many people are familiar with the U.S. Marshals Service's reputation from frontier days, when legendary lawmen such as Wyatt Earp and Bat Masterson enforced the Wild West, the agency's modern exploits are less well known. *One Marshal's Badge* sheds light on the service's valuable role in current national and international affairs through the intriguing figure of Louie McKinney, the agency's former director. Shadow Stalker Part 3 (Episodes 13 - 18) Jul 01 2022 Auren turns herself over to the Galvadi to get close to Drevin and Makari has no choice but to play along. He is forced to either torture Auren to prove his loyalty or die knowing she will be tortured and enslaved anyway. Somehow they have to get close enough to Drevin to bring him down and put an end to the Galvadi's tyranny once and for all. Episode 13: Defiance Three years have passed since Auren and Shai escaped the daily torture of the Galvadi. With Makari's help, they have learned more about the Galvadi's technology and discovered ways to overcome its effects on their power,

which gave them an edge in the war. However, the Galvadi have spent that time developing new technology that could mean the end of the shadow stalkers.

Episode 14: Falling to Pieces Things go from bad to worse after Cali is captured by the Galvadi. The new technology they have employed is making a rescue attempt impossible and endangering the lives of all the shadow stalkers. Episode 15: Into My Own Just when Auren thinks she'd had enough of Kado's overbearing and overprotective nature, he surprises her by apologizing and admitting he had been wrong. Auren finally accepts that she is not at fault for Cali's death after visiting her in the shadow world, but Kado and Makari are still preventing her from confronting Drevin. They don't feel she is ready, and Auren is beginning to believe they will never let her fulfill her destiny. It's time she takes matters into her own hands.

Episode 16: A New Emperor Makari is told the only way he can prove his loyalty is by torturing Auren, but he refuses to go through it. So Jharak, Drevin's master interrogator, took the liberty to be the one to break her, but in the end, it would take forcing her to watch him torture and kill Makari.

Episode 17: Allies to Enemies Part 1 Traitors are weeded out and new allies are found. Auren and Makari are determined to bring peace once again to the Serpent Isles, but they have a deadline. If they don't make it in time, they could end up at war with their own people.

Barefoot Running Aug 29 2019 How could something we have for free—our bare feet—be better for running than \$150 shoes? The truth is that running in shoes is high-impact, unstable, and inflexible. Shoes promote a heel-centric ground strike, which weakens your feet, knees, and hips, and leads to common running injuries. In contrast, barefoot running is low-impact, forefoot-centric, stable, and beneficial to your body. It encourages proper form and strengthens your feet in miraculous

ways. When you run in shoes, you not only risk developing poor form, but you also hinder the natural relationship with the ground that running facilitates. Barefoot running restores the delightful sensory and spiritual connections to the earth that you were meant to experience. Barefoot Running offers the only step-by-step direction runners need at any age to overcome injuries, run faster than ever, and rediscover the pure joy of running. Once you tear off your shoes and learn to dance with nature, you'll tread lightly and freely, hearing only the earth's symphony and feeling only the dirt beneath your feet. Hit the ground running with revolutionary techniques for starting out slowly, choosing minimalist footwear, navigating rough weather and rugged terrain, and building your feet into living shoes.
