History and Forgetfulness in an "American" County Sep 11 2020

The Great American Mission Oct 01 2019 The Great American Mission traces how America's global modernization efforts during the twentieth century were a means to remake the world in its own image. David Ekbladh shows that the emerging concept of modernization combined existing development ideas from the Depression. He describes how ambitious New Deal programs like the Tennessee Valley Authority became symbols of American liberalism's ability to marshal the social sciences, state planning, civil society, and technology to produce extensive social and economic change. For proponents, it became a valuable weapon to check the influence of menacing ideologies such as Fascism and Communism. Modernization took on profound geopolitical importance as the United States grappled with these threats. After World War II, modernization remained a means to contain the growing influence of the Soviet Union. Ekbladh demonstrates how U.S.-led nation-building efforts in global hot spots, enlisting an array of nongovernmental groups and international organizations, were a basic part of American strategy in the Cold War. However, a close connection to the Vietnam War and the upheavals of the 1960s would discredit modernization. The end of the Cold War further obscured modernization's mission, but many of its assumptions regained prominence after September 11 as the United States moved to contain new threats. Using new sources and perspectives, The Great American Mission offers new and challenging interpretations of America's ideological motivations and humanitarian responsibilities abroad.

Journey of An American Muslim Sep 04 2022 Journey of an American Muslim is an epic journey into the life of the author. It's a biography that is uncompromising in its authenticity and honesty. Muslims and non-Muslims will appreciate its candor as the author shares his experiences in the four phases of his development into his life as a Muslim in America. In this book you will discover: -The major influences that encouraged the Author to study and later become a Muslim. -How the Author transitioned from being a very "zealous" Muslim in the beginning; to discovering "spirituality" while taking more risks in his practice of the Muslim life; to becoming an open minded "truth seeker" who happens to be Muslim. -In candid detail how the Author survived multiple marriages (learning experiences), the loss of two good paying professional jobs, foreclosure of his home and working at Wal-Mart for 3 1/2 years earning what he considers "survival income." Journey of an American Muslim is a personal journey and an odyssey of major proportions for any human being. Muslim or non-Muslim, to have to experience. One wonders how one could survive such a personal drama, financial upheaval and professional setbacks. This author not only experienced the epic journey, but lived to tell about it.

Zen in America Jul 22 2021 This expanded edition of the highly acclaimed investigation of Zen teaching in America, by the founder and editor of America's first Buddhist magazine, lays bare the issues at the heart of the Zen mission. Through in-depth portraits of five American Zen masters, Tworkov creates a trenchant sociological picture of an important strand of American spiritual life. 27 photos.

Elia Kazan Jun 08 2020 "In 1999 Elia Kazan received an honorary Oscar for lifetime achievement; it was a controversial award, for in 1952 he had cooperated with the House Committee on Un-American Activities, for which he was ostracized by many. Kazan's life and work in the cinema are due a reassessment - one that is presented by Brian Neve in this book, drawing on neglected archive sources, including Kazan's own papers, and situating Kazan within the culture and politics of his times."--BOOK JACKET.

Song in a Weary Throat: Memoir of an American Pilgrimage Mar 30 2022 A prophetic memoir by the activist who “articulated the intellectual foundations” (The New Yorker) of the civil rights and women’s rights movements. First published posthumously in 1987, Pauli Murray’s *Song in a Weary Throat* was critically lauded, winning the Robert F. Kennedy Book Award and the Lillian Smith Book Award among other distinctions. Yet Murray’s name and extraordinary influence receded from view in the intervening years; now they are once again entering the public discourse. At last, with the republication of this “beautifully crafted” memoir, *Song in a Weary Throat* takes its rightful place among the great civil rights autobiographies of the twentieth century. In a voice that is energetic, wry, and direct, Murray tells of a childhood dramatically altered by the sudden loss of her spirited, hard-working parents. Orphaned at age four, she was sent from Baltimore to segregated Durham, North Carolina, to live with her unflappable Aunt Pauline, who, while strict, was liberal-minded in accepting the tomboy Pauli as “my little boy-girl.” In fact, throughout her life, Murray would struggle with feelings of sexual “in-betweenness”—she tried unsuccessfully to get her doctors to give her testosterone—that today we would recognize as a transgendered identity. We then follow Murray north at the age of seventeen to New York City’s Hunter College, to her embrace of Gandhi’s Satyagraha—nonviolent resistance—and south again, where she experienced Jim Crow firsthand. An early Freedom Rider, she was arrested in 1940, fifteen years before Rosa Parks’ disobedience, for sitting in the whites-only section of a Virginia bus. Murray’s activism led to relationships with Thurgood Marshall and Eleanor Roosevelt—who respectfully referred to Murray as a “firebrand”—and propelled her to a Howard University law degree and a lifelong fight against “Jane Crow” sexism. We also read Betty Friedan’s enthusiastic response to Murray’s call for an NAACP for Women—the origins of NOW. Murray sets these thrilling high-water marks against the backdrop of uncertain finances, chronic fatigue, and tragic losses both private and public, as Patricia Bell-Scott’s engaging introduction brings to life. Now, more than thirty years after her death in 1985, Murray—poet, memoirist, lawyer, activist, and Episcopal priest—gains long-deserved recognition through a rediscovered memoir that serves as a “powerful witness” (Brittney Cooper) to a pivotal era in the American twentieth century.

Dreams and Wars of an American Inventor Apr 30 2022

An American Diplomat in China Aug 23 2021 "An American Diplomat in China" by Paul S. Reinsch. Published by Good Press. Good Press publishes a wide range of titles that encompasses every genre. Each Good Press edition has been meticulously edited and formatted to boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Black Conservative: An American Hero Oct 13 2020 *The Black Conservative: An American Hero* By Richard Jules Valvano Can a powerful piece of fiction undo the negative stereotyping cast on a group of individuals and make them noble and heroic? In this riveting and explosive novel, the author is betting it will. For years, the black left has cast politically conservative African-Americans as insensitive traitors to the Civil Rights Movement. They are seen as unhinged thinkers who dare to question liberal conventional wisdom concerning black matters and issues. They are often depicted as “Uncle Toms” and whites in dark skin who actually want blacks to be passive porters, shoe-shiners and doormats in a white society. *The Black Conservative: An American Hero* not only challenges these stereotypes, it does it by way of an engaging thriller filled with fascinating characters. The entire effect is meant to give black conservatives a human element, an insight into their thinking, and a culmination of a renewed and invigorating image of them.

An American Reader Nov 01 2019

An American Musical Dynasty Mar 18 2021 "For the span of one hundred years, Peter, Theodore, and J. Fred. Wolle formed an American musical dynasty. While each musician was rooted in the Moravian musical tradition, particularly through the innovations of The Bach Choir of Bethlehem, their influence extended beyond the Moravian Church and became a major force in Bach performance in America. The early characterization of Bethlehem, Pennsylvania as the American Bayreuth remains an apt one to this day." "The musical tradition that shaped these musicians was centered in Nazareth (1740) and Bethlehem (1742), the first Moravian communities founded in Pennsylvania. In addition to schools for young children, the Moravians established academies for young men in Nazareth and for young women in Bethlehem. These academies became well known for their excellence. Music was central in both schools, and each had faculties of fine musicians trained in Europe who transplanted European musical excellence to American soil. As a result, during the late eighteenth and early nineteenth centuries, each academy provided a music education unsurpassed in America. In addition, each institution was closely attached to the vital music-making that pervaded all Moravian communities. Thus, this deep reverence for music in Nazareth and

Bethlehem nourished and trained many fine musicians. For generations members of the same families sang, played musical instruments, and composed sacred music together." "This book is also about Moravian cultural patterns that produced so many musically productive men, women, and children who still shape life in the city of Bethlehem."--BOOK JACKET. Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

The Education of an American Soccer Player Dec 15 2020 One of the North American soccer League's great goalies, Messing relates anecdotes about his Bronx childhood, Harvard education, participation in the Munich Olympics, and career with the New York Cosmos.

Zwischenstop in Idlewild Jan 28 2022 Auf dem Weg in ein neues Leben in San Francisco macht Ava, die erfahren hat, dass sie HIV-positiv ist, Station bei ihrer Schwester in Idlewild, dem Ort ihrer Kindheit. Sie ahnt nicht, was und wer sie erwartet.

Modular America Oct 05 2022 While the attempt to understand Americanness in terms of our beliefs and mentality is all too familiar, Blair's approach to the origins of American culture opens up previously unexplored perspectives. Focusing on the uniquely American tendency to organize cultural artifacts out of component parts rather than structured wholes, he looks at the emergence of this phenomenon as it has affected cultural domains as diverse as manufacturing, architecture, education, and jazz. The significance of modularity opens new perspectives on American culture as a whole.

The Emergence of an American Left: Civil War to World War I Aug 03 2022

The Saga of an American Jewish Family Since the Revolution Nov 25 2021 Jonas Phillips (1736-1803) immigrated from Germany to Charleston, South Carolina, moving to Albany, New York in 1761 and then to New York City, where he married Rebecca Machado in 1762. The family moved to Philadelphia in 1774. Descendants lived in New York, Pennsylvania, California and elsewhere.

An American and The Law Apr 06 2020 An American, and The Law, is the personal story of a real American, who faces the changes the Country brings to its people. This book is unlike any other. You will hear stories and accounts that will help you understand and deal with our laws and applications for a better life. In truth, all Americans should have a basic comprehension of the laws and protections available for our benefit and well-being.

Letters from an American Farmer and Sketches of Eighteenth-Century America May 20 2021 America's physical and cultural landscape is captured in these two classics of American history. Letters provides an invaluable view of the pre-Revolutionary and Revolutionary eras; Sketches details in vivid prose the physical setting in which American settlers created their history. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Lasting of the Mohicans Feb 03 2020 How media versions of Cooper's classic frontier novel have perpetuated the myth of "America."

Joe Papp: An American Life Jul 10 2020 Joseph Papp (1921-1991), theater producer, champion of human rights and of the First Amendment, founder of the New York Shakespeare Festival and Public Theater, changed the American cultural landscape. Born Yussel Papirofsky in Williamsburg, Brooklyn, he discovered Shakespeare in public school and first produced a show on an aircraft carrier during World War II. After a stint at the Actors' Lab in Hollywood, he moved to New York, where he worked as a CBS stage manager during the golden age of television. He fought Parks Commissioner Robert Moses (as well as Mayors Wagner, Lindsay, Beame and Koch) winning first the right to stage free Shakespeare in New York's Central Park, then municipal funding to keep it going. He built the Delacorte Theater and later rebuilt the former Astor Library on Lafayette Street, transforming it into the Public Theater. In addition to helping create an "American" style of Shakespeare, Papp pioneered colorblind casting and theater as a not-for-profit institution. He showcased playwrights David Rabe, Elizabeth Swados, Ntozake Shange, David Hare, Wallace Shawn, John Guare, and Vaclav Havel; directors Michael Bennett, Wilford Leach and James Lapine; actors Al Pacino, Colleen Dewhurst, George C. Scott, James Earl Jones, Meryl Streep, Kevin Kline, Sam Waterston, and Denzel Washington; and produced *Hair*, *Sticks and Bones*, *for colored girls*, *The Normal Heart*, and *A Chorus Line*, the longest running musical in Broadway history. "This first biography of the late Joseph Papp will be a hard act to follow." — Booklist "The final portrait that emerges might have been jointly painted by Goya, Whistler and Francis Bacon." — Benedict Nightingale, front-page New York Times Sunday Book Review Playwright Tony Kushner called Papp "one of the very few heroes this tawdry, timid business has produced" and the book, a "nourishing and juicy biography." "Helen Epstein recounts [Papp's] career in [this] definitive, meticulously researched and highly readable biography. [...] It is a tribute to Epstein's narrative skill that the detailed account of Papp's decline and eventual defeat by cancer [...] reads as both riveting and horrifying." — Ellen Schiff, *All About Jewish Theatre* Oklahoma-born Paul Davis created 51 iconic posters for Joseph Papp, starting in 1975 with the New York Shakespeare Festival production of "Hamlet" starring Sam Waterston. "It was inspiring to work with Joe," says Davis. "We would discuss what he wanted to achieve in a production, and he trusted me to find a way to express it. And he respected the poster as its own dramatic form." The artist's work has been exhibited in the U.S., Europe and Japan. He is a recipient of a special Drama Desk award created for his theater art. Davis was elected to the Art Directors Club Hall of Fame and the Society of Illustrators

Hall of Fame, and is a Fellow of the American Academy in Rome.

Building an American Empire Jun 20 2021 How American westward expansion was governmentally engineered to promote the formation of a white settler nation Westward expansion of the United States is most conventionally remembered for rugged individualism, geographic isolationism, and a fair amount of luck. Yet the establishment of the forty-eight contiguous states was hardly a foregone conclusion, and the federal government played a critical role in its success. This book examines the politics of American expansion, showing how the government's regulation of population movements on the frontier, both settlement and removal, advanced national aspirations for empire and promoted the formation of a white settler nation. Building an American Empire details how a government that struggled to exercise plenary power used federal land policy to assert authority over the direction of expansion by engineering the pace and patterns of settlement and to control the movement of populations. At times, the government mobilized populations for compact settlement in strategically important areas of the frontier; at other times, policies were designed to actively restrain settler populations in order to prevent violence, international conflict, and breakaway states. Paul Frymer examines how these settlement patterns helped construct a dominant racial vision for America by incentivizing and directing the movement of white European settlers onto indigenous and diversely populated lands. These efforts were hardly seamless, and Frymer pays close attention to the failures as well, from the lack of further expansion into Latin America to the defeat of the black colonization movement. Building an American Empire reveals the lasting and profound significance government settlement policies had for the nation, both for establishing America as dominantly white and for restricting broader aspirations for empire in lands that could not be so racially engineered.

Jeans Aug 11 2020 Traces the history of the popular denim garment, from the humble original working pants first mass produced by Levi Strauss for California miners in the 1870s to the donning of today's premium designs, describing how jeans have been derided throughout the past century and a half and popularized by the fashion and film industries. 30,000 first printing.

Who Governs? Jul 02 2022 In this work, one of the most celebrated political scientists of the 20th century offers a powerful interpretation of the location of political power in American urban communities.

An American Emmaus Apr 18 2021 A penetrating study of the impact of culture on the Catholic Church in the U.S., and the importance of the Church to the culture. "Emmaus," writes the author, "is not only the name of a town in the gospel of Luke. It is also a state of mind." He portrays the American Emmaus as an ongoing conversion walk of twentieth-century Christians who attempt to recognize the crucified and risen Christ within the complex and pluralistic cultures of the United States. He focuses on the connections between being Catholic and American at this point in history, challenges the Church to give witness to the gospel message, and shows how it is through liturgy (the gathered American community) that the Church once again takes the walk to Emmaus. Here are insights not only for Catholics but for Christians of every denomination.

Noah Webster's First Edition of an American Dictionary of the English Language Oct 25 2021 The Webster's 1828 Dictionary is a unique and essential tool for educating Christians; It has the greatest number of Biblical definitions of any reference; Roots are traced in 26 languages; Usage examples come from classical literature and the Bible; This dictionary becomes not only a tool for defining words Biblically, it becomes a way of thinking that forms your worldview; It will equip you for Christian leadership, strengthen your vocabulary, give you an edge in communicating your view and become your foundation for thinking and reasoning Biblically. This tool can be the turning point for you to be more effective in communicating Christian principles used in government, economics, and marketing or for your student to clearly understand how the Bible has influenced every area of life.

Die Leiden eines Amerikaners Nov 06 2022 Vom trügerischen Glück und der Gefährdung der Liebe Brooklyn zu Beginn des neuen Jahrtausends: Psychiater Erik Davidsen erzählt von einem bewegten Abschnitt seines Lebens. Es scheint ein «Jahr der Geheimnisse», das Jahr, in dem sein Vater stirbt und im Nachlass Briefe gefunden werden, die auf ein dramatisches Ereignis in dessen Jugend hindeuten. Das Jahr, in dem seine Schwester von einer Unbekannten verfolgt und belästigt wird. Das Jahr, in dem eine betörend schöne Jamaikanerin in Eriks Haus zieht, die jedoch etwas zu verbergen scheint ... «Siri Hustvedt schreibt im Wortsinn traumhaft.» Salman Rushdie

Duty, Honor and a Loaf of Bread Jun 28 2019 "Like other families, letters were the fabric that held the fledgling Waldron family together during the personally trying, society changing events of World War II. Bill, the town baker, voluntarily became an infantry soldier and platoon scout in Europe and Marge, a new wife, became the town baker - the Waldron's version of Rosie the Riveter. Nothing in their lives had prepared them for these roles yet everything in their lives made them equal to the tasks at hand. Their letters to one another provide an intimate view of an American family triumphing in the face of adversity. Duty, Honor, Faith, Love and Family all play a role and readers will come to love and admire both of them. Bill's letters from the Battle of the Bulge, the Siegfried Line and through the end of the war across Germany and into Czechoslovakia are particularly interesting. He reveals himself as a down to earth patriot who volunteered for a very dangerous job and excelled - a man with survivor's instincts who avoided illness, frostbite and wounds under extremely difficult circumstances. Historical perspective is provided by sidebars throughout the book which explain matters referred to in the letters as well as what is going on in the war and at home. The sidebars are themselves an education, made immediate and interesting by the personal experiences conveyed in the letters"--Page 4 of cover

Dear America Aug 30 2019 THE NATIONAL BESTSELLER "This riveting, courageous memoir ought to be mandatory reading for every American." —Michelle Alexander, New York Times bestselling author of *The New Jim Crow* "I cried reading this book, realizing more fully what my parents endured." —Amy Tan, New York Times bestselling author of *The Joy Luck Club* and *Where the Past Begins* "This book couldn't be more timely and more necessary." —Dave Eggers, New York Times bestselling author of *What Is the What* and *The Monk of Mokha* Pulitzer-Prize winning journalist Jose Antonio Vargas, called "the most famous undocumented immigrant in America," tackles one of the defining issues of our time in this explosive and deeply personal call to arms. "This is not a book about the politics of immigration. This book—at its core—is not about immigration at all. This book is about homelessness, not in a traditional sense, but in the unsettled, unmoored psychological state that undocumented immigrants like myself find ourselves in. This book is about lying and being forced to lie to get by; about passing as an American and as a

contributing citizen; about families, keeping them together, and having to make new ones when you can't. This book is about constantly hiding from the government and, in the process, hiding from ourselves. This book is about what it means to not have a home. After 25 years of living illegally in a country that does not consider me one of its own, this book is the closest thing I have to freedom.” —Jose Antonio Vargas, from *Dear America*

A History of an American Pioneer Family Dec 27 2021 Thomas Littell or Little, was born in about 1700. He was probably born in Britain and later emigrated to Kent County, Delaware. He moved to Beaufort County, North Carolina in about 1728. He married and had four known sons, John, James, George and Josiah. Thomas died in 1764. Descendants and relatives lived mainly in North Carolina, Indiana, Kansas and Oklahoma. Includes Holland, Pangrac, Williams and related families.

An American Tragedy Jan 04 2020 This landmark 1925 novel--the basis for the acclaimed 1951 film *A Place in the Sun*--is both a riveting crime story and a devastating commentary on the American dream. Theodore Dreiser was inspired by a true story to write this novel about an ambitious, socially insecure young man who finds himself caught between two very different women--and two very different visions of what his life could be. Clyde Griffiths was born poor and is poorly educated, but his prospects begin to improve when he is offered a job by a wealthy uncle who owns a shirt factory. Soon he achieves a managerial position, and despite being warned to stay away from the women he manages, he becomes involved with Roberta, a poor factory worker who falls in love with him. At the same time, he catches the eye of Sondra, the glamorous socialite daughter of another factory owner, and begins neglecting his lover to court her. When Roberta confronts Clyde with her pregnancy, Clyde's hopes of marrying Sondra are threatened, and he conceives a desperate plan to preserve his dream.

War Letters of an American Woman May 08 2020

Life of an American Workman Jun 01 2022 DigiCat Publishing presents to you this special edition of "Life of an American Workman" by Walter P. Chrysler, Boyden Sparkes.
