reform of the “economic management system” was decided, China’s economic reform has been going on for nearly half a century. At the beginning, the so-called “reform of the economic management system” was only limited to some policy adjustments so as to improve the economic situation and vitalize the economy, but there was not a certain fixed goal. But the reform with market orientation has been becoming more and more clear-cut until mid 1980s. In the reform lasting for 50 years, China has been taking various measures to reform the original economic system. (1) 1958-1978, Administrative Decentralization: this period was featured by the central government distributing its power and benefits to the government at different levels. (2) 1979-1992: Incremental Reform: also entitled “priority of reform for outside system sectors”, the reform was carried out mainly in non state-owned sectors or those sectors outside the plan so as to facilitate their development. (3) 1993-2002, a strategy was

2021 In the spring of 1914, renowned photographer August Sander took a photograph of three young men on their way to a country dance. This haunting image, capturing the last moments of innocence on the brink of World War I, provides the central focus of Powers's brilliant and compelling novel. As the fate of the three farmers is chronicled, two contemporary stories unfold. The young narrator becomes obsessed with the photo, while Peter Mays, a computer writer in Boston, discovers he has a personal link with it. The three stories connect in a surprising way and provide the reader with a mystery that spans a century of brutality and progress.

Harper joins the crew of the Wayfarer, she isn't expecting much. The ship, which has seen better days, offers her everything she could possibly want: a small, quiet spot to call home for a while, adventure in far-off corners of the galaxy, and distance from her troubled past. But Rosemary gets more than she bargained for with the Wayfarer. The crew is a mishmash of species and personalities, from Sissix, the friendly reptilian pilot, to Kizzy and Jenks, the constantly sparring engineers who keep the ship running. Life on board is chaotic, but more or less peaceful - exactly what Rosemary wants. Until the crew are offered the job of a lifetime: the chance to build a hyperspace tunnel to a distant planet. They'll earn enough money to live comfortably for years... if they survive the long trip through war-torn interstellar space without endangering any of the fragile alliances that keep the galaxy peaceful. But Rosemary isn't the only person on board with secrets to hide, and the crew will soon discover that space may be

Improvement takes you through a real-life case study of one organization's journey to a world-class continuous improvement process. Joakim Ahlstrom—one of the world's most respected continuous improvement experts—serves as your coach. He first helps you decide whether you want to embark on the continuous improvement journey and takes you through the entire process step by step, all the way through generating remarkable business results with his unique methods. In each chapter, Ahlstrom describes a specific stage of the transformation story and provides a clear analysis of each one to help you apply his methods in your own company. In no time you'll grasp all the concepts you need to know. How to Succeed with Continuous Improvement covers it all, including: How to shift mindsets and behaviors using the often neglected practice of coaching Common pitfalls to help you plan out how you will apply the principles and practices Using "six-legged spiders" and "fishy" diagrams to achieve

and how he underwent radical biological changes in 1967. Preferring to call it the natural state over enlightenment, he insists that whatever transformation he has undergone is within the structure of the human body and not in the mind at all. It is the natural state of being that sages like the Buddha, Jesus and, in modern times, Sri Ramana, stepped into. And U.G. never tires of pointing out that 'this is the way you, stripped of the machinations of thought, are also functioning.'
