Wild Grows the Heather in Devon (The Secrets of Heathersleigh Hall Book #1) Nov 24 2021 Among the rolling hills of Devonshire, England, the Rutherford family leads a privileged life. Charles, a rising star in Parliament, spends his weekdays in London while his wife, Jocelyn, remains with the children at Heathersleigh Hall. But secrets lie within the walls of this country estate--and the mystery about to unravel will change this family forever.

Where the Wildflowers Grow Mar 05 2020 'The Wildflowers of Britain have a new champion.' - Lee Schofield, author of *Wild Fell* 'A heart-warming, fascination-inducing read from start to finish.' - Lucy Lapwing 'An extraordinary book... captivating in its joy for the natural world.' - Isabel Hardman 'When was the last time you stopped and noticed a wild plant?' An intriguing and timely exploration of the importance of Britain and Ireland's plant life. Leif Bersweden has always been fascinated by wild plants. From a young age, his afternoons were spent hunting for and cataloguing the plants in his local area. But it is a landscape that is fast disappearing. Climate change, habitat destruction and declining pollinator populations mean that the future for plant life looks bleaker than ever before. Many of us are also unable to identify, or even notice, the plants that grow around us. Now a botanist, Leif decides to go on a mission, to explore the plants that Britain and Ireland have to offer and to meet those who spend time searching for them. Over the course of a year, Leif goes on a journey around the UK and Ireland, highlighting the unique plants that grow there, their history and the threats that face them. His journey takes him from the Cornish coast to the pine forests of Scotland - even to the streets of London, proving that nature can be found in the most unexpected places. Along the way, Leif highlights the joy and positivity that can be found through understanding nature and why it is so desperately important to protect our wildflowers.

Heather's Piglets Feb 25 2022 Two young pigs wave farewell to their mum and set off on an epic journey to find their father. . . It's been two years since Heather got the farm in Scotland back for Isla and her dad, and she is struggling. As her piglets grow up, Heather is having to adjust not only to being a single mum, but also to having to deal with their adolescence. Over the years Heather has had many litters, but, not to put too fine a point on it, hitherto none of them made it past the suckling stage. But now Heather is no longer a working animal and is raising the two piglets she had with Aitor the stripey Bearded pig from London zoo. She's having to cope with the inevitable problems which come with being the mother of two cheeky, opinionated, adolescent piglets - Eder and her brother Tor. When a near disaster leaves Heather at death's door, her friend Rhona takes matters into her own hands. She decides the piglets need some discipline, and if Heather is too ill to provide it, she must find someone who can. She sends the piglets off to find Aitor, their father, last seen in a disused coalmine outside Gateshead some two years ago. . .

Between the Heather and the Northern Sea V3 (1884) May 07 2020 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Off Season Apr 29 2022 There's nothing like Martha's Vineyard on crisp autumn days, after the season has ended. The "off-islanders" are finally gone and ex-Boston cop J.W. Jackson is free to relax. But the natives are getting seriously restless this fall, with animal rights activists squaring off against deer slayers and environmentalists butting heads with land developers. Things have reached a boiling point, and it's not long before verbal arrows become real ones. When a most unlikely victim is caught in lethal crossfire, Jackson can't just sit idly by.

Bronze Age Settlement and Land-Use in Thy, Northwest Denmark (Volume 1 & 2) Aug 02 2022 This two volume monograph about the region of Thy in the early Bronze Age provides a high resolution archaeological and ecological model of the organisation of landscape, settlements and households during the period 1500-1100 BC. Bordering the North Sea to the west, and the calmer waters of the Limfjord to the east, the region of Thy in Denmark experienced four centuries of intense economic and demographic expansion. By combining results from environmental and economic research (pollen and palaeo-botanical analyses) with intensive field surveys and excavations of farmsteads with exceptional preservation, it has been possible to open a window to the changes that transformed Bronze Age society and its environment during a few centuries of exceptional expansion and wealth consumption. The results from this interdisciplinary venture made it possible to link together the histories of local farmsteads with the wider regional and global history of the Bronze Age in North-western Europe during this period. Here is much to feed on for students and researchers of the Bronze Age alike.

Weekly World News Jul 29 2019 Rooted in the creative success of over 30 years of supermarket tabloid publishing, the Weekly World News has been the world's only reliable news source since 1979. The online hub www.weeklyworldnews.com is a leading entertainment news site.

Wave Dance Sep 10 2020 DC Douglas graduated from Colorado State University with a journalism degree, and was formerly the editor of the Frontiersman newspaper in Palmer, Alaska. He attended graduate school at the University of Alaska in Fairbanks, has worked as an Alaska State Park Ranger, owned a commercial salmon fishing business in Bristol Bay, and built over 250 homes as a contractor in his hometown of Steamboat Springs, Colorado. He and his wife have bred Chesapeake Bay Retrievers for over 30 years. They currently share their time between Alaska and their Colorado ranch, where they raise Gypsy Vanner horses.

Moon over Manila Jan 15 2021 ENJOY HOT LOVE AND ROMANCE IN THE PHILIPPINES Archeology Intern Heather Kelly gains the opportunity of her academic life and is assigned to work with world famous Robert Kraig, a modern Indiana Jones, doing excavations all over the world. His current work deals with Jose Rizal, the independence hero of the Philippines. She is finishing up her doctoral dissertation on the Spanish American War and needs the information about Rizal, which if all goes well, will likely result in her attaining her doctorate and a lucrative teaching position in California. She doesn't expect Robert to be so unmarried, masculine and fit, and finds him extremely attractive. Robert is madly in love with a Filipina, Edie Santos, who owns and manages a respected, successful modeling agency and lands contracts in Davao City and Los Angeles. She is off on her assignments for weeks at a time, and Robert is lonely for Edie and starts drinking too much. Robert's colleagues warn him that Heather is a sex predator and playgirl. While Edie is away, Heather makes her move on Robert after a professional presentation at the

Manila Historical Preservation Office. Edie hears through the grapevine that Robert and Heather had sex, but Robert isn't convinced because of his cloudy recollection after too much wine. Then again, it depends on how you describe sex. Will Edie forgive his transgression?

Heather's Mannequin Feb 13 2021 THE HEART-STOPPING DEBUT FROM ATHENA'S DREAM PUBLISHING-AN ACTION-ADVENTURE COMBINING NEW ADULT FICTION AND CLASSIC LITERATURE. Cast out of a world that destroyed half of her body and much of her mind, Heather Zlamanowski retreats to a forested haven, getting by with the aid of prosthetic limbs. The world can't take what is left of me. Or so she thinks. Outside her home, a war draws near. Outside the forest, evil forces conspire against her. One day, she is forced to make an impossible choice to save a young child-a refugee of the approaching conflict. She must venture into a war zone at the risk of destroying her broken body. And shattering her fragile mind. With surprising twists, lyrical prose, and unforgettable characters, Heather's Mannequin is an unflinching examination of trauma and the attendant victimhood of our times.

Heather's Song May 31 2022 ALL SHE EVER WANTED Cole Everett watched Heather Shaw grow from a child into a girl hovering on the edge of womanhood...and then watched her walk away from him to make it as a singer. Just as her career is taking off, an accident brings Heather back to the ranch and back to Cole. But it is far from a happy homecoming. Heather is confused by her growing awareness of Cole as a man, and hurt by how much he hates her for leaving. Yet he refuses to ask her to stay. What will it take to convince him that the song in her heart is only for him?

Summertime Nov 12 2020 For a year, Venetia Summers has been buffered from single motherhood by her boyfriend, David, but when work takes him to a Brazilian rainforest, things begin to unravel. Phone lines crackle, e-mails go unanswered, and long-distance love proves to be a frustrating experience. Meanwhile, Venetia's children—Giles, Felix, and The Beauty—and dogs run wilder than ever, her boring freelance career drives her to all kinds of procrastination, and the awkward but persistent advances of a wealthy new neighbor become a little unsettling. How is Venetia to cope? A burgeoning fashion career, creating outlandish garments for a London boutique, provides some needed diversion. But when a moonlit walk takes an unexpected turn, she finds herself with a real dilemma on her hands. Throughout the chaos and moments of tenderness, her frankness and flair make this unsentimental British comedy a total delight From the Trade Paperback edition.

The Gown Sep 30 2019 Perfect for anyone who's captivated by The Crown, The Gown 'will dazzle and delight' (Independent)! The Gown is an enthralling historical novel about one of the most famous wedding dresses of the twentieth century - Queen Elizabeth's wedding gown - and the fascinating women who made it. London, 1947: Besieged by a harsh winter, burdened by shortages and rationing, the people of post-war Britain are suffering despite their nation's recent victory. For Ann Hughes and Miriam Dassin, embroiderers at the famed Mayfair fashion house of Norman Hartnell, a glimmer of brightness comes in the form of their unlikely friendship and being chosen for a once-in-a-lifetime honour: taking part in the creation of Princess Elizabeth's wedding gown. Toronto, 2016: Heather Mackenzie seeks to unravel the mystery of a legacy from her late grandmother. How did her beloved nan, who never spoke of her old life in Britain, come to possess the priceless embroideries that so closely resemble the motifs on the stunning gown worn by Queen Elizabeth II at her wedding almost seventy years before? And what was her nan's connection to the celebrated textile artist and Holocaust survivor Miriam Dassin? With The Gown, Jennifer Robson takes us inside the workrooms where one of the most famous wedding gowns in history was created to tell a story of women whose lives are woven together by the pain of survival, the bonds of friendship, and the redemptive power of love. 'Robson succeeds in creating a riveting drama of female friendship, of lives fully lived despite unbearable loss, and of the steadfast effort required to bring forth beauty after surviving war' Independent 'A great tale of female friendship' The People's Friend

Current Opinion Sep 22 2021

The Routledge Anthology of Cross-Gendered Verse Jan 27 2022 Both male and female poets cross the gender line: men assume a female voice and women a male voice. The Routledge Anthology of Cross-Gendered Verse is a fascinating collection of such poems, beginning in the age of Chaucer and working its way through to the present day. Together these poems offer a unique collection of masks, personae and voices, rife with issues of class, gender and race. Alan Parker and Mark Willhardt, in bringing together these poems for the first time, assert an entirely new paradigm; a theoretical and practical reading of a heretofore undefined genre. They also provide a critical introduction which synthesizes traditional literary debates with current gender theory and, through the lens of historical, literary, social and theoretical issues, present a new way to interpret these 'ventriloquized' poems. The Routledge Anthology of Cross-Gendered Verse provides a wealth of material for students and teachers of literature and gender studies. It is a compelling collection which will also appeal to poetry lovers.

Cast Upon a Restless Sea Jul 01 2022 "Please," she begged. Karina didn't know what she begged for, maybe for the flare to do its work or, maybe, for the pain to stop. She never saw which way the flare headed. A coughing fit that ended with a strong taste of blood in her mouth delivered her back into the comforting realm of darkness, back to where problems ceased to exist, and back to where pain could not find her. Fifteen-year-old Karina expects hardships and surprises during her five-month school term at sea aboard the Star Fin, a research vessel designed to turn troubled adolescents into responsible adults. Classes in marine biology and advanced scuba diving help her gain confidence and self-control; but nothing prepares her for encounters with moray eels, a dangerous Portuguese man-of-war, deadly sea snakes, and man-eating sharks. When blood-frenzied sharks viciously attack a family of capsized kayakers, Karina's skills and courage are put to the ultimate test. Her skills are tested even further when Karina and her peers attempt to explore a shipwreck deep in the ocean. After the group is sabotaged and stranded by a fellow classmate, everything that can go wrong, does. Are Karina and her friends strong enough to survive the elements, a sinking ship, and decompression sickness?

The Vocal Melodies of Scotland. Symphonies and accompaniments by F. Dun and J. Thomson, etc Oct 24 2021

Two Solitudes Aug 22 2021 First time in the New Canadian Library "Northwest of Montreal, through a valley always in sight of the low mountains of the Laurentian Shield, the Ottawa River flows out of Protestant Ontario into Catholic Quebec. It comes down broad and ale-coloured and joins the Saint Lawrence, the two streams embrace the pan of Montreal Island, the Ottawa merges and loses itself, and the main-stream moves northeastward a thousand miles to sea." With these words Hugh MacLennan begins his powerful saga of Athanase Tallard, the son of an aristo-crat French-Canadian tradition, of Kathleen, his beautiful Irish wife, and of their son Paul, who struggles to establish a balance in himself and in the country he calls home. First published in 1945, and set mostly in the time of the First World War, Two Solitudes is a classic novel of individuals working out the latest stage in their embroiled history.
