From the very beginning, two wheelers are recognized as a mark of triumph, independence and joy. These are considered fast, safe and easy mode of transportation with worthy fuel economy. Notes From A Big Country Feb 02 2020 Bill Bryson has the rare knack of being out of his depth wherever he goes - even (perhaps especially) in the land of his birth. This became all too apparent when, after nearly two decades in England, the world's best-loved travel writer upped sticks with Mrs Bryson, little Jimmy et al. and returned to live in the country he had left as a youth. Of course there were things Bryson missed about Blighty but any sense of loss was countered by the joy of rediscovering some of the forgotten treasures of his childhood: the glories of a New England autumn; the pleasingly comical sight of oneself in shorts; and motel rooms where you can generally count on being awakened in the night by a piercing shriek and the sound of a female voice pleading, 'Put the gun down, Vinnie, I'll do anything you say.' Whether discussing the strange appeal of breakfast pizza or the jaw-slackening direness of American TV, Bill Bryson brings his inimitable brand of bemused wit to bear on that strangest of phenomena - the American way of life.

The Great Tithing Scam Aug 10 2020 Some have said that the word scam is too strong for a book that argues against the church's most sacred cow, but scam is exactly the right word because tithing has been put forth as a duty that will earn that which Christ suffered and died to freely give us. Not only is it wrong to suggest that tithing will do what Christ died to do, such as open heaven or make one right with God, but such teaching is an insult to His sacrifice and in reality, an enemy to the Cross even as circumcision was in the early church. Our ministers have been naively leading the church back under the Old Testament Law, and its curse, with imagined tithing promises that have gone way beyond even that which Malachi promised. Under the guise of obedience, faithfulness and stewardship, we've been duped into believing we must prove ourselves without realizing that practicing the Law (tithing) blocks us from becoming sons and heirs according to Galatians 4: 5. Do you know that The book of Malachi was never intended to be instruction to the New Testament church? All the ordinances in Malachi (including tithing) were nailed to Jesus' cross, according to Colossians chapter 2? Tithing is part of the Law according to Matt. 23: 23, Malachi 3: 7, and Hebrews 7: 18? The practice of tithing, the Law, can expose you to the curse of the Law causing incurable sicknesses, debt, death, and many other problems, according to the Apostle Paul in Galatians 3: 10? The practice of tithing actually removes you from the state of grace and places you back the category of sinner? Hebrews 5: 4 Tithing causes you to frustrate the grace of God, and causes Christ to profit you nothing? Galatians 2: 21 and 5: 2 Making tithing a practice today actually causes the New Testament to become another gospel according to Paul in Galatians 1: 6? Order *The Great Tithing Scam* today and find out what else tithing will or won't do.

Tithing: Nailed to the Cross Dec 02 2019 TITHING NAILED TO THE CROSS is a book that cuts through all the opinions, traditions, superstitions, imagined benefits, and false doctrines, to clearly and doctrinally explain the absence of tithing in the New Testament. Bruce plainly teaches why tithing is not required after the Resurrection (the beginning of the New Testament); how tithing can interfere with sonship, faith, and even salvation; and how tithing can expose you to the curse of the Law causing health, financial, marital, and many other problems. Wouldn't it be wonderful to actually have your prayers easily answered because of Jesus finished work and the Name He gave us to use? Wouldn't you like to know that God is going to say yes to His promises without you having to wonder if all your church ducks are in a row? And wouldn't it be nice to have a royal ring put on your finger, a kingly robe placed on your back, and a big hug of approval without having to sleep in the bunk house as a servant until it's decided that you can be trusted? We may call it an act of faith, obedience, doing the Word, good stewardship, or what ever we want; but at the end of the day, it is

nothing more than an obsolete, Old Testament ordinance that will only frustrate the grace of God, as Paul taught in Galatians. As circumcision became nothing under the New Covenant, likewise, tithing is no longer obligatory. So, will you choose to develop a shaky faith based on the works of an Old Testament law that never should have been carried over to the New Testament? Or, will you choose to develop a resolute faith that is based on Jesus immutable work at the cross which included the removal of Malachis ordinances (tithing)? Will you go with the crowd, or the truth?
