River's Call Mar 10 2021 During the turbulent 1960s and feeling alienated from her mother, Lauren decides to stay with her grandmother, but when the woman's manipulative and spiteful ways push her away, Lauren returns to her mother.

Josef and Anna Maria (Lenz) Drehobl Family Feb 21 2022 Josef Drehobl, son of Josef Drehobl and Theres Mandl, was born 24 December 1828 in Kreuzberg, Germany. He married Anna Maria Lenz (1830-1902), daughter of Matthias Lenz and Anna Maria Lang, in 1863. They had twelve children. They emigrated in 1885. He died in 1908 in Chicago, Illinois.

Thorn Oct 05 2020 On a cold day deep in the heart of winter, Rowan's father returns from an ill-fated hunting trip bearing a single, white rose. The rose is followed by the Huntress, a figure out of legend. Tall, cruel, and achingly beautiful, she brings Rowan back with her to a mountain fastness populated solely by the creatures of the hunt. Rowan, who once scorned the villagers for their superstitions, now finds herself at the heart of a curse with roots as deep as the mountains, ruled by an old magic that is as insidious as the touch of the winter rose. Torn between her family loyalties, her guilty relief at escaping her betrothal to the charming but arrogant Avery Lockland, and her complicated feelings for the Huntress, Rowan must find a way to break the curse before it destroys everything she loves. There is only one problem—if she can find a way to lift the curse, she will have to return to the life she left behind. And the only thing more unbearable than endless winter is facing a lifetime of springs without the Huntress.

Visionary Women Jun 01 2020 This study of radical prophecy in 17th-century England explores the significance of gender for religious visionaries between 1650 and 1700. Phyllis Mack focuses on the Society of Friends, or Quakers, the largest radical sectarian group active during the English Civil War and Interregnum. The meeting records, correspondence, almanacs, autobiographical and religious writings left by the early Quakers enable Mack to present a textured portrait of their evolving spirituality. Parallel sources on men and women provide a unique opportunity to pose theoretical questions about the meaning of gender, such as whether a "women's spirituality" can be identified, or whether religious women are more or less emotional than men.

[American Ancestors and Cousins of the Princess of Wales](#) Jun 13 2021 "Almost since first hearing of Lady Diana Spencer ... many Americans have been aware that the Princess of Wales has genealogical links to this country ... the Princess [is] one-eighth (or more properly, three-sixteenths) American, the granddaughter of a Harvard graduate and U.S. Army captain during World War I ... she also has ancestors who lived in six of the original thirteen colonies ... and probably between twenty and thirty million living distant American cousins."

The Atomic Sea Apr 30 2020 Lightning! Tentacles! Zeppelins! War rages. The dreaded Empire of Octung has taken everything from Dr. Francis Avery. His wife. His daughter. His life. Now, serving as doctor aboard a whaling ship far out on the Atomic Sea, he pulls a mysterious woman named Layanna from the lightning-wreathed depths. Somehow she's alive, unharmed by the toxins ... and she knows a way to stop Octung. Avery decides to aid her, even if it means taking on spies, monsters, enemy armies and all the terrors of a nightmarish world. It's been a thousand years since the terrifying Atomic Sea has grown to encompass nearly every body of salt water on the planet, killing or mutating all it touches. Its contamination has transformed the world, but the reason for the change remains unknown—except to the Empire of Octung, the country making war on the world. Somehow the Empire is connected to the source of the mystery. But how? The Atomic Sea is the first volume in an exciting, globe-spanning series by New York Times bestselling author Jack Conner. With the grand scope of Dune or Lord of the Rings, The Atomic Sea series is an atmospheric thrill-ride in a world unlike any you've ever imagined. A Measure of Trust Jul 22 2019 Annabeth Lorton opened her red puffy eyes. Her wedding dress hung on the door of her closet, seemingly mocking her. The bouquet that looked so fresh last evening was limp and draping over the dressing table, headed for the floor. It was the perfect depiction of how she felt. Cast aside and thrown to the ground. The life drained from her. The events of last evening's near wedding played over in her head. How could this have happened? How could she have been so wrong? Jonathan Taylor had been a long-time friend; and when they began courting, it all seemed like a fairy tale. It quickly became a nightmare when a young woman in the crowd couldn't hold her peace and begged Jonathan not to go through with the wedding. What a fool Annabeth was. Well, she wasn't going to stay and be the laughing stock of Charleston's high society. She didn't belong there anyway. She belonged far away from the

city. She belonged in the West. South Dakota would be the perfect place to start over and start her own business. In the vast open spaces, she could start anew and leave the past behind. Or could she? Settled in her new surroundings, Annabeth thrives, with her very own bakery and a new suitor. Soon her past meets up with her present when Jonathan follows her West to make amends. Both men pursue her love and trust, but could the drifter working in her bakery become her future?

Axel Jun 20 2019 Endlich scheint in Isabelle Wests Leben alles gut zu laufen. Sie hat ein florierendes Gesch äft, wunderbare Freunde und so ziemlich alles im Griff. Es gibt nur noch eine letzte H ü rde zu ü berwinden. Ihren Ex-Ehemann. Dieses Problem erweist sich als nicht so einfach. Dass jetzt ihre ehemalige gro ß e Liebe auftaucht, kann sie gar nicht brauchen. Ex-Marine und Inhaber der Corps Security Firma Holt, Axel Reid, h ä tte niemals damit gerechnet, Isabelle noch einmal wiederzusehen. Er ist auch nicht sicher, ob er das ü berhaupt will. Zorn und Wut sind schon so lange ein Teil von ihm, dass er sie nicht einfach absch ü tteln kann. Und als er damit konfrontiert ist, Isabelle zu besch ü tzen, und seine Gef ü hle f ü r sie wieder an die Oberfl ä che kochen, wird alles ein wenig kompliziert.
