Flash Techniques for Location Portraiture May 19 2021 Small-flash photography has become widely popular because of its portability and affordability, and this book offers insights on mastering the use of small-unit, hot shoe-mounted flashes called flashguns. Demonstrating the various light modifiers, techniques, and setups designed for these small powerhouses of light, the book explores how to achieve creative results from working with a single flashgun, multiple flashguns, and colored filters, as well as making adjustments with the camera's white-balance settings. The guide lists the tools required for location-portrait photography and discusses different lighting setups—from shooting in direct sunlight to night and low-light photos—for various location-portrait situations, giving photographers the confidence to make lighting decisions to produce professional results.

Veterinary Hematology - E-Book Jul 21 2021 Combining essential hematology content with the diagnostic features of an atlas, *Veterinary Hematology: A Diagnostic Guide and Color Atlas* delivers all the information you need to accurately assess and diagnose the blood diseases of common domestic animals — including dogs, cats, horses, cattle, sheep, goats, pigs, and llamas. This all-in-one resource utilizes a clinically-oriented and user-friendly approach to guide you through the processes of selecting relevant diagnostic tests, collecting and preparing samples, interpreting sample results, and determining their clinical significance. High-resolution photomicrographs, full-color illustrations, and excellent schematic drawings, tables, and quick-reference algorithms help you clearly visualize these concepts and procedures. Two books in one gives you the information of a user-friendly, clinical textbook and the diagnostic features of a color atlas in a single reference. Practical, clinically-relevant text is comprehensive and yet concise in its delivery of vital information such as: Principles and procedures that are employed in recognizing normal, abnormal, and artifactual features of blood and bone marrow samples and developing accurate diagnoses Common cytochemical stains and summary charts for interpretation Sample collection, staining procedures, and diagnostic techniques Differentiating features of malignant and

benign hematologic disorders Miscellaneous cells and blood parasites and their significance in the evaluation of blood smears Hematopoietic and non-hematopoietic neoplasms High- resolution photomicrographs and excellent schematic drawings, tables, boxes and quick-reference algorithms aid your understanding of basic clinical concepts and differential diagnostic considerations. Over 800 full-color illustrations help you clearly visualize the concepts and clinical features of the blood and bone marrow — from normal cell maturation to the development of various pathologies.

200% - an Instruction Manual for Living

Fully Oct 04 2022 "Every human should get a copy of this book when they are born." - Manyu, internationally renowned mindfulness/meditation teacher This book is a guide for the human condition. It is a practical, real and honest roadmap for anyone who wants to experience life to its fullest - at 200%. 200% of life is the experience of everything. It is the whole of life: 100% inner connection, peace and stability and 100% outer enjoyment, effectiveness and fulfilment. Success without contentment and peace is half a life. Being "Zen" without action or the good things of life is only half the picture. You can have both; you deserve both. You deserve to live 200% of life. A step-by-step, "How to live fully" manual, this book gives you everything you need to cultivate the right rock solid inner foundation for the most fulfilling, and even thrilling, external existence. Light-hearted, entertaining and incredibly clear, this is the rarest of spiritual books - it doesn't take itself too seriously, yet what it delivers is profound. Do you want to live

200% of life? Here is your complete guide on how to do it. _____ Reviews for 200%: "I believe every human should get a copy of this book when they are born. It's a book that actually shows you how to LIVE. A Life manual. A practical Life guide. A How-to-Let-Go guide. A guide on How-to-be-Happy, How to find Peace, and How to Make Life Easy. Arjuna has done a truly amazing job. It is a wonderful book. I love it." - Manyu, internationally renowned meditation/mindfulness teacher "This is a lovely book. Yes, in a way, it is a 'self help' book, but it would be like saying Dan Millman's Peaceful Warrior books or the writings of Seneca are 'self help.' This book has a clear vision of teaching us the path to true happiness in body, mind, soul and spirit. It is a wonderful read and I will come back to dip in its waters many, many times." - Dan John, strength coaching legend, religious studies academic, best-selling author of eleven books including Never Let Go "200% holds so much real life relatable wisdom. I know this book will change lives because it makes living the best of lives possible for anyone with an inner desire and calling for more. If 'more' is calling you, then Arjuna's book is the answer." - Sandy C. Newbigging, coaching and meditation expert, best-selling author of seven books including Mind Detox "Arjuna strikes that just right balance between finding inner peace and living to perform. These two aspects, commonly at odds, need no longer be. Welcome to the 200% club." - Pat Flynn, fitness expert, philosopher, best-selling author of five books including How to Be Better at (Almost) Everything, top 500 health and fitness blogger "200% is written with such clarity and humour that simply reading it is an enormous pleasure. But it doesn't stop there - if readers put these words into action there will be a tremendous impact, not just on themselves, but on the entire world." - Rebekah Palmer, journalist, editor and author of two books including Rhythm, as well as the children's series Champ the Chopper "I absolutely LOVE it. I love the mixture of wisdom, humility and humour. I love the format and the very real and practical advice, which is life changing. Everyone should read this book!" - Joanna Taylor, international yoga and meditation expert
