[Confessions of an Essex Girl](#) Feb 13 2021 'So you think because you've watched TOWIE you've got us Essex Girls figured out? You don't know the half of it. Events in this book are so shameless that I've had to change all the names, but everything that happens is real.' Becci Fox is an Essex girl through and through. She just wants to be comfortable and spoilt, taken out to nice places and showered with presents. And she is. She lives in the grounds of her parents' manor house, drives a Mercedes SLK and had a boob job when she was nineteen. She's ambitious, working hard during the day as a bridal buyer. And at night she plays hard, clubbing at Sugar Hut and Faces, mixing with celebrities and soap stars. She knows how to handle the footballers who buy you Cristal champagne and make you feel like the most special person in the room (only they've got five other girls on speed dial). But when she falls for a sexy racing driver, is she finally out of her league? Becci shares six dramatic months in her life as she and her friends have fun, fall in love, handle heartache and betrayal, and even plan a big fat Essex wedding.

Kids in America Sep 22 2021 Generation X was born between the legions of Baby Boomers and Millennials, and was all but written off as cynical, sarcastic slackers. Yet, Gen X's impact on culture and society is undeniable. In her revealing and provocative essay collection, KIDS IN AMERICA: ESSAYS ON GEN X, Liz Prato reveals a generation deeply affected by terrorism, racial inequality, rape culture, and mental illness in an era when none of these issues were openly discussed. Examined through the lens of her high school and family, Prato reveals a small, forgotten cohort shaped as much by Sixteen Candles and Beverly Hills, 90210, as it was by the Rodney King riots and the threat of nuclear annihilation. Prato is unflinching in asking hard questions of her peers about what behavior was then acceptable or overlooked, and how we reconcile those sins today. KIDS IN AMERICA illuminates a generation that is often cited, but rarely examined beyond the gloss of nostalgia.

Clothing Optional Nov 12 2020 Oy veh! If this book chronicles Julietta's Appleton's first 50 years, one can only imagine the sequel! Julietta's mother died when she was nine. Her father, a blacklisted Hollywood screenwriter, sent his daughter to 17 different schools in the U.S. and Europe, including Catholic boarding schools. Julietta has lived in 36 different homes in 6 different countries, and developed a witty and keen sense of observation along the way. She survived her mother's peculiar health practices, grooved through the '60s without any permanent damage, raised and sent kids off to college, lived through the detonation of her marriage, and endured life in the suburbs as a single woman. A car accident in 1996 left her with a mild but permanent brain injury and chronic pain. And as if that were not enough, her fiancé of two months died suddenly of a heart attack just as the two were beginning a new life together. And yet, Julietta manages to find humor in everyday life--sex toys, hurricanes, chocolate, dating, and senile dementia are just some of her targets. She is wickedly funny, naughty, and provocative. Clothing Optional will make you laugh through your tears and cry through your laughter.

Tess has been determined to get revenge for her father, ever since he was falsely accused of misusing company funds and unceremoniously let go from Diamond Enterprises. She will have to use all of her skills if she's to succeed and to resist the powerful magnetism of the irresistible men sent to help - or distract - her. Porn Chic Aug 22 2021 The mainstreaming of pornographic imagery into fashion and popular culture at the turn of the millennium in Britain and the US signalled a dramatic cultural shift in construction of both femininity and masculinity. For men and women, raunch became the new cool. This engaging book draws from a diverse range of examples including film, popular tabloids, campus culture, mass media marketing campaigns, facebook profiles, and art exhibits to explore expressions and meanings of porn chic. Bringing a cultural and feminist lens to the material, this book challenges the reader to question the sexual agency of the 12-year-old girl dressed to seduce in fashions inspired by Katie Price, the college co-ed flashing her breasts for a film maker during Spring break, and the waitress making her customer happy with chicken wings and a nice set of Hooters. Further it explores the raunchy bad boys being paid handsomely to tell the world about their sexual exploits, online, on film, and in popular press bestsellers. The book also contains thought-provoking artwork by Nicola Bockelmann which focuses on the permeable border between pornography and mainstream culture and urges viewers to question everyday explicitness. Balancing a popular culture approach and a strong analytic lens, Porn Chic will engage a wide audience of readers interested in popular culture, fashion, and gender studies.

Cloth Girl Oct 04 2022 Matilda Quartey is fourteen years old when sophisticated black Gold Coast lawyer, Robert Bannerman, sets eyes on her and resolves to take her as his second wife. For Julie, his first wife, this is a colossal slap in the face; for Matilda it is an abrupt - and cruel - end to childhood. Entwined with their story - by turns funny and heartbreaking - is that of Alan Turton, new ADC to the Governor and his dissatisfied wife, Audrey, a hard-drinking accident waiting to happen, who is appalled by her new life. Marilyn Heward Mills's Africa is a cauldron of contradictions: fatalistic but brimming with optimism; outwardly Christian, yet profoundly superstitious and reliant on fetish priests; poverty-stricken, but rich in pride and family values; vibrant with colour yet darkened by violence; exhausting, yet exhilarating. For Matilda it is her passionately loved homeland; for Audrey it is a prison. For the men it is a land of opportunity, where careers can be made and broken, fortunes lost and won. And for all of them the events of these ten years will shape and define their lives forever.

The Story Girl & The Golden Road Jun 19 2021 Written by Lucy Maud Montgomery, the Canadian author who is perhaps best known for her novel Anne of Green Gables. The Story Girl and its sequel The Golden Road follows the adventures of Sara Stanley and her young cousins who live in rural Canada. A fascinating novel of the period that is still an interesting and entertaining read today. Lucy Maud Montgomery was born on 30th November 1874, New London, in the Canadian province of Prince Edward Island. Her mother, Clara Woolner (Macneil), died before Lucy reached the age of two and so she was raised by her maternal grandparents in a family of wealthy Scottish immigrants. In 1908 Montgomery produced her first full-length novel, titled 'Anne of Green Gables'. It was an instant success, and following it up with several sequels, Montgomery became a regular on the best-seller list and an international household name. Montgomery died in Toronto on 24th April 1942.

Dude, You're a Fag Apr 17 2021 High school and the difficult terrain of sexuality and gender identity are brilliantly explored in this smart, incisive ethnography. Based on eighteen months of fieldwork in a racially diverse working-class high school, Dude, You're a Fag sheds new light on masculinity both as a field of meaning and as a set of social practices. C. J. Pascoe's unorthodox approach analyzes masculinity as not only a gendered process but also a sexual one. She demonstrates how the "specter of the fag" becomes a disciplinary mechanism for regulating heterosexual as well as homosexual boys and how the "fag discourse" is as much tied to gender as it is to sexuality.
