Summitville Feb 27 2022 Colleen Fitzgerald's career and personal life unravel when she learns that the man she loved, a fellow gold-stock analyst, has died under suspicious

circumstances at a mine site. Taking over his research at the Summitville Mine in the mountains of southern Colorado, Colleen becomes enmeshed in the wiles of the mine's dangerously charismatic operator who will do anything to make his mine succeed. On her quest to understand why her love died, Colleen confronts the cataclysmic forces building at the mine — Wall-Street-fueled lust for financing, a farming community that needs water, the toxic brew of heavy metals and cyanide spilling from the mine and poisoning that water, radical local-autonomy groups, and violent environmentalist renegades. Facing the devastation caused by the clash of these forces, Colleen learns to care about others again, and rediscovers hope the hard way.

Dead Summit Nov 26 2021 Fifty years ago, an event happened in the White Mountains of New Hampshire that had the potential of wiping out the entire human population within that region. The event was quickly addressed by a local group trained to handle this kind of crisis. The death toll was more than anyone had expected, but the event was ultimately silenced, hidden from the radar of the authorities. Since that time, things have been quiet... until now.

Charlie and Grace have a shared goal: to summit the tallest peak in each of the 50 states. Five years ago, their journey began at Mt. George, the tallest mountain in the northeast. After Charlie sustained a damaging injury during their ascent, Grace was afraid they might never realize that goal. Five years later, they've come back to where it all began.

However, injuries and unpredictable weather patterns won't be the only challenges; they'll now have to find a way to survive an outbreak of the undead. Charlie and Grace must find a way off the mountain, alive, before they succumb to the zombie plague. But there's a secret, buried beneath three-hundred years of lies and deceit. A secret that may prove even more devastating than the zombies themselves.

Americas most famous environmentalist,
Chester Dotson, is on a mission to clean up
California, and his voter initiative, Proposition

plan to make his altruistic dream come true,
but the people he recruits to bring in the vote
have their own plan. A billion dollar windfall is
hidden in the Proposition Nine language, and
theyll kill to get it. Attorney Riley Scofield has
kept her distance from the familys seventh

fianc was killed there in a freak accident. When
Scofield Tannery is hit with the first Proposition

Nine lawsuit, Riley is in the middle of another
case, but she fights through her personal
demons and rises to their defense. Shes losing
the Prop Nine case, unaware of the deadly
conspirators at work behind the scenes. Rileys
also unaware of something else: losing will
keep her alive. Riley Scofield doesnt like to
lose, and suddenly, its kill or be killed in ways
youd never imagine unless you know about
tanneries. O'Rourke's debut novel seamlessly
weaves ambition, greed, romance, murder-for-
hire, family values and redemption into a must-

consequences. An exciting thriller colored by
