commitment, the fight against injustice - these are the things that have always driven Elvis Cole and Joe Pike. If they make a promise, they keep it. Even if it could get them killed. When Elvis Cole is hired to locate a woman who may have disappeared with a stranger she met online, it seems like an ordinary case - until Elvis learns the missing woman worked for a defence contractor and was being blackmailed to supply explosives components for a person or persons unknown. Soon, Scott and Maggie find themselves targeted and, as their case intertwines with Elvis and Joe's, join forces to follow the trail of the missing woman as well. From inner-city drug traffickers to a shadowy group of Afghan war veterans with ties to a terrorist cell, the people they encounter on that trail add up to ever-increasing odds, and soon the four of them are fighting to find the woman not only before she is killed ... but before the same fate happens to one of them.

The discussion revolves around the choices they’ve made, the obstacles they’ve overcome, the things that drive them to be who they are, and the hope that keeps them persevering through the darkness.
